The Day the Klan Came to Town Pearson Deutschland GmbH

This edited volume proposes that an understanding of ASEAN - its development and institutionalization - is invaluable to our conception of international relations theory in the Asian context. Southeast Asia and ASEAN host peoples, ideas, institutions, and relations that contribute to a critical reassessment of theories in social sciences. In the field of IR, studies on transnational

networks, diasporas, small states, middle powers, the role of history, and identity learn from Southeast Asian practices. ASEAN has long been established as an authoritative example of alternative ways of regional institutionalization. Besides empirical analysis, these fields can also benefit from their interactions with regional scholarly communities. This edited book offers an opportunity for a dialogue among scholarly communities on a variety of issues of which Southeast Asia and ASEAN provide ample opportunities for a critical analysis. This book will be of great interest to scholars of ASEAN, the broader Asian region, and for scholars of regionalism in general.

Data Runner Diversion Books

When William Carter gets the call that his best friend and his wife have been killed in a car accident, his entire life changes. He never expected anything to happen to his long-time best friend. It was why he'd promised to take care of his son Riley if anything ever happened to him. He never imagined he'd actually have to keep that promise. He takes the boy in, but he knows he isn't fit to be a parent. So, he hires someone to do the job for him. He thought it was for the best. Having his life change in the blink of an eye wasn't something Riley ever expected but he was grateful for it. He knew his parents would do what was best for him, which was why he lived every day of his life making them proud. When Riley graduates from college, he knows exactly what he wants to do with his life. So, he seeks out the man who has been financially taking care of him for most of his life. However, he didn't expect the instant attraction he felt at seeing William Carter for the first time in fifteen years. William is hesitant to give Riley a job at his office. Not because he isn't qualified but because he isn't sure he's capable of keeping his hands to himself. Riley grew up and he was more handsome than William could have imagined. Can they fight their attraction for one another in the workplace, or will they give in to their desires? Please Note: This book contains adult language and steamy adult activities, it is intended for 18+ Adults Only. Novel, approximately 30,000 words in length. HEA (happy ever after ending). Does not end with a "cliffhanger." Themes include: May/December, Office relationship, Forbidden love, Desire.

In the not-too-distant future, in what was once the old City of New York, megacorporations have taken over everything. Now even the internet is owned, and the only way to transmit sensitive

information is by a network of highly skilled couriers called "data runners" who run it over the sneakernet. It is a dangerous gig in a dirty world, but Jack Nill doesn't have much choice in the matter. A brilliant young math whiz and champion of parkour, Jack must become one of these data runners in order to get his father out of a major gambling debt. When a mysterious stranger loads Jack's chip with a cryptic cargo that everybody wants, he soon becomes the key figure in a conspiracy that could affect the entire North American Alliance. Now it's all up to Jack. With the help of his best friend, Dexter, and a girl who runs under the name Red Tail, Jack will have to use all his skills to outrun the retrievers and uncover the truth before they catch him and clip him for good.

This book advances our understanding of the nature, grounds and limits of human dignity by connecting it with Kant's notion of an ideal moral community, or "Kingdom of Ends". It features original essays by leading Kant scholars and moral and political philosophers from around the world. Although Kant's influential injunction to treat humanity as an end in itself and never merely as a means has garnered the most attention among those interested in analyzing human dignity with a Kantian lens, Kant himself places much more emphasis on the Kingdom of Ends as crucial for defining human dignity. The chapters in this collection focus not only on interpretive issues related to the Kingdom of Ends but also on practical applications that have the potential to advance discussions about the nature and foundations of rights, the content of moral principles, the importance of moral ideals and attitudes and the nature of moral motivation. Exploring and connecting the ideas of human dignity and the Kingdom of Ends significantly deepens our moral understanding, advances discussions in moral and political philosophy and enhances our appreciation of Kant's moral theory. Human Dignity and the Kingdom of Ends: Kantian Perspectives and Practical Applications will appeal to scholars and advanced students of Kant, moral philosophy, political philosophy, and political theory.

Volume 10: Strategic Use of Underground Space for Resilient Cities Routledge

'Nations under God: The Geopolitics of Faith in the Twenty-First Century' is a timely contribution to the on-going discussion on religion and politics. The volume brings together over thirty leading scholars from a variety of disciplines such as political science, international relations theory, sociology, theology, anthropology, and geography. Utilising case studies, empirical investigations, and theoretical examinations, this book focuses on the complex roles that religions play in world affairs. It seeks to move beyond the simplistic narratives and overly impassioned polemics which swamp the discourse on the subject in the media, on the internet, and in popular nonfiction, by acting as a vessel for scholarly research on religion. The book presents a balanced analysis of the multifaceted roles taken on by religions, and religious actors, in global politics. Contributors: Stephen Dawson, Jodok Troy, Gertjan Dijkink, John A. Rees, Mark S. Cladis, Fabio Petito, Linda Woodhead, Jonathan Fox, Brendan Sweetman, Don Handelman, Scott W. Hibbard, Ruy Llera Blanes, Fang-long Shih, Kaarina Aitamurto, Mona Kanwal Sheikh, Lee Marsden, Shireen T. Hunter, Nilay Saiya, Dan G. Cox, Pauline Kollontai, Francis Foret, James L. Guth, Brent F. The year is 1923. The Ku Klux Klan is at the height of its power in the US as membership swells into the millions and they expand beyond their original southern borders. As they grow, so do their targets. As they continue their campaigns of terror against African Americans, their list now includes Catholics and Jews, southern and eastern Europeans, all in the name of "white supremacy." But they are no longer considered a terrorist organization. By adding the messages of moral decency, family values, and temperance, the Klan has slapped on a thin veneer of respectability and has become a "civic organization," attracting ordinary citizens, law enforcement, and politicians to their particular brand of white, Anglo-Saxon, and Protestant "Americanism." Pennsylvania enthusiastically joined that wave. That was when the Grand Dragon of Pennsylvania decided to display the Klan's newfound power in a show of force. He chose a small town outside of Pittsburgh named after Andrew Carnegie; a small, unassuming borough full of "Catholics and Jews," the perfect place to teach these immigrants "a lesson." Some thirty thousand members of the Klan gathered from as far as Kentucky for "Karnegie Day." After initiating new members, they armed themselves with torches and guns to descend upon the town to show them exactly what Americanism was all about. The Day the Klan Came to Town is a fictionalized retelling of the riot, focusing on a Sicilian immigrant, Primo Salerno. He is not a leader; he's a man with a troubled past. He was pulled from the sulfur mines of Sicily as a teen to fight in the First World War. Afterward, he became the focus of a local fascist and was forced to emigrate to the United States. He doesn't want to fight but feels that he may have no choice. The entire town needs him—and indeed everybody—to make a stand.
