A Life Ablaze Study Guide John Wiley & Sons

A Life Ablaze Do you struggle to keep the fire of the Holy Spirit burning in your heart as it may have burned earlier in your life? Do you sometimes feel like all that's left are a few glowing embers and that even those are starting to die out and become cold? How do you stoke the embers of the fire within you so that those flames begin to burn red-hot in your heart again? Once you have that fire burning hot and bright, how do you sustain and grow the intensity of that inner fire for the rest of your time on this earth? In this series, Rick Renner teaches you about the ten different kinds of fuel you need to stay spiritually ablaze for years to come. As you learn about these fuels, you will discover how to throw them into the fire in your heart so you can keep burning bright spiritually. With the help of this powerful series, you can keep your inner man blazing like a spiritual inferno! This ten-part series includes: What is the real condition of your spiritual fire right now? What to do if your spiritual embers are about to go out. What to do to help others whose flames are burning low. And so much more!

Welcome to the world's most efficient method of learning Mandarin Chinese, whether you are striving to learn Chinese on your own, or studying in a classroom setting. Part of the widely-used and highly acclaimed Kubler series, *Intermediate Spoken Chinese* provides separate but integrated "tracks" to help you learn to read, write and speak Chinese efficiently, at your own pace. Some students and teachers wish to emphasize speaking ability first, whereas others want to focus on learning to read and write Chinese at the same time. These Chinese language study books allow you the flexibility to acquire the spoken language and the written language with the method that best fits your needs. *Intermediate Spoken Chinese* allows you to experience real-life situations in different Mandarin-speaking locales. (It also exposes you to the authentic range of Chinese accents; you're not limited only to learning an imaginary "textbook Beijing accent" as in other books). Each of the everyday situations explored here—from shopping at a market to playing unexpected phone tag—is one you're likely to encounter as you interact with Chinese language speakers. You can choose to use this book with its corresponding *Intermediate Chinese Practice Essentials Workbook*, available separately, that

offers you a wide range of one-of-a-kind activities to help you practice the language skills you learn here. Key features of Intermediate Spoken Chinese: Clear and detailed explanations of natural, colloquial Chinese grammar, pronunciation and usage Recommended strategies to help you learn to speak Chinese more efficiently Experience the actual speaking styles of Chinese people in various parts of mainland China as well as Taiwan, Macao, Hong Kong, Singapore, and Malaysia Notes on Chinese culture and society allow you to understand situational etiquette Discussions of challenges faced specifically by English speakers who are learning Chinese and how to overcome them Downloadable audio recordings by native speakers of all the vocabulary, dialogues, and other vital items A separate Teacher's Guide and a full character transcript (Simplified and Traditional) are both available electronically Accompanying digital content contains 56 videos shot on location, which allows you to view conversations involving Chinese speakers from different parts of China Feel confident traveling in the Mandarin-speaking world; with this language learning set you will be speaking Chinese gracefully and fluidly in no time.
