 Seven stories tell how Sherlock Holmes solved mysteries concerning a royal scandal, a bizarre organization, the murder of a wealthy farmer, a diamond inside a chicken, and other cases.
Sherlock Holmes Addison-Wesley Longman Limited
 "To Sherlock Holmes, Irene Adler is "the woman." In "A Scandal in Bohemia," she defeated him in his attempt to retrieve an incriminating photograph of the King of Bohemia. Or did she? In the tradition of "The Great Game," this book will explore the unanswered questions in "A Scandal in Bohemia," illustrating that there is much more to the case than is generally suspected. Why did Holmes make so many elementary mistakes? Was Holmes really a cocaine user? Was the King of Bohemia hiding a dark secret? Why was the photograph so dangerous? Why was Irene Adler in such a hurry to get married? Was Irene Adler really a blackmailer? These and more questions will

be answered by studying the clues and contradictions in the original story, which lead to a shocking conclusion. Holmes was actually one step ahead of Adler, and he deliberately convinced the world that he had failed in his mission in order to play a long game to save Europe from the schemes of a dangerous villain!"
Sherlock Holmes: A Scandal in Bohemia e-artnow
 In the mysterious city of London, where every street, alley, and house can hold secrets of unknown and unsolvable nature, there is a man who has the power to throw the scientific light upon the most obscure mysteries. This man is Sherlock Holmes, a British detective whose intellect, sharp reasoning, and miscellaneous abilities allow him to solve the most clueless cases of all times.
A Scandal in Bohemia Graphic Universe™
 .0000000000These fifteen short stories, chosen by David Stuart Davies, former Editor of Sherlock magazine, show the master detective Sherlock Holmes at his most ingenious. Faithfully supported by his chronicler, Dr Watson, Holmes pits his wits against 'the Napoleon of Crime', Professor Moriarty, assists European royalty threatened by disgrace, helps to solve the mysterious death of a young woman due to be married, and becomes involved with other intrigues that defeat the

detectives of Scotland Yard. The original illustrations from The Strand magazine by Sidney Paget accompany each story.
Sherlock & Irene FilRougeViceversa
 To Sherlock Holmes she is always the woman. I have seldom heard him mention her under any other name. In his eyes she eclipses and predominates the whole of her sex. In Sherlock Holmes' first short story, he must face his most wily adversary yet--Irene Adler, "The Woman". Contracted by a Bohemian king to retrieve a series of compromising photographs ahead of the royal wedding, Holmes is caught up in disguises, bluffs, marriages, double bluffs, smoke alarms and heartbreak. To this supposedly heartless detective, Irene Adler is in many ways the first and only love of Holmes' we see in the whole canon, and for this reason the story is unmissable. CBy Publishing here presents the complete 1891 text, with Sidney Paget's original illustrations and a series of background notes on the story. Visit www.cbypublishing.co.uk for bulk orders!
Sherlock Holmes: a Scandal in Bohemia (Juvenile Fiction) Birdycat
 First appearing in print in 1887 (in A Study in Scarlet), the character's popularity became widespread with the first series of short stories in The Strand Magazine, beginning with "A Scandal

in Bohemia" in 1891; additional tales appeared from then until 1927, eventually totalling four novels and 56 short stories. All but one are set in the Victorian or Edwardian eras, between about 1880 and 1914. Most are narrated by the character of Holmes's friend and biographer Dr. Watson, who usually accompanies Holmes during his investigations and often shares quarters with him at the address of 221B Baker Street, London, where many of the stories begin. Though not the first fictional detective, Sherlock Holmes is arguably the best known, with Guinness World Records listing him as the "most portrayed movie character" in history. Holmes's popularity and fame are such that many have believed him to be not a fictional character but a real individual; numerous literary and fan societies have been founded that pretend to operate on this principle. Widely considered a British cultural icon, the character and stories have had a profound and lasting effect on mystery writing and popular culture as a whole, with the original tales as well as thousands written by authors other than Conan Doyle being adapted into stage and radio plays, television, films, video games, and other media for over one hundred years.

[A Scandal in Bohemia and the Red-Headed League](#) Collector's Library

The detective Sherlock Holmes investigates The Scandal in Bohemia. In this comic adaptation Sherlock Holmes solves a number of intertwined cases including The Speckled Band. This is the English translation of the original work in Czech, which was voted comic book of the year 2013. It's the first of four Sherlock Holmes graphic novels by Petr Kopl.

This book is a draft version of the entire series of Sherlock Holmes stories, which will soon be available in large print, using the best practices for readers who are visually impaired and seniors. Each story includes the original Sherlock Holmes mystery as well as a note from the series editor, Craig Stephen Copland, the author of the New Sherlock Holmes Mysteries books. In A Scandal in Bohemia you, as well as Sherlock Holmes, will meet The Woman, Irene Adler, the only woman whoever bested Sherlock Holmes. A great gift for someone you care about who needs a larger size print to be able to enjoy these wonderful stories.

[Another Scandal In Bohemia](#) CreateSpace

Sherlock Holmes is the most famous detective in history. Created by Sir Arthur Conan Doyle in the 19th Century, he lives dozens of adventures next to his friend and colleague Dr. Watson. "A Study in Scarlet" is the first story of the saga. Both characters meet each other for the first time and they resolve to fight evil together. "A Scandal in Bohemia" is the second story in their adventures, and it is here that we meet Irene Adler, the woman who fascinates Sherlock Holmes from thereafter. This book is an official edition since it contains both stories without forewords, external footnotes, or changes of any kind to the original text.

Englischer Text Mit Deutschen Worterklärungen. C1 (GER) Pearson UK

The first Sherlock Holmes mysteries (the first novel & the first short story) deluxe edition "A Study in Scarlet" is an 1887 detective novel written by Arthur Conan Doyle. The story marks the first appearance of Sherlock Holmes and Dr. Watson, who would become the most famous detective duo in popular fiction. The major themes in "A Study in Scarlet" are deductive/adductive reasoning, the ineffectiveness of public protection, religion, revenge modernism, and friendship. This edition features "A Scandal in Bohemia" which is the first short story, and the third overall work, featuring Arthur Conan Doyle's fictional detective Sherlock.

A mysterious package reveals a revolting surprise! When Miss Susan Cushing receives a package with gruesome contents, she cannot imagine who sent it. While Inspector Lestrade dismisses the package as a practical joke, Holmes fears the worst. Can Holmes and Watson discover the sender? [Seven Sherlock Holmes Stories](#) Graphic Universe ™

The Adventures of Sherlock Holmes A Study in Scarlet The Hound of the Baskervilles The Return of Sherlock Holmes The Sign of the Four "To Sherlock Holmes she is always the woman. I have seldom heard him mention her under any other name. In his eyes she eclipses and predominates

the whole of her sex. It was not that he felt any emotion akin to love for Irene Adler. All emotions, and that one particularly, were abhorrent to his cold, precise but admirably balanced mind. He was, I take it, the most perfect reasoning and observing machine that the world has seen, but as a lover he would have placed himself in a false position. He never spoke of the softer passions, save with a gibe and a sneer. They were admirable things for the observer—excellent for drawing the veil from men's motives and actions. But for the trained reasoner to admit such intrusions into his own delicate and finely adjusted temperament was to introduce a distracting factor which might throw a doubt upon all his mental results. Grit in a sensitive instrument, or a crack in one of his own high-power lenses, would not be more disturbing than a strong emotion in a nature such as his."

London, 1888. The study at 221b Baker Street, NW1 A weak man in thrall to a dangerous woman.

Sherlock Holmes hatches a plan to save the reputation of one of the crowned heads of Europe. But is he on the right side? The weak man is revealed to be a foolish King and as for the dangerous woman... Well, she turns out to be not just a woman but... the woman. The question is, will Holmes ever be the same again?

Sherlock Holmes and a Scandal in Bohemia Arcturus Publishing

While the currently married Dr. Watson is paying Holmes a visit, a visitor arrives, introducing himself as Count Von Kramm, an agent for a wealthy client. However, Holmes quickly deduces that he is in fact Wilhelm Gottsreich Sigismund von Ormstein, Grand Duke of Cassel-Felstein and the hereditary King of Bohemia. Realizing Holmes has seen through his guise, the King admits this and tears off his mask. It transpires that the King is to become engaged to Clotilde Lothman von Saxe-Meiningen, a young Scandinavian princess. However, five years previous to the events of the story he had a liaison with an American opera singer, Irene Adler, while she was serving a term as prima donna of the Imperial Opera of Warsaw, who has since then retired to London. Fearful that should the strictly principled family of his fiancée learn of this impropriety, the marriage would be called off, he had sought to regain letters and a photograph of Adler and himself together, which he had sent to her during their relationship as a token. The King's agents have tried to recover the photograph through sometimes forceful means, burglary, stealing her luggage, and waylaying her. An offer to pay for the photograph and letters was also refused. With Adler threatening to send them to his future in-laws, which Von Ormstein presumes is to prevent him marrying any other woman, he makes the incognito visit to Holmes to request his help in locating and obtaining the photograph.

To Sherlock Holmes she is always the woman. I have seldom heard him mention her under any other name. In his eyes she eclipses and predominates the whole of her sex. It was not that he felt any emotion akin to love for Irene Adler. All emotions, and that one particularly, were abhorrent to his cold, precise but admirably balanced mind. He was, I take it, the most perfect reasoning and observing machine that the world has seen, but as a lover he would have placed himself in a false position. He never spoke of the softer passions, save with a gibe and a sneer. They were admirable things for the observer—excellent for drawing the veil from men's motives and actions. But for the trained reasoner to admit such intrusions into his own delicate and finely adjusted temperament was to introduce a distracting factor which might throw a doubt upon all his mental results. Grit in a sensitive instrument, or a crack in one of his own high-power lenses, would not be more disturbing than a strong emotion in a nature such as his. And yet there was but one woman to him, and that woman was the late Irene Adler, of dubious and questionable memory. I had seen little of Holmes lately. My marriage had drifted us away from each other. My own complete happiness, and the home-centred interests which rise up around the man who first finds himself master of his own establishment, were sufficient to absorb all my attention, while Holmes, who loathed every form of society with his whole Bohemian soul, remained in our lodgings in Baker Street, buried among his old books, and alternating from week to week between cocaine and ambition, the drowsiness of the drug, and the fierce energy of his own keen nature. He was still, as ever, deeply attracted by the study of crime, and occupied his immense faculties and extraordinary powers of observation in following out those clues, and clearing up those mysteries which had been abandoned as hopeless by the official police. From time to time I heard some vague account of his doings: of his summons to Odessa in the case of the Trepoff murder, of his clearing up of the singular tragedy of the Atkinson brothers at Trincomalee, and finally of the mission which he had accomplished so delicately and successfully for the reigning family of Holland. Beyond these signs of his activity, however, which I merely shared with all the readers of the daily press, I knew little of my former friend and companion.
