## TALAN LOZANO

---

Daughters of Mother Earth Lulu.com

Rich with magnificent photographs and powerful words, this book takes the reader into the inner thoughts, jokes, healing remedies, and humanity of Native American spiritual elders—otherwise known as the Wisdomkeepers. In their own words elders from the Sioux, Iroquois, Seminole, Ojibwe, Hopi, Ute, Pawnee, and other tribes explain who they are, how they live, and what they believe. Readers learn of Buffalo Jim, a Seminole who describes the story of creation as if the Everglades were Eden, and Mathew King, a Lakota who warns of punishments for those who would destroy earth. Readers share the innermost thoughts and feelings, the dreams and visions, the laughter, the healing remedies, and the prophecies of the Wisdomkeepers. Above all, the elders offer their humanity, which shines through each page. They are the Elders, the Old Ones, the Grandfathers and Grandmothers, the fragile repositories of sacred ways and natural wisdom going back millennia, yet never more relevant than today.

Rainbow Tribe San Francisco : Council Oak Books

A memoir from the Native American poet describes her youth with an abusive stepfather, becoming a single teen mom, and how she struggled to finally find inner peace and her creative voice.

Indian Pilgrims Oxford University Press

Native American spirituality teaches us the value of living in harmony with the earth, of honoring each other and respecting the interdependence of all life. This introductory guide explains a vision quest, the sweat lodge, medicine tools, how to reconnect with nature, how to purify with herbs, and other elements of Native American traditions.

*The Resurrection of Mother Earth: Mother Nature Religion* Beyond Words

In books such as *Mystics and Messiahs*, *Hidden Gospels*, and *The Next Christendom*, Philip Jenkins has established himself as a leading commentator on religion and society. Now, in *Dream Catchers*, Jenkins offers a brilliant account of the changing mainstream attitudes towards Native American spirituality, once seen as degraded spectacle, now hailed as New Age salvation. Jenkins charts this remarkable change by highlighting the complex history of white American attitudes towards Native religions, considering everything from the 19th-century American obsession with "Hebrew Indians" and Lost Tribes, to the early 20th-century cult of the Maya as bearers of the wisdom of ancient Atlantis. He looks at the popularity of the Carlos Castaneda books, the writings of Lynn Andrews and Frank Waters, and explores New Age paraphernalia including dream-catchers, crystals, medicine bags, and Native-themed Tarot cards. He also examines the controversial New Age appropriation of Native sacred places and notes that many "white indians" see mainstream society as religiously empty. An engrossing account of our changing attitudes towards Native spirituality, *Dream Catchers* offers a fascinating introduction to one of the more interesting aspects of contemporary American religion.

Think Indigenous Oxford University Press

A "profound and inspiring" collection of ancient indigenous wisdom for "anyone wanting the healing of self, society, and of our shared planet" (Peter Levine, author of *Waking the Tiger: Healing Trauma*). A Penobscot Indian draws on the experiences and wisdom of the First Nations to address environmental justice, water protection, generational trauma, and more. Drawing from ancestral knowledge, as well as her experience as an attorney and activist, Sherri Mitchell addresses some of the most crucial issues of our day—including indigenous land rights, environmental justice, and our collective human survival. Sharing the gifts she has received from the elders of her tribe, the Penobscot Nation, she asks us to look deeply into the illusions we have labeled as truth and which separate us from our higher mind

and from one another. *Sacred Instructions* explains how our traditional stories set the framework for our belief systems and urges us to decolonize our language and our stories. It reveals how the removal of women from our stories has impacted our thinking and disrupted the natural balance within our communities. For all those who seek to create change, this book lays out an ancient world view and set of cultural values that provide a way of life that is balanced and humane, that can heal Mother Earth, and that will preserve our communities for future generations.

In the Spirit of Mother Earth W. W. Norton & Company

Their intelligence and perception still rings true: Native American tribal leaders such as Tecumseh, Sitting Bull, and Chief Joseph share their wisdom from the ages.

Honoring Our Mother Earth John Hunt Publishing

Kateri Tekakwitha is the first North American Indian to be canonized as a saint by the Roman Catholic Church. *Indian Pilgrims* examines Saint Kateri's influence and role as a powerful feminine figure who inspires decolonizing activism in contemporary Indigenous peoples' lives.

Without Reservation Berkley

"Quest for Harmony is intended for anyone seeking a basic understanding of the cultures and spiritual teachings of Native American nations. It is sympathetic and respectful, presenting the views of Native Americans in their own voice wherever possible. Critical issues common to Native Americans such as the pannational spiritual movements and the environment, are also covered."--BOOK JACKET.

Finding Our Way Home Harper Collins

Now in paperback! US bestselling author of *Mother Earth Spirituality* returns with a call for a spiritual awakening to create a new global culture. Beginning with the ways of the Lakota Sioux and branching outward, Sioux tribal leader Ed McGaa, known as Eagle Man, shows the error of using animals and the natural world as a whole for economic and political gain. He then offers

everyday lessons and values gleaned from Nature that endure for all times and people. In this call for spiritual awakening, McGaa explains how we can create a new global culture based not on dominance over nature for economic and political gain, but on values that endure for all times and all people. Nature's Way explores Native American belief systems, oppression of Native Americans by the dominant society, the desecration of Nature, and the complicity of institutional religion. Taking on religion, politics, and culture, McGaa provides a template for readers – a path designed by Nature that anyone can follow. Using the lessons of eagle, bear, lion, wolf, orca, owl, tiger, buffalo, rat, deer – even the cottonwood tree, Nature's Way teaches all of us how we can overcome religious intolerance, treat women and men equally, preserve our environment, and live in peace.

#### **The Wind Is My Mother** HarperThorsons

There are two kinds of people in this world. One seeks wisdom; the other, seeks gratification. One is angered by injustice; the other is unconcerned. One is loyal to all living brothers and sisters; the other is loyal to a nation. One rejects dogma and thinks independently; the other blindly bows to authority, ridiculing free thinkers. One stands up to oppression; the other does nothing. Which one are you? We, in modern Europe, have strayed from our Natural Path. Our rich ancestral wisdoms are in danger of being lost, plunging us into chaos and despair as we tear ourselves away from the energy that created and sustains us. Using the Lakota Tribe as both an example and a beacon, *Calling to the White Tribe* exposes Organized Religion, false Democracies, Superstition and modern-man lifestyle models for the destructive forces they really are in order that generations to come will be free and know the value and purpose of humanity's place on Mother Earth. ,

#### The Book of Ceremonies CreateSpace

Rainbow Eagle is an Okla-Choctaw Native American Indian. His journey was facilitated by his full-blood Okla-Choctaw father and a loving and nurturing Christian mother. He is a Wisdom Keeper, honored with the responsibility of teaching an Ancient Native American Peace Shield drawing. Now that the Seventh Fire of the Anishinabe/Ojibwa traditions has been lit these original instructions, the teachings of Mother Earth, can help bring all life everywhere back into relationship. At this time, all of the traditional wisdom and truths are to be offered to all Earth People,

to bring personal spiritual balance and to restore peace on our Mother Earth. Rainbow Eagle has spent most of his life traveling among traditional Native Americans of United States, South America, Canada, and overseas learning from their most respected elders. He is a revered storyteller and teacher and has shared native wisdom in both traditional and non-traditional ways with many communities. He and his wife, Mary Rainbow Snake Woman are conductors of many traditional Native American ceremonies and are responsible for many Sacred Bundles.

#### **Native American Stories of the Sacred** Brings Good, LLC

The Native American Bible connects Revelations to North America and to the Native Americans. In the King James Version of the Bible the beast or the Federal Government was given power. Chapter 13v5 "And power was given unto to him to continue forty and two months." In Revelations 11v2 "But the court which is without the temple leave out, and measure it not; for it is given unto the gentiles; (all the private citizens in North America) and the holy city shall they tread under foot for forty and two months". In 1621 the first thanksgiving in North America, was a spiritual pact formed by the British Puritans and the Native Americans and recognized by GOD. Subtract 1621 from 2023=402 years, 42 months was used to hide this fact from the beast. "The Word Becomes Flesh."

#### *Calling to the White Tribe* Career Press

This book is not intended to be an exact description of any particular Native American tradition. Rather, the intention of this book is to highlight the spiritual essences fundamental to the Native American perspective, teachings, and practices. Native Earth Wisdom is not limited to any particular indigenous people, tradition or place. We are all native people of Mother Earth. The purpose of this book is to understand our relationship with Earth and how to be harmonious with all our relations. Included are the essences of earth wisdom, with examples and practices for becoming sensitive to the energies and spirits of life. Topics also included are spiritual healing and personal wholeness. Chapters: Respect and Love, Meditations in Nature, Sacred Places, Spirit of Place, Spirits of Nature, Power & Integrity, Our four powers, Fire of our soul, Expansion of power, Power of sensitivity, Protection, Native Holistic Healing, Four kinds of Healing, Medicine Wheel, Sweat Lodge, Medicine bag, Earth and Sky, SkyWisdom meditations, Animal Spirits & Guides, Guides & Guidance,

Practices & Meditations.

#### **Quest for Harmony** Time Life Medical

Consisting of original scholarship at the intersection of indigenous studies and religious studies, the Handbook of Indigenous Religion(s) includes a programmatic introduction arguing for new ways of conceptualizing the field, numerous case study-based examples, and an Afterword by Thomas Tweed.

#### Honoring Our Mother Earth Turner Publishing Company

The wisdom from these stories can become a companion on your own spiritual journey. Native American stories of the sacred are intended for more than entertainment: they are teaching tales containing elegantly simple illustrations of time-honored truths. From tales of Creation to "Why?" stories that help explain the natural world around us, these stories highlight the sacredness of all life and affirm that we are each an integral part of all that is holy. Drawn from tribes across North America, these are careful retellings of traditional stories such as Son of Light's quest to win back his captured wife from the monstrous Man-Eagle; humble Muskrat's noble self-sacrifice to establish solid land so other beings might live; Water Spider's creative solution for retrieving fire for all the animals; and White Buffalo Calf Woman's profound gift of the sacred pipe to the people. Each of the compelling stories in this collection illustrates principles that can guide you on your own spiritual quest. Now you can experience the wisdom of these teaching tales even if you have no previous knowledge of Native American traditions. SkyLight Illuminations provides insightful yet unobtrusive commentary that explains the cultural and spiritual significance of the seemingly mundane objects found in these stories—tobacco, gambling, even the exploits of mischievous tricksters such as Coyote and Weasel—while gracefully drawing comparisons to Christian, Jewish, Buddhist and Hindu religious traditions, among others. Whatever your spiritual heritage, these Native American stories of the sacred are sure to delight and inspire you with the sacredness of all Creation, and remind you that the earth does not belong to us—we belong to the earth.

#### **Earthway** Simon and Schuster

Vine Deloria Jr., named one of the most influential religious thinkers in the world by Time, shares a framework for a new vision of reality. Bridging science and religion to form an integrated idea of the world, while recognizing the importance of

tribal wisdom, *The Metaphysics of Modern Existence* delivers a revolutionary view of our future and our world.

**Who Cries for Mother Earth** University of Chicago Press

"A dear stream of practical knowledge with the mind change we need to save the life of our Mother Earth--and ourselves . . . This is a book for every person who loves this planet. Eagle Man shows us the joyful path home to our universal Mother." Cynthia Bend, *Water Spirit Woman*, co-author of *Birth of a Modern Shaman* "A rich panorama of our native heritage which allows the seeker access to the heart of the Path of Beauty. Ed McGaa has walked this path so that all people may live in harmony." Samie Sams, Hancoka Olowanpi, author of *Midnight Song: Quest for the Vanished Ones* "Ed McGaa is one of the first persons who can write about Oglala religion in the first person because he has lived it. For years anthropologists have hoped a Native American would portray that society from the inside out. Ed McGaa has. It's about time." William K. Powers, author of *Oglala Religion* "Fascinating as well as inspiring reading. Ed McGaa makes an excellent spiritual guide and intellectual teacher . . . The information stimulates the mind, the drawings delight the eye, and the ideas soothe the spirit." Jack Weatherford, author of *Indian Givers* "Profound and insightful . . . Mother Earth Spirituality will be of great importance to those of us, both 'rainbow' and non-Indian people, who walk

over land in search of a deeper spiritual life . . . For us, this book is an invaluable guide showing us how to do it." Fred Alm Wolf, Ph.D., author of *Taking the Quantum Leap*

*Spirits of Blood, Spirits of Breath* New World Library

Explore the rich worldview of the first Americans, from creation stories to tales of the afterlife. World is your key to finding connection and feeling like you belong. Foreword by Michael Smith, PhD, author of *The Complete Empath Toolkit*

**Native Wisdom** North Atlantic Books

Violence and injustice against women continue to permeate our society, effectively hindering women's voices from being heard. No longer willing to remain passive, women today want to find their own answers to the problems they face. Author Segue Baah takes women on a quest for this spiritual understanding in *Fly with Eagles: Reclaiming Your Spiritual Self*. In contrast to standard religious rituals and patriarchal recitals, *Fly with Eagles* offers women an avenue to declare their interdependence between self and spirit through meditation and inner reflection. Drawing on her strong Native American belief system, Baah focuses on the moon cycle as a time of reflection and illuminates the deep spiritual connection that Native Americans have in the cycle's place and time. Although *Fly with Eagles* is directed toward American women, women from around the world who are open to nontraditional thought can identify with and use Baah's techniques. If you yearn to express your true self and your highest nature, *Fly with Eagles* can offer you a deeper understanding of your empowerment as a woman. Let yourself soar
