The story of America and
 African Americans is a
 story of hope and
 inspiration and

unwavering courage. In *Heart and Soul*, Kadir Nelson's stirring paintings and words grace 100-plus pages of a gorgeous picture book—a beautiful gift for readers of all ages, a treasure to share across generations at home or in the classroom. *Heart and Soul* is about the men, women, and children who toiled in the hot sun picking cotton for their masters; it's about the America ripped in two by Jim Crow laws; it's about the brothers and sisters of all colors who rallied against those who would dare bar a child from an education. It's a story of discrimination and broken promises, determination, and triumphs. Kadir Nelson's *Heart and Soul*—the winner of numerous awards, including the Coretta Scott King Author Award and Illustrator Honor, and the recipient of five starred reviews—is told through the unique point of view and intimate voice of a one-hundred-year-old African-American female narrator. This inspiring book demonstrates that in striving for freedom and equal rights, African Americans help our country on the journey toward its promise of liberty and justice—the true heart and soul of our

nation.

Few if any people in the evangelical world have conversed as widely and sensitively as Richard Mouw. That's why Mouw can write here so wisely and helpfully about what Christians can appreciate about pluralism, the theological basis for civility, and how we can communicate with people who disagree with us on the issues that matter most.

This volume explores the climates, landscapes, ecosystems and hazards that comprise the Mediterranean world. It traces the development of the Mediterranean landscape over very long timescales and examines modern processes and key environmental issues in a wide range of settings. The Mediterranean is the only region on Earth where three continents meet and this interaction has produced a very distinctive Physical Geography. This book examines the landscapes and processes at the margins of these continents and the

distinctive marine environment between them. Catastrophic earthquakes, explosive volcanic eruptions and devastating storms and floods are intimately bound up within the history and mythology of the Mediterranean world. This is a key region for the study of natural hazards because it offers unrivalled access to long records of hazard occurrence and impact through documentary, archaeological and geological archives. The Mediterranean is also a biodiversity hotspot; it has been a meeting place for plants, animals and humans from three continents throughout much of its history. The Quaternary records of these interactions are more varied and better preserved than in any other part of the world. These records have provided important new insights into the tempo of climate, landscape and ecosystem change in the Mediterranean region and beyond. The region is unique because of the very early and widespread impact of humans in landscape and ecosystem change - and the richness of the archaeological and geological archives that chronicle this impact. This

book examines this history and these interactions and places current environmental issues in long term context. In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help us grow in our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't

Eve surprised when the serpent spoke to her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the assembly of divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote belief in imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels dare not rebuke? After reading this book, you may never read your Bible the same way again.

Endorsements "There is a world referred to in the Scripture that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating many ideas and themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm for reflection about what

Scripture teaches." -- Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before?' Dr. Heiser's survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one is going to agree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and in its depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople--who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H.

 In 1857, Charles Spurgeon—the most popular preacher in the Victorian world—promised

his readers that he would publish his earliest sermons. For almost 160 years, these sermons have been lost to history. Beginning in January 2017, B&H Academic will start releasing a multi-volume set that includes full-color facsimiles, transcriptions, contextual and biographical introductions, and editorial annotations. Written for scholars, pastors, and students alike, The Lost Sermons of C.H. Spurgeon will add approximately 10% more material to Spurgeon's body of literature and will constitute the first critical edition of any of Spurgeon's works. *Please note that the price difference between Vol. 1 and Vols. 2-12 is due to the addition of a 100 page critical introduction to the series.

Jesus Christ is the most famous man in human history, but exactly who was He? Some say a fable; others think just one option among many good teachers, or even a nice guy who taught morals. Do any of these descriptions capture the totality of who He was? *Jesus Unmasked* goes directly to the world's greatest expert on Jesus Christ, *Jesus Himself: Who Jesus said He was and why He said it the way He did* What historical accounts and Biblical details reveal versus what we assume Why 4000 years of history, prophecy and chronology force every human being to render their verdict about this one man. When you encounter Jesus Unmasked, you will not be ambivalent. Jesus gives us clarity and insight into the nature of God. Interact with what Jesus taught about Himself and draw your own conclusions to the world's most important question: "Who is the real Jesus?" *The Doctrine of Angels, Satan, and Demons* Xulon Press
Fresh Hope is a FANTASTIC and much needed resource for the church! I particularly appreciate the emphasis on the wellness versus

medical model, as it empowers us to be active participants in the pursuit of healing. I would have given anything to be part of a group like this years back. Now I am so excited to help bring this ministry to the Chicago area. Jon Press MA Christian Education blogger for BP magazine A well written book that is concise, easy to understand and free of psychobabble. I highly recommend Brad Hoefs' book, *Fresh Hope*, for those suffering from mood disorders. *Fresh Hope* is an excellent resource that is informative and enlightening. It will bring insight to family and friends wanting to increase their understanding of their loved ones' mood disorders. Definitely a must read. Encouraging, explicit, resounding in truth...begin your own journey and allow God to redeem your pain and suffering into trophies of His wonderful grace. Allen L. Minnig LMHP, C.P., Omaha, NE, 2012 Brad has provided a great resource for the faith community in their effort to serve those who struggle with mood disorders. As a "wounded healer" he has provided a theological framework and philosophy of ministry

for the church in partnering with the medical community on behalf of those who live with a chemical imbalance. Brad's story of recovery and growth brings hope to those who are not satisfied with merely coping with the challenges of a harsh medical diagnosis and medication. It is an invaluable resource for the church in coming alongside the millions in our communities who struggle with depression and anxiety. Brad's story of integrating faith in his recovery will bring hope to all who battle with depression. Dr Wendell Nelson Pastor of Spiritual Formation Christ Community Church Pastor Brad Hoefs was diagnosed with Bipolar I Disorder in 1995, after experiencing a very public and painful manic episode. This episode led to him being asked to resign as the senior pastor of a large growing church. After his resignation a group of people formed Community of Grace Church and provided the Hoefs with a safe place to heal and find hope. It is out of this experience that Brad started Fresh Hope in 2009, a Christ-centered support group for those who suffer from mood

disorders, as well as for their loved ones. Fresh Hope has grown to numerous locations throughout the US, with new groups starting all the time. Brad serves as senior pastor at Community of Grace in Elkhorn, NE and is President of WorshipOutlet.com, which provides creative worship resources. He also serves as a member of the State of Nebraska's Advisory Committee to the Governor on Mental Health Services. Brad is married to Donna, his sweetheart since college. They have two married adult children, Noah and Noelle, and two grandchildren, Ava and Jayden, who bring them great joy! You may contact Pastor Brad by emailing him at bradhoefs@freshhope.us. Boydell & Brewer The Book in AfricaCritical DebatesPalgrave Macmillan [Four Views on Hell](#) The Book in AfricaCritical Debates If we are honest, we have to admit that there are many things we don't understand about God. We do not have final answers to the deep problems of life, and those who say they do are probably living in some

degree of delusion. There are areas of mystery in our Christian faith that lie beyond the keenest scholarship or even the most profound spiritual exercises. For many people, these problems raise so many questions and uncertainties that faith itself becomes a struggle, and the very person and character of God are called into question. Chris Wright encourages us to face up to the limitations of our understanding and to acknowledge the pain and grief they can often cause. But at the same time, he wants us to be able to say, like the psalmist in Psalm 73: "But that's all right. God is ultimately in charge and I can trust him to put things right. Meanwhile, I will stay near to my God, make him my refuge, and go on telling of his deeds."

God, who said, "Let light shine out of darkness," has shone in our hearts to give the light of the knowledge of the glory of God in the face of Jesus Christ. 2 Corinthians 4:6
This book is a cry from the heart of John Piper. He is pleading that God himself, as revealed in Christ's death and resurrection, is the ultimate and greatest gift of the gospel. None of Christ's gospel deeds and none of our gospel blessings are good news except as means of seeing and savoring the glory of Christ. Forgiveness is good news because it opens the way to the enjoyment of God himself. Justification is good news because it wins access to the presence and pleasures of God himself. Eternal life is good news because it becomes the everlasting enjoyment of Christ. All God's gifts are loving only to the degree that they lead us to God himself. That is what God's love is: his commitment to do everything necessary (most painfully the death of his only Son) to enthrall us with what is most deeply and durably satisfying--namely, himself. Saturated with Scripture, centered on the cross, and seriously joyful,

this book leads us to satisfaction for the deep hungers of the soul. It touches us at the root of life where practical transformation gets its daily power. It awakens our longing for Christ and opens our eyes to his beauty. Piper writes for the soul-thirsty who have turned away empty and in desperation from the mirage of methodology. He invites us to slow down and drink from a deeper spring. "This is eternal life," Jesus said, "that they know you the only true God, and Jesus Christ whom you have sent." This is what makes the gospel--and this book--good news.

#1 New York Times bestseller for 13 consecutive weeks! "As long as humanity speaks of virtue and dreams of freedom, the life and writings of Whittaker Chambers will ennoble and inspire." - PRESIDENT RONALD REAGAN "One of the dozen or so indispensable books of the century..." - GEORGE F. When some future Plutarch writes his American Live, he will find in Chambers penetrating and terrible insights into America in the early twentieth century." - ARTHUR SCHLESINGER JR. that has something to do with restoring the spiritual values of politics." - SAM TANENHAUS, author of Whittaker Chambers "One of the few indispensable autobiographies ever written by an American - and one of the best written, too." - HILTON KRAMER, *The New Criterion* First published in 1952, *Witness* is the true story of Soviet spies in America and the trial that captivated a nation.
