### Easy Tarot Macmillan

Discover fun and easy ways to use the tarot cards with this hardcover, full-color guide. Llewellyn's Little Book of Tarot is an ideal introduction to using the 78 cards to enhance your life and build a successful divination practice. You'll find an impressive collection of activities, tips, and prompts that allow you to go at your own pace and explore what reading style works best. Tarot expert Barbara Moore provides a thorough interpretation of each card, explaining the most important elements of it. She also presents sample cards from a variety of decks, helping you

understand how tarot symbols and imagery appear in different artists' work. You'll even delve into divination techniques outside the cards, such as bibliomancy, meditation, and more.

### The Tarot Courier Dover Publications

In a book that offers seventy-eight real-world case studies (one for each card in a Tarot deck), the author explains how the Tarot can reveal unconscious patterns, offer advice, and illuminate the dynamics of relationships, in a guide that aims to show readers how to nurture spiritual well-being, growth, and balance. Original.

### The Complete Book of Tarot Reversals CICO Books

Realize your psychic potential with the Tarot! Everyone is psychic to one degree or another. And with The Everything Tarot Book, 2nd Edition, you'll unlock the mysteries of the cards and thus

### **The Tarot** Library of Alexandria

Have you ever wondered what fate has in store for you? Since the fifteenth century, Tarot cards have been used as a tool for divination, and a way to shed light on life's questions and challenges. With an introduction to the 78 cards and their symbols, advice on choosing your deck and tips on how to prepare and read your cards, The Little Book of Tarot has everything you need to give you your first glimpse into the misty realms of the future... What message will the cards hold for you? [The Book](#) Andrews McMeel Publishing

Discover the facts, myth, history, and mystery of the spiritual art of Tarot-reading. Whether you want to learn to read the cards or deepen your Tarot interpretation skills, The Ultimate Guide to Tarot honors the deep heritage of Tarot, while guiding you through practical techniques. Tarot expert Liz Dean offers an overview to all of the important elements of each card from symbols, to links with astrology, kabbala and numerology. The Ultimate Guide to Tarot also includes all the classic tarot spreads " Celtic Cross, Horseshoe, Star and Astrological Year Ahead " plus, a mini-layout to try for each of the 22 major cards. Learn how to combine the three essential ingredients of a great tarot reading: knowing the meaning of the cards, how to lay them out, and trusting the intuitive messages the images often spark within us during a reading. This synthesis is the true magic of tarot. With the authority and confidence this book offers, The Ultimate Guide to Tarot will be the must-have companion for beginner readers and tarot aficionados alike.

*The Modern Witchcraft Book of Tarot* Library of Alexandria

A guide for artists and creative people looking to tarot for guidance and inspiration. Written for novices and seasoned readers alike, "The Creative Tarot" is a unique guidebook that reimagines tarot cards and the ways they can boost the creative process.

"An instant classic, a must-have for every tarot enthusiast, and a manifesto for insightful living." —Chani Nicholas, astrologer and author of *You Were Born for This* Though tarot is often thought of

as a tool for divination and fortune-telling, it also has deep roots in spirituality and psychology. For those who know how to see and listen, the cards hold the potential to help us better navigate the full spectrum of the human experience. In *Tarot for Change*, Jessica Dore divulges years of hard-won secrets about how to work with tarot to better understand ourselves and live in alignment with what's precious. Dore shows readers how to choose a deck, interpret images, and build a relationship with the cards, while also demonstrating how the mythic imagery of tarot supports modern therapeutic concepts like mindfulness, acceptance, and compassion. Her reflections on each of the seventy-eight cards are a vibrant tapestry that weaves together ideas from psychology, behavioral science, spirituality, and old stories, breathing new language into ancient wisdoms about what it means to be human. This is as much a book for those who are new to tarot as it is for those who have worked with the cards for years. And it's a book for anyone interested in exploring what it means to experience joy, heartbreak, wonder, stagnation, grief, loneliness, love. A book of secrets, symbols, and stories, *Tarot for Change* is a charm for remembering that our problems are not new, we are never alone, and whether we know it or not, we are always in a process of change.

**How to Interpret the Cards and Work with Tarot Spreads for Personal Growth** Penguin

Beloved literary iconoclast Michelle Tea reinvents tarot for a new generation in this guide to using the Tarot as a twenty-first-century tool for connecting with our higher selves. Long before Michelle Tea was winning awards for her poignant memoirs, she was a scrappy misfit on the streets of San Francisco, supporting

herself by giving eerily prescient tarot readings. As her reputation as a writer grew, she stopped publicly reading the Tarot, though she never stopped doing it privately. Based on over twenty-five years of experience and a deep and abiding love of the cards, *Modern Tarot* brings the full force of Tea's unique insight, inviting pop sensibility, and wicked humor to bear on the tradition of the Tarot in a fascinating journey through the cards that teaches us how to use this tradition for radical self-growth. Whether you're a dyed-in-the-wool seeker or a digital-age skeptic—or a little of both—the power of tarot is open to you. *Modern Tarot* doesn't require you to believe in the supernatural or to focus narrowly on using the tarot as a divination tool. Instead, it offers fiercely insightful descriptions of each of the seventy-eight cards in the tarot system (each one fully illustrated by Amanda Verwey) and specially designed rituals to guide readers on a path toward transformative personal growth. Grounded in Tea's decades of tarot wisdom and personal experience, this is a guide that beginners will fall in love with and experienced readers will learn from anew. With her trademark one-of-a-kind insight and wit, Tea shows how tarot offers moments of deep, authentic connection during a time when "connection" is ubiquitous but rarely delves beneath the surface—and how the affirming and personal nature of the Tarot offers a spiritual experience that is gentle, individual, and aspirational.

Tarot Llewellyn Worldwide

This is the book that I wrote about my Tarot deck. In it, I explore the real, factual history of the Tarot (No one knows, and does it really make any difference?) as well as a chapter about the theories of the history of the Tarot in general, and a recounting of

the history of the Robin Wood Tarot. There is a description of the symbolism that is common to most decks, along with a listing of the symbols that are used in the Robin Wood Tarot in particular. The bulk of the book is a description of each card; including a verbal key to help the Reader remember the meaning, a synopsis of what the card might mean in a reading, and a complete description of what is on the card and why I put it there. This is followed by a short discussion of how the Tarot works, how to begin to read (including a section on Grounding and Centering, ) and an exploration of the Ethics of reading the Tarot. Finally, there is a short section about spreads. (It's short, because the book quickly became much longer than I expected!) And, in the very back, there are a few appendices which go into more detail about some of the stories and legends that are mentioned in the book, as well as a section covering the Rules of Tarocchi!

#### The Creative Tarot Simon and Schuster

Reading tarot can be an incredible, illuminating experience. The cards offer valuable insights and guidance into many aspects of our lives, from relationships to career to personal growth. But learning how to interpret each card can feel overwhelming. Many tarot decks come with instructions - little white books that give short descriptions for each card - but they don't always put tarot into modern-day context, or offer the level of detail you're looking for. Going Beyond the Little White Book sets out to change all of that. Here, you'll find up-to-date interpretations for all 78 tarot cards, including: - Questions and prompts to help you make personal connections to each card; - Tips on how to interpret cards that appear as challenges versus opportunities; - Meditations for every card; - And more! Whether you're just

starting out as a tarot reader, or want to refresh your knowledge of the cards, the book will give you practical interpretations to help you understand tarot in a whole new way.

#### The Big Book of Tarot Meanings Adams Media

This book is the description about the history, or even the origin of Tarot. It includes the point where Tarot appeared in our timeline, and how Tarot was used in the beginning. Inside this book, there are short details about the image of Tarot Major Arcana, and key words for all Tarot Cards, based on the Marseille standard. This is the work of S.L.M. Mathers. He was not only the Chief of the Second Order of the Golden Dawn, but the author of almost all of the important Golden Dawn teachings and documents. And the most famous are The Tarot, and exceptional Book T, the foundational document of all Golden-Dawn based decks, including also Waite Tarot, BOTA Tarot, Thoth Tarot, and all their derivatives. This book is the translation of two great book "The Tarot" and "Book T".

#### *Using the Cards for Self-Care, Acceptance, and Growth* Penguin

Liber T is a modern rendition of Crowley's vision for tarot. Negrini, the greatest Italian expert on Crowley, carefully directed Serio's breathtaking art. Because of Negrini's careful and serious study of Crowley, this deck is filled with esoteric and magical symbology. The dramatic, fully-illustrated Minor Arcana will deepen understanding of Crowley's work and add power to anyone's tarot readings.

#### A Modern Guide to the Cards, Spreads, and Secrets of Tarot

Llewellyn Worldwide

Joan Bunning's The Big Book of Tarot offers a complete course on how to use the tarot cards for personal guidance. The author

communicates the basic depth and beauty of each card and shows how the cards trigger psychological projection, enhance intuition, and improve communication with the Inner Guide. While there are countless books devoted to tarot, what sets Joan Bunning apart from every other writer on the subject is her ability to take a rather complicated esoteric system and break it down into clear, manageable, and easily learned parts. The lessons Bunning offers cover the basics and then move gradually into more advanced concepts. Exercises and sample responses for each lesson help you learn and practice. The book includes: Lessons on how to consider one card by itself, how to look for card pairs, and how to create the "story" of a reading A convenient reference section that contains two pages of information for each card including a picture from the popular Waite deck, a description, keywords, action phrases, and suggestions for cards with similar and opposite meanings An exploration of the meaning of reversed cards and how to work

with them to give tarot readings a natural flow of high points and low points without abrupt transitions Practical insights on how to work with and interpret a wide variety of tarot spreads Note to the Reader: This book consists of material drawn from the author's many previous books as well as new material.

*Reveal Your Past, Inform Your Present, And Predict Your Future*  
Lulu Press, Inc

Tarot-reading is one of the oldest esoteric practices. Lore has it that the art of reading tarot cards has existed for over 600 years. What is tarot fact and fiction has been lost with the passage of time. Yet tarot is more popular than ever in our modern society, because the cards speak to our most instinctual and primal selves through their stories, meanings, and symbols. The Tarot Companion reveals the messages and mystery of the cards. This beautiful and accessible little volume lets you quickly and accurately use the cards to reveal an inner truth, gain insight into a pressing question, or divine what may unfold in your life.
