DEMARCUS PAOLA

Globalization and American Popular Culture Routledge
With a framework based on interests, interactions, and institutions, World Politics gives students an accessible analytical approach to understand international relations. In the Fifth Edition, two new guest contributors—Stephanie Rickard and Susan Hyde—offer cutting-edge analysis of current issues, including the global coronavirus pandemic and trade war between the United States and China. When assigned with InQuizitive and brand new News Analysis activities, students can apply the framework to global and current events.

The Globalization of World Politics Rowman & Littlefield

The fifth edition of this seminal textbook by best-selling author Andrew Heywood continues to lead the way in providing a comprehensive and authoritative introduction to politics. Renowned for its engaging and accessible style, this book helps students to understand the discipline's foundational concepts and theories and use these to make sense of its key subfields, from elections and voting to security and global governance. Systematically revised and updated throughout, it also uses a range of tried-and-tested pedagogical features to draw links between different standpoints and help make contemporary institutions, events and developments come to life. Drawing on a wide range of international examples, this text is the ideal choice for lecturers around the world. Carefully designed and written to map onto the way the subject is introduced at degree level, it remains the go-to text for undergraduate introductory and comparative politics courses. Furthermore, it can also be used as pre-course reading or as a point of reference throughout politics degrees, majors or minors. New to this Edition: - Restructured and revised to reflect the decline of democracy and the rise of populism and authoritarianism in different parts of the world - New Politics in Action features reflect the latest political developments - including 'Trump's triumph: politics as polarization'; 'South Africa: a one-party state?'; and 'North Korea:

a rogue nuclear power?' - Discusses the transformation of the media landscape, assessing the advent and impact of social media and 'fake news' - New and improved text design reflecting the book's contemporary and engaging coverage - Accompanied by a brand new website, featuring a flashcard glossary, additional cases, interactive simulations and weblinks for students, PowerPoint slides for lecturers, a testbank and a guide to using the book.

Global Gender Politics Westview Press

This textbook provides a historical survey of economic and political development theory and practice since 1945 against the background of changes in global politics. It examines the ideas, institutions and practices of international development and includes case studies on Ghana, Argentina and South Korea.

Global Politics Oxford University Press, USA

James Rosenau's work is known for its originality and clarity and the sixteen articles in this new volume are no exception. Tackling the specific challenges posed by globalization and governance, this book covers four key areas: the challenge - tensions, contradictions, outcomes and global affairs the profession - community, globalized space and international relations globalization - complexities, contradictions and theory governance - understanding and future The Study of World Politics presents the thinking of one of the most innovative scholars in the last half century. The subjects addressed provide the big picture, whilst also being meticulous in detail. This new book gives the reader an unparalleled understanding of globalization and governance and is an invaluable tool to students and scholars of politics and world affairs alike.

World Politics in a New Era Oxford University Press

From the war on terror to the global financial crisis, traditional concepts of world politics are being challenged on a daily basis. In these uncertain times, the study of international relations and the forces that shape them have never been more important. Written specifically for students who are approaching this subject for the first time, World Politics is the most accessible, coherent and up-to-date account of the field available. It covers the historical backdrop to today's political situations, the complex interactions

of states and non-state actors, the role of political economy, human security in all its forms, and the ways in which culture, religion and identity influence events. World Politics takes a new approach that challenges traditional interpretations, and will equip students with the knowledge and the confidence needed to tackle the big issues.

International Ethics Addison-Wesley Longman

The Globalization of World Politics, the bestselling introduction to international relations, offers the most comprehensive coverage of the key theories and global issues in world politics. The eighth edition engages with contemporary global challenges, featuring a brand new chapter on Refugees and Forced Migration and updated coverage of decolonization to ensure the book continues to cover those topics that will define the key issues in IR into the future. Tailored pedagogical features help readers to evaluate key IR debates and apply theory and concepts to real world events. A fully updated Opposing Opinions feature facilitates critical and reflective debate on contemporary policy challenges, from decolonising universities to debates over migration and the state. Leading scholars in the field introduce readers to the history, theory, structures and key issues in IR, providing students with an ideal introduction and a constant guide throughout their studies. Students and lecturers are further supported by extensive online resources to encourage deeper engagement with content: Student resources: International relations simulations encourage students to develop negotiation and problem solving skills by engaging with topical events and processes IR theory in practice case studies encourage students to apply theories to current and evolving global events Video podcasts from contributors help students to engage with key issues and cases in IR Guidance on how to evaluate the Opposing Opinions feature, supporting students to engage in nuanced debate over key policy challenges Interactive library of links to journal articles, blogs and video content to deepen students' understanding of key topics and explore their research interests Flashcard glossary to reinforce understanding of key terms Multiple choice questions for self-study help students to reinforce their understanding of the key points of each chapter Revision guide to consolidate

understanding and revise key terms and themes Instructor Resources: Case studies help to contextualise and deepen theoretical understanding Test bank - fully customisable assessment questions to test and reinforce students' understanding of key concepts Question bank - a bank of short answer and essay questions to promote students' critical reflection on core issues and themes within each chapter Customisable PowerPoint slides help to support effective teaching preparation Figures and tables from the book allow clear presentation of key data and support students' data analysis [International Relations and World Politics](#) Bloomsbury Publishing This completely revised and updated eighth edition serves as the definitive text for courses in which the United Nations is either the focus or a central component. Built around three critical themes in international relations (peace and security, human rights and humanitarian affairs, and sustainable human development) the eighth edition of *The United Nations and Changing World Politics* guides students through the seven turbulent decades of UN politics. This new edition is fully revised to incorporate recent developments on the international stage, including new peace operations in Mali and the Central African Republic; ongoing UN efforts to manage the crises in Libya, Syria, and Iraq; the Iran Nuclear Deal; and the new Sustainable Development Goals. The authors discuss how international law frames the controversies at the UN and guides how the UN responds to violence and insecurity, gross violations of human rights, poverty, underdevelopment, and environmental degradation. Students of all levels will learn that the UN is a complex organization, comprised of three interactive entities that cooperate and also compete with each other to define and advance the UN's principles and purposes.

Global Politics W.W. Norton & Company

In turbulent global times, your study of this subject is increasingly necessary and urgent. Featuring a new chapter on critical theories, and revised to take a less Eurocentric approach to concepts and case studies, this new edition allows you to tackle global politics' important concepts, debates and problems: -How can theories help us to understand the politics of a global pandemic? -Do we live in a 'post-truth' world of 'fake news' and disinformation? -Does international aid work? -Does the United States remain a global hegemon? -What is the Anthropocene and

how does it shape global politics? -Are global politics constrained by a 'North-South' divide? -What are the possible futures of global politics - and the politics of outer space? Delving into topics as diverse as anarchy, intersectionality, Confucianism, and neoconservatism, boxed features give you confidence in political analysis: -Focus on: learn more about the global colour line or the tragedy of the commons -Key figures: discuss the ideas of Hans Morgenthau, Frantz Fanon or bell hooks -Debating: argue whether the United Nations are obsolete, or whether nuclear weapons promote peace -Global politics in action: apply your learning to the migration crisis in Europe or the Arab Spring -Approaches to: consider human rights or the Covid-19 pandemic from the perspective of realist, liberal, postcolonial, Marxist, feminist, constructivist and post-structuralist theory -Global actors: understand the significance of Black Lives Matter, Amnesty International or the International Monetary Fund. Spanning the development of global politics, from the early origins of globalization through to the return of multipolarity in the twenty-first century, this is an essential text for undergraduates studying global politics and international relations.

Africa in World Politics Bloomsbury Publishing

Unrivalled coverage of IR theories from leading experts, featuring a new chapter that reflects on the historic marginalisation of global IR and a wide range of case studies that show readers how theory can be applied to address concrete political problems.

[Global Politics](#) Routledge

INTERNATIONAL POLITICS: POWER AND PURPOSE IN GLOBAL AFFAIRS, 4th Edition, is a highly engaging introduction to the study of world politics. Author Paul D'Anieri uses the theme of Power and Purpose to examine five paradigms of international relations theory and to connect the scholarly analysis of international politics to policy problems and contemporary affairs. A cohesive pedagogical framework presents the study of international politics as a series of intellectual puzzles and policy problems and helps students make the connections between theory and policy; between history and the present; and between ideals and constraints. The author also addresses common student deficiencies in history, policy, and geography through case studies of real-world events, and emphasizes that a better understanding of international relations can often be gained by examining problems from multiple approaches.

International Politics Rowman & Littlefield

Globalization: The Reader addresses the big issues: communications and global media, political economy, cultural homogeneity and heterogeneity, new technologies, tourism, beliefs, and identity.

The Globalization of World Politics Pearson Education

This fully revised fifth edition thoroughly covers post-September 11 developments, retaining its practical bent, to reveal how global politics affects the quality and content of people's lives.

[International Relations Theories](#) Lynne Rienner Pub

This text presents the concepts, theories, methods, and traditions of ethical analysis and then applies them to case studies in the areas of human rights, military force, foreign intervention, economic statecraft, and global political justice.

[Introduction to Global Politics](#) Westview Press

With a framework based on interests, interactions, and institutions, *World Politics* gives students the tools to understand international relations. In the thoroughly updated Fourth Edition, new Controversy units provide models for applying the concepts in each chapter to real-world issues and events. New InQuizitive activities—created and tested by instructors who teach with *World Politics*—then invite students to practice applying the analytical tools from the text to alternative examples and cases.

[World Politics](#) Routledge

A third edition of this book is now available. Now in a fully revised and updated edition, this concise and insightful book explores the ways American popular products such as movies, music, television programs, fast food, sports, and even clothing styles have molded and continue to influence modern globalization. Lane Crothers offers a thoughtful examination of both the appeal of American products worldwide and the fear and rejection they induce in many people and nations around the world. Concluding with a projection of the future impact of American popular culture, this book makes a powerful argument for its central role in shaping global politics and economic development.

Introduction to Global Politics Oxford University Press

The fifth edition of this bestselling textbook offers a comprehensive and engaging introduction to International relations and has been fully updated to cover the dramatic changes in recent world politics. Written in the author's unique and engaging style, the text explores everything from foreign

policy and security to global governance and the global economy, to show how the theories and concepts Brown outlines are the only way to make sense of contemporary issues and events. With reference to such diverse events as Brexit, the Russian armed conflict in Ukraine, the financial crisis, the rise of China, and the challenges of identity politics, the author expertly shows how the range of theories presented in the book allow for an understanding of the destabilising events and developments that characterise global politics today, and will continue to do so in the future. This text remains the definitive guide to understanding international relations, and is suitable for undergraduate and postgraduate students of international relations at any stage of their studies. New to this Edition: - Thoroughly updated to showcase the breadth of the latest research and key thinkers in international relations theory. - Entirely rewritten chapter on the development of human rights and international criminal law. - Brand new chapter that offers a sophisticated and up-to-date analysis of the current state of world politics.

International Human Rights examines the ways in which states and other international actors have addressed human rights since the end of World War II. This unique textbook features substantial attention to theory, history, international and regional institutions, and the role of transnational actors in the protection and promotion of human rights. Its purpose is to explore the difficult and contentious politics of human rights, and how those political dimensions have been addressed at the national, regional, and especially international levels. The fifth edition is substantially updated, rewritten, and revised throughout, including updates on multilateral institutions (especially the UN's Universal Periodic Review process and the Human Rights Council's Special Procedures mechanisms), regional systems, human rights in foreign policy (including a specific chapter on U.S. foreign policy), humanitarian intervention and the "responsibility to protect," and (anti)terrorism and human rights. The book also includes a new chapter on the unity (indivisibility) of human rights. Chapters include discussion questions, case studies for in-depth examination of topics (including new case studies on the U.N. Special Procedures, Myanmar, and Israeli settlements in West-Bank Palestine), and ten "problems" (including new entries on the war in Syria and hierarchies between human rights) tailored to promote classroom discussion.

World Politics Polity

Gurtov uses a global-humanist framework to address four interrelated problems: underdevelopment, human rights violations, the arms race, and environmental destruction.
