 Please note: This is a companion version & not the original book. Sample Book Insights:  
 #1 Growth requires change, and most people are reluctant to change. But the truth is that without change,

growth is impossible. Without growth, we are not really living. #2 Growth is mandatory, but it is up to you if you want it or not. People who are unwilling to grow will never reach their potential. #3 Making the transition from being an occasional learner to becoming a dedicated self-developer goes against the grain of how most people live. If you want to reach your potential, you must become

a dedicated self-developer. #4 The only way to improve the quality of your life is to improve yourself. If you want to grow your organization, you must grow a leader. If you want better children, you must become a better person.

a REAL success if they master skills in four areas: Relationships, Equipping, Attitude, and Leadership. This book is designed to give you the essentials of attitude. People's lives are so hectic. Their time is valuable, and yet, they are also on information overload. More new information has been produced in the last thirty years than in the previous five thousand. A weekday edition of the New York

Times contains more information than average people in seventeenth-century England were likely to come across in their lifetime. The amount of information available in the world has doubled in the last five years, and it will keep doubling. So this book, a companion to Leadership 101, Relationships 101 (available January 2004), and Equipping 101 (available January 2004), is the short course on attitude. Dr.

Maxwell recognizes that as an individual, your attitude has a profound impact on your life. As a leader, you cannot ignore the attitudes of the people you lead and expect to achieve success—whether you're leading a business, a family, a sports team, or a group of volunteers. A person's attitude impacts their relationships, colors their view of failure, and defines their approach

to success.  
 Attitude can make or break you.

Con esta guía concisa y fácil de leer, usted aprenderá a dominar las cuestiones de la actitud. Aprenda a: Reconocer cómo las

actitudes de los individuos influyen en su desempeño Señalar problemas de sentimientos, conductas y pensamientos en usted y en otros Identificar seis problemas comunes de actitudes que socavan el equipo de trabajo Descubrir el secreto de cambiar una mala actitud Crear nuevas definiciones de fracasos y triunfos que mejorarán su desempeño Adoptar la actitud que ayuda a un líder a pasar

The most  
important  
characteristic  
that is needed  
to be  
successful in  
any leadership  
position -  
whether it's in

community - is  
the ability to

John

this book,  
Maxwell has  
translated  
decades of  
experience  
into 25 People  
Principles that  
anyone can

Winning With  
People,  
Maxwell  
divides these

principles into  
sections  
based off  
different  
questions we  
must ask  
ourselves  
such as:  
Readiness:  
Are we  
prepared for  
relationships?  
Connection:  
Are we willing  
to focus on  
others? Trust:  
Can we build  
mutual trust?  
Investment:  
Are we willing  
to invest in  
others?  
Synergy: Can  
we create a  
win-win  
relationship?  
Each section  
contains  
guiding People  
Principles.  
Some are  
intuitive, such

<p>as The Lens Principle: Who We Are Determines How We See Others. Others may go against your instincts, such as The Confrontation Principle: Caring for People Should Precede Confronting People. John C. Maxwell knows the answer. What can make the difference in your life today? How can two people with the same

skills and abilities, in the same situation, end up with two totally different outcomes? John C. Maxwell says the difference maker is attitude. For those who have ever wondered what may be separating them from achieving the kind of personal and professional success they've always dreamt of, leadership expert Dr. John C. Maxwell knows that it is attitude that

colors every aspect of your life. In *The Difference Maker*, Dr. Maxwell teaches you how to: Shatter common myths about attitude—what it can do for you and what it can't

Overcome the five biggest attitude obstacles

Develop an impactful attitude on your career, family, and daily living

Your attitude affects everything in your life, and it's one of the few things that you can

control. A good attitude doesn't necessarily make good things happen to you, but it sure does help. Or you can easily set

yourself up for failure by harboring a bad attitude, undermining your own efforts to succeed. The Difference Maker reveals the skills you

need to not only make attitude your biggest asset, but shows you how to maintain that attitude for the rest of your life.
