 A Traditional IRA is an individual retirement account that may provide tax benefits because contributions may be tax deductible. Investment earnings can also grow tax-deferred until withdrawn, typically at retirement.
 Traditional IRA | TD Ameritrade
 A Roth IRA is an individual retirement account that offers the opportunity for tax-free income in retirement. Annual contributions are taxed upfront and all earnings are federal tax-free when they are distributed according to IRS rules. This is much different than a Traditional IRA, which taxes withdrawals.
