Flavors from the Untamed Pacific Northwest S. Chand Publishing

"Massive, beautiful . . . unquestionably some of the best writing on Spain [and] the best that Mr. Michener has ever done on any subject."—The Wall Street Journal Spain is an immemorial land like no other, one that James A. Michener, the Pulitzer Prize-winning author and celebrated citizen of the world, came to love as his own. Iberia is Michener's enduring nonfiction tribute to his cherished second home. In the fresh and vivid prose that is his trademark, he not only reveals the celebrated history of bullfighters and warrior kings, painters and processions, cathedrals and olive orchards, he also shares the intimate, often hidden country he came to know, where the congeniality of living souls is thrust against the dark weight of history. Wild, contradictory, passionately beautiful, this is Spain as experienced by a master writer.

I have physical scars from past surgeries, however, I have emotional scars as well. They were buried deep inside (hidden). It wasn't until my mother died was I able to "catch my breath" and to make sense of or process the emotional pain I had endured due to her prescription drug addiction, resulting in my own addictions.

An insightful and moving account, *The Heart Moves in a Circular Direction* tells the story of Ingeborg Gubler Casey, nicknamed "Biby," who must come to terms with her mother's mental illness even as she battles fears that she will succumb to the same disease. While growing up, Biby shares her mother's delusional world but as a teen, conversations with her mother leave her in turmoil. After entering college, Biby tries to focus on her future. She cuts off contact with her mother, and, in her attempts to ward off guilt and anxiety, pretends she has no mother. When her older sister returns for a visit, they decide to visit their mother together. After an absence of ten years, Biby must summon all her courage to face her mother. Despite becoming a psychologist, she has little understanding of her own emotions, especially her conflicting feelings about her mother. After her father's death, as Biby re-engages with her mother, she finds herself embarked on a turbulent journey of self-discovery. She emerges more whole, and, as she begins to truly understand the depth of her legacy, she is brought closer to her mother.

NATIONAL BESTSELLER • From the award-winning author of *We Should All Be Feminists* and *Half of a Yellow Sun*—the story of two Nigerians making their way in the U.S. and the UK, raising universal questions of race, belonging, the overseas experience for the African diaspora, and the search for identity and a home. Beautiful, self-assured Ifemelu heads for America, where despite her academic success, she is forced to grapple with what it means to be black for the first time. Fifteen years later, they reunite in a newly democratic Nigeria, and reignite their passion—for each other and for their homeland.

Permanent Foundations Guide for Manufactured Housing Robinson Publishing

Legendary football coach and Super Bowl champion with the Denver Broncos, Wade Phillips, recalls his life in football and memories of his father, NFL head coach Bum Phillips, in a book perfect for a Father's Day gift. "Having played for and against Wade Phillips, the first word that comes to my mind is respect. SON OF BUM is a great read about the Xs and Os from one of the greatest coaches in the league, as well as a loving tribute to the influence of family."—Peyton Manning In his memoir *Son of Bum*, decorated NFL coach Wade Phillips shows that the roots of his knowledge come from his father, Bum Phillips. A beloved character in NFL history, Bum taught Wade from the beginning that "coaching isn't bitching," as well as how to have perspective on the game during tough times. These are lessons that apply both on the field and off, and Wade has passed this wisdom down to his son, Wes Phillips, an NFL coach himself. Known for his homespun, plain-talking ways, Wade is a groundbreaking coach who has long believed in using support and camaraderie—instead of punishment and anger—to inspire his players to be winners on and off the field. And though his defensive concepts are revolutionary, he would say they begin with common sense. *Son of Bum* is more than one man's memoir—it's a story of family and football and a father who inspired his son.

Nursing Staff in Hospitals and Nursing Homes Dial Press Trade Paperback

This book is devoted to the dynamic development of retailing. The focus is on various strategy concepts adopted by retailing companies and their implementation in practice. This is not a traditional textbook or collection of case studies; it aims to demonstrate the complex and manifold questions of retail management in the form of twenty lessons, where each lesson provides a thematic overview of key issues and illustrates them via a comprehensive case study. The examples are all internationally known retail companies, to facilitate an understanding of what is involved in strategic retail management and illustrate best practices. In the third edition, all chapters were revised and updated. Two new chapters were added to treat topics like corporate social responsibility as well as marketing communication. All case studies were replaced by new ones to reflect the most recent developments. Well-known retail companies from different countries, like Tesco, Zalando, Hugo Boss, Carrefour, Amazon, Otto Group, are now used to illustrate particular aspects of retail management.

Son of Bum Springer

How many great ideas begin with a nagging thought in the middle of the night that should disappear by morning, but doesn't? For Daniel Shumski, it was: Will it waffle? Hundreds of hours, countless messes, and 53 perfected recipes later, that answer is a resounding: Yes, it will! Steak? Yes! Pizza? Yes! Apple pie? Emphatically yes. And that's the beauty of being a waffle iron chef—waffling food other than waffles is not just a novelty but an innovation that leads to a great end product, all while giving the cook the bonus pleasure of doing something cool, fun, and vaguely nerdy (or giving a reluctant eater—your child, say—a great reason to dig in). Waffled bacon reaches perfect crispness without burned edges, cooks super fast in the two-sided heat source, and leaves behind just the right amount of fat to waffle some eggs. Waffled Sweet Potato Gnocchi, Pressed Potato and Cheese Pierogi, and Waffled Meatballs all end up with dimples just right for trapping their delicious sauces. A waffle iron turns leftover mac 'n' cheese into Revitalized Macaroni and Cheese, which is like a decadent version of a grilled cheese sandwich with its golden, buttery, slightly crisp exterior and soft, melty, cheesy interior.

The Australian Official Journal of Trademarks Farrar, Straus and Giroux

A cookbook of treats from the Great Plains to satisfy every sweet tooth. Based in Lincoln, Nebraska, Goldenrod Pastries is a community bakery with an ambitious and talented baker at the helm. Angela Garbacz learned at her mother's and grandmothers' elbows, mixing up cookies and rolling sweet buns. Her training continued in New York City before she returned home and opened her dream shop. From her grandma's famous peach coffee cake to caramel-covered pecan rolls, lemon meringue pie and frosted brownies to fluffernutter buns and confetti cookies, Garbacz's pastries come out of the oven perfectly golden and regularly sell out. At her bakery, she creates delicious treats without dairy or gluten, but every recipe in this book can be made with butter and all-purpose flour just as easily as any alternative. With her positive attitude and confident voice, Garbacz makes it easy and fun to bake a perfect dessert that everyone can eat. This beautiful cookbook—the photography, the philosophy, and the desserts!—is an instant classic.
