## VAUGHAN BERG

**Willa Cather** Oxford University Press

Since his first recordings in 1955, Johnny Cash has been an icon in the music world. In his newly discovered poems and song lyrics, we see the world through his eyes. The poetry reveals his depth of understanding, both of the world around him and within - his frailties and his strengths alike. He pens verses in his hallmark voice, reflecting upon love, pain, freedom, fame and mortality. Illustrated with facsimile reproductions of Cash's own handwritten pages, *Forever Words* is a remarkable addition to the canon of one of America's heroes. His music is a part of our collective history, and here he demonstrates the depth of his talent as a writer. Edited and introduced by Paul Muldoon, with a foreword by John Carter Cash, this is a book sure to delight and surprise fans the world over.

[The Lost Origins of the Essay](#) Harper Collins

"My Kinsman, Major Molineux" is a short story written by American author Nathaniel Hawthorne in 1831. It first appeared in the 1832 edition of *The Token and Atlantic Souvenir*, published by Samuel Goodrich

Welcome to the world of Claude McKay's "A Long Way from Home," a poignant journey of self-discovery, identity, and belonging. Follow the protagonist, who embarks on a transformative journey from Jamaica to America, navigating the complexities of race, culture, and personal identity. Claude McKay's evocative prose captures the struggles and triumphs of the immigrant experience, offering readers a profound exploration of the human spirit. Throughout the novel, McKay weaves a tapestry of themes including discrimination, resilience, and the pursuit of the American Dream. His rich character development and vivid descriptions paint a vivid picture of the early 20th-century landscape, inviting readers to reflect on the challenges faced by those who seek a better life in a new land. "A Long Way from Home" resonates with its powerful depiction of the immigrant experience, capturing the hopes and aspirations of those who dare to dream beyond their circumstances. McKay's

keen observations and lyrical prose offer readers a window into a world where courage and determination shape destinies. Since its publication, "A Long Way from Home" has received acclaim for its insightful portrayal of race relations and its timeless relevance. It remains a classic work of literature that continues to inspire and provoke thought, making it essential reading for those interested in exploring the complexities of cultural identity and social justice. Join us on this unforgettable journey through Claude McKay's "A Long Way from Home," where the quest for belonging and self-fulfillment takes center stage. Discover why this novel has captivated readers for generations and experience the enduring power of McKay's storytelling. Don't miss your chance to delve into this masterpiece of literature. Grab your copy of "A Long Way from Home" today and embark on a literary adventure that will challenge your perceptions and touch your heart.

[A Long Way from Home](#) Bloodaxe Books

Winner of the Pulitzer Prize "The book is a form of meditation, written with headlong urgency, about seeing. . . . There is an ambition about [Dillard's] book that I like. . . . It is the ambition to feel." — Eudora Welty, *New York Times Book Review* *Pilgrim at Tinker Creek* is the story of a dramatic year in Virginia's Roanoke Valley, where Annie Dillard set out to chronicle incidents of "beauty tangled in a rapture with violence." Dillard's personal narrative highlights one year's exploration on foot in the Virginia region through which Tinker Creek runs. In the summer, she stalks muskrats in the creek and contemplates wave mechanics; in the fall, she watches a monarch butterfly migration and dreams of Arctic caribou. She tries to con a coot; she collects pond water and examines it under a microscope. She unties a snake skin, witnesses a flood, and plays King of the Meadow with a field of grasshoppers. The result is an exhilarating tale of nature and its seasons.

[The Art of Stage Dancing](#) Doubleday Books

An "absorbing" biography of the playwright and Nobel laureate that "unflinchingly explores the darkness that dominated O'Neill's life" (*Publishers Weekly*). This extraordinary biography fully captures the intimacies of Eugene O'Neill's tumultuous life and the profound impact of his work on American drama, innovatively highlighting how the stories he told for the stage interweave with his actual life stories as well as the culture and history of his time. Much is new in this extensively researched book: connections between O'Neill's plays and his political and philosophical worldview; insights into his Irish American upbringing and lifelong torment over losing faith in God; his vital role in African American cultural history; unpublished photographs, including a unique

offstage picture of him with his lover Louise Bryant; new evidence of O'Neill's desire to become a novelist and what this reveals about his unique dramatic voice; and a startling revelation about the release of *Long Day's Journey Into Night* in defiance of his explicit instructions. This biography is also the first to discuss O'Neill's lost play *Exorcism* (a single copy of which was only recently recovered), a dramatization of his own suicide attempt. Written with both a lively informality and a scholar's strict accuracy, Eugene O'Neill: A Life in Four Acts is a biography worthy of America's foremost playwright. "Fast-paced, highly readable . . . building to a devastating last act." —*Irish Times* [The Film Sense](#) Alfred Publishing Company, Incorporated *Only Yesterday: An Informal History of the 1920s* by Frederick Lewis Allen is a history textbook about the lively gloriousness of Roaring 20s America. Contents: "II. BACK TO NORMALCY III. THE BIG RED SCARE IV. AMERICA CONVALESCENT V. THE REVOLUTION IN MANNERS AND MORALS VI. HARDING AND THE SCANDALS VII. COOLIDGE PROSPERITY VIII. THE BALLYHOO YEARS IX. THE REVOLT OF THE HIGHBROWS X. ALCOHOL AND AL CAPONE XI. HOME, SWEET FLORIDA."

[The Man of Letters in the Modern World](#) Hal Leonard Corporation No one can tell in advance what form a movement will take.

Grace Lee Boggs's fascinating autobiography traces the story of a woman who transcended class and racial boundaries to pursue her passionate belief in a better society. Now with a new foreword by Robin D. G. Kelley, *Living for Change* is a sweeping account of a legendary human rights activist whose network included Malcolm X and C. L. R. James. From the end of the 1930s, through the Cold War, the Civil Rights era, and the rise of the Black Panthers to later efforts to rebuild crumbling urban communities, *Living for Change* is an exhilarating look at a remarkable woman who dedicated her life to social justice.

[Generations](#) Harper Collins

THE STORY OF AMERICAN LITERATURE BY LUDWIG LEWISOHN THE MODERN LIBRARY NEW YORK LUDWIG LEWISOHN 1883- A NOTE ON THE AUTHOR OF *The Story of American Literature* No history of American criticism can ignore the contributions of Ludwig Lewisohn. Over a period embracing the World War and its long after math, his writings have given a new impetus and scope to the evaluation of American literature. Always enlightened and just, realistic and sensitive, Mr. Lewisohn's books are all devoted to a search of essences in personality and ideas. He is equally the creator and critic. His work is both adventurous and solidly rooted in tradition, wide in its range and sure in its discrimination. Born in Berlin in 1883, Ludwig Lewisohn was brought to America when he was seven years old. He received a wholly American education, at first at the College of Charleston, South Carolina, and later at Columbia University. As a teacher, at the University of Wisconsin and Ohio State University, 1910-1918, he exercised

a strong literary influence over his students. From the academic world he moved into the more exciting field of journalism and then became drama critic on the staff of *The Nation*, 1918-1924. For a number of years he lived in Europe and repeatedly visited Palestine and North Africa. He is the author of twenty-five volumes, embracing criticism, biography and fiction. His critical works include *The Modern Drama*, *The Creative Life*, *The Drama and the Stage*, *Cities and Men*, *The Story of American Literature*, of which the last named, here amplified and reprinted, is undoubtedly the culmination. Among his novels, those that have become integral parts of modern literature, not only at home but in translation in countries as diverse as Sweden and France, are *The Case of Mr. Crump*, *The Island Within*, *Stephen Escott*, *The Last Days of Shylock*, *The Golden Vase*, *Trumpet of Ubbilee*. The same may be said of his two autobiographical volumes, *Up Stream and Mid-Channel*. For many years now he has given a great part of his time and strength to the service of the Zionist cause. He resides in New Rochelle, New York, with his wife, Thelma Spear Lewisohn, the concert singer, and their son. Every history and every history of literature becomes a jag went immediately upon completion Action and creation continue on their march the book n static. Hence for this Modern Library Giant edition of *The Story of American Literature* have written a postscript, bringing, as best I could, the matter up to date. The book is now, at least, less fragmentary than it was before. It may indeed, whatever its shortcomings, be said to complete the record of an epoch fast drawing to its close. "Many of the authors Robert Clark discusses have yet to be recognized for their individual contributions to the emergence and continuing vitality of the movement. *School of Images* is organized based on chronology and lines of influence. In the introduction, Clark offers a definition of the mode and then describes its early stages. He then explores six works that reflect the core characteristics of the mode: Ernest Hemingway's *In Our Time*, Raymond Carver's *Cathedral*, Susan Minot's *Monkeys*, Jay McInerney's *Bright Lights, Big City*, Sandra Cisneros's *Caramelo*,

and Cormac McCarthy's *The Road*. In the conclusion, he discusses contemporary authors and filmmakers whose work represents the ongoing evolution of the category"-- Provided by publisher.

The Harlem Renaissance was an unprecedented period of vitality in the American Arts. Defined as the years between 1910 and 1927, it was the time when Harlem came alive with theater, drama, sports, dance and politics. Looking at events as diverse as the prizefight between Jack Johnson and Jim 'White Hope' Jeffries, the choreography of Aida Walker and Ethel Waters, the writing of Zora Neale Hurston and the musicals of the period, Krasner paints a vibrant portrait of those years. This was the time when the residents of northern Manhattan were leading their downtown counterparts at the vanguard of artistic ferment while at the same time playing a pivotal role in the evolution of Black nationalism. This is a thrilling piece of work by an author who has been working towards this major opus for years now. It will become a classic that will stay on the American history and theater shelves for years to come.

*The Great Chain of Life* Greenslet Press

*The Elephant Dance*, set within the scenic savannah land with its rich flora and fauna, illuminates the crisis of endangered wildlife at the mercy of invasive and destructive human greed. Embedded in the narrative is a sub-stratum of the destruction of indigenous livelihood and natural habitats. The conflict in the novel pits greedy and corrupt poachers led by Shadrach, Meshach and Abednego against an indigenous minority community of hunters and gatherers led by the elderly Sulunye and Pesi and their sons Reson and Sena. Roped in are the gallant wildlife protection officers, Regina Naitore and Leah Naipande. The indigenous community's cultural attachment to wildlife and the threat to evict them from their ancestral land helps to arrest the runaway poaching menace that has become unmanageable. With the fate of wildlife and their natural habitats having become a major talking point in Kenya as well as in the entire Eastern and Central African region, this story offers insights on how we can save endangered animals, especially elephants and rhinos which have become main targets for poachers who are after their prized horns and tusks. The story also highlights the problem of land grabbing which displaces animals from their natural habitats.

*A Billion Years* Houghton Mifflin Harcourt

A fully annotated and illustrated version of both *ALICE IN WONDERLAND* and *THROUGH THE LOOKING GLASS* that contains all of the original John Tenniel illustrations. From "down the rabbit hole" to the Jabberwocky, from the Looking-Glass House to the Lion and the Unicorn, discover the secret meanings hidden in Lewis Carroll's classics. (Orig. \$29.95)

**The Story of American Literature** U of Minnesota Press

Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem *Come Away* after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies. Other poems followed, and two years

after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection *That Winter (Bloodaxe, 1986)* was shortlisted for the Commonwealth Poetry Prize.

**Striptease** Checkmark Books

Gene Autry's autobiography follows him from his Oklahoma childhood, through his enormous success as Hollywood's first singing cowboy, to his current life as head of a business empire *Only Yesterday: An Informal History of the 1920's* Harper Collins Originally published in 1956, *The Great Chain of Life* brings a humanist's keen eye and ear to one of the great questions of the ages: "What am I?" Originally a scholar of literature and theater, toward the end of his career Joseph Wood Krutch turned to the study of the natural world. Bringing his keen intellect to bear on the places around him, Krutch crafted some of the most memorable and important works of nature writing extant. Whether anticipating the arguments of biologists who now ascribe high levels of cognition to the so-called lower animals, recognizing the importance of nature for a well-lived life, or seeing nature as an elaborately interconnected, interdependent network, Krutch's seminal work contains lessons just as resonant today as they were when the book was first written. Lavishly illustrated with thirteen beautiful woodcuts by Paul Landacre, an all-but-lost yet important Los Angeles artist whom Rockwell Kent called "the best American wood engraver working," *The Great Chain of Life* will be cherished by new generations of readers.

*The Drama 100* Rowman & Littlefield

Founder of the phenomenon social media account *PreachersNSneakers* tackles how faith, capitalism, consumerism, and (wannabe) celebrity have collided and asks both believers and nonbelievers alike: how much is too much? What started as a joke account on Instagram has turned into a movement. Through this provocative project, the founder of *PreachersNSneakers* is helping thousands of Jesus followers wrestle with the inevitable dilemmas created by our Western culture obsessed with image and entertainment. In *PreachersNSneakers: Authenticity in an Age of For-Profit Faith and (Wannabe) Celebrities*, Ben Kirby approaches many of the difficult questions plaguing countless Christians' minds, presenting experiences and input from both sides of difficult questions, such as: Should pastors grow wealthy off of religion, and can their churches ever be too large? Do we really believe that divine blessings are monetary, or is that just religious wallpaper to hide our own greed? Is there space in Christendom for celebrities like Kanye and Bieber to exist without distorting the good news? What about this: Is it wrong for someone—even wrong for author Ben Kirby—to call out faith leaders online and leverage "cancel culture" to affect change? *PreachersNSneakers* will navigate these challenging questions and many more with humor, wit, candor, and a few never-before-published hijinks. Each chapter will explore the various sides of the debate, holding space for us to make up our own minds. This book is not about finding the perfect, "right" way to do something, but instead learning how to articulate what we believe, why we believe it, and what to do when we want to stand up against cultural norms. This book will doubtlessly become a staple for church small groups, college ministries, and book clubs, emboldening struggling believers who want to live a more genuine faith. After all, the Lord works in mysterious colorways.
