Author Richard Abanes has written a book called Harry Potter and the Bible. He says that the movies and books not only teach anti-Christian lessons on the occult, but also moral relativism, and desensitize children to profanity and off-color humor. So, what is a Christian to do? Ask, seek, and knock.

In response to the heated controversy surrounding the Harry Potter phenomenon, Christian Publications is excited to present the book "Harry Potter and the Bible: The Menace behind the Magick." (The word magic refers to stage illusions by sleight-of-hand, where-as magick refers to occult practices.)
