Fresh, funny, and fearless, The Middle Finger Project is a point-by-point primer on how to get unstuck, slay imposter syndrome, trust in your own worth and ability, and become a strong, capable, wonderful, weird, brilliant, ballsy, unfuckwithable YOU. "Don't worry, this isn't a book about God, nor is it a book about Ryan Gosling (second in command). But it is a book about authority and becoming your own." --Ash Ambirge After a string of dead-end jobs and a death in the family, Ash Ambirge was down to her last \$26 and sleeping in a Kmart parking lot when she faced the truth: No one was coming to her rescue. It was up to her to appoint herself. That night led to what eventually became a six-figure freelance career as a sought-after marketing and copywriting consultant, all while sipping coffee from her front porch in Costa Rica. She then launched The Middle Finger Project, a blog and online course hub, which has provided tens of thousands of young "women who disobey" with the tools and mindset to give everyone else's expectations the finger and get on your own path to happiness, wealth, independence, and adventure. In her first book, Ash draws on her unconventional personal story to offer a fun, bracing, and occasionally potty-mouthed manifesto for the transformative power of radical self-reliance. Employing the signature wit and wordsmithing she's used to build an avid following, she offers paradigm-shifting advice along the lines of: • The best feeling in the world is knowing who you are and what you're capable of doing. • Life circumstances are not life sentences. If a Scranton girl who grew

up in a trailer park can make it, so can you. • What you believe about yourself will either murder your chances or save your life. So why not believe something good? • You don't need a high-ranking job title to be authorized to contribute. You just need to contribute. • Be your own authority. Authority only works as long as you trust that someone smarter than you is making the rules. • The way you become a force is by being the most radically real version of yourself that you can be. • You only have 12 fucks a day to give, so use them wisely.

Hailed by David Sedaris as "perfectly, relentlessly funny" and by Colson Whitehead as "sardonic without being cruel, tender without being sentimental," from the author of the new collection *Look Alive Out There*. Wry, hilarious, and profoundly genuine, this debut collection of literary essays is a celebration of fallibility and haplessness in all their glory. From despoiling an exhibit at the Natural History Museum to provoking the ire of her first boss to siccing the cops on her mysterious neighbor, Crosley can do no right despite the best of intentions -- or perhaps because of them. Together, these essays create a startlingly funny and revealing portrait of a complex and utterly recognizable character who aims for the stars but hits the ceiling, and the inimitable city that has helped shape who she is. *I Was Told There'd Be Cake* introduces a strikingly original voice, chronicling the struggles and unexpected beauty of modern urban life.

The 16-Word Sales Letter(tm) is a copy system that has generated over \$120 million dollars for Agora Financial in the last two years alone. It's a simple formula that could help you generate millions in online sales... No matter how competitive your niche is.... No matter what kind of product or service you're selling... And no matter your level of experience. That's because it can not only help you identify a new big idea for your market, but also help you structure your sales message for maximum emotional impact. If you're a copywriter, marketer or entrepreneur, you're about to discover a secret that could help you dominate your market, crush your competitors, and potentially add millions to your business and personal bank accounts. Advanced Praise for The 16-Word Sales Letter(tm) "This is the book I've been waiting for. For years, I've been asking myself: How can a guy whose native language is not even English be one of the best U.S. copywriters in history? Now I have the answer... nicely reduced to a simple, understandable formula. And the best thing is that it's a usable formula. Anyone seriously interested in copywriting should discover Evaldo's secret." - Bill Bonner, Founder of Agora. "It's not often that I come upon a copywriting strategy that feels new to me. And even less frequently do I encounter one that is both new and exciting. Evaldo Albuquerque's "16 Word Sales Letter(tm)" is such a strategy. I'm going to recommend this as a must-read to all my copywriting proteges." --Mark Ford, best-selling author and chief growth strategist for Agora. "Evaldo is the world's greatest copywriter you've never heard of. Why haven't you heard of him? Because while others are selfpromoting ... heck, while they're eating, sleeping and relaxing... he's cranking out the next blockbuster. He never stops. He's a 9-figure sales machine and our business's secret weapon. This book is your blueprint to how the machine dominates. Read it and put it into action. Your royalty check will thank you." --Peter Coyne, founder of Paradigm Press, Agora Financial's

largest imprint. "I'm recommending this book to everyone in my company, and making it required reading for all new hires. When it comes to books on "writing" I try to read everything new, and no matter how many books I pick up, I rarely find any ideas that are innovative (or even useful), but this book shattered my expectations--I found page after page packed with fresh ideas. It's engaging to read, and very easy to implement the writing techniques. Evaldo has uncovered a new way to write sales copy that is perfect for today's buyers; I really love this book, and after you turn the first two pages, you'll see exactly why. It's a must-read primer for anyone who writes sales copy.... Read this book--and learn from one of the best." --Oren Klaff, best-selling author of *Pitch Anything* and *Flip the Script* "Few people know his name. Yet, those at the highest levels of direct response advertising consider Evaldo Albuquerque the Michael Jordan of modern financial copywriting. His new book, *The 16 Word Sales Letter(tm)*, reveals for the first time the secret to his astonishing success. In split tests, the selling formula Evaldo reveals in his book has won, repeatedly, against ad copy written by the world's top copywriters. When asked at a recent seminar I gave what are the two best books I've ever read on copywriting, my answer was *Breakthrough Advertising* by Eugene Schwartz and *The 16 Word Sales Letter(tm)* by Evaldo Albuquerque." --Caleb O'Dowd, [www.roitips.com](#)

In this utterly gripping thriller, Sarah, the fearless heroine of indie bestseller Orphan Monster Spy, hunts a rogue German doctor in Central Africa who might be a serial murderer. It's 1940, and Sarah Goldstein is hiding in plain sight as Ursula Haller, the Shirley Temple of Nazi high society. She helps the resistance by spying on Nazi generals at cocktail parties in Berlin, but she yearns to do more. Then the spy she works for, the Captain, gets word of a German doctor who's gone rogue in Central Africa. Rumors say the doctor is experimenting with a weapon of germ warfare so deadly it could wipe out entire cities. It's up to the Captain and Sarah to reach the doctor and seize this weapon--known as "the Bleeding"--before the Nazis can use it to murder thousands. Joining them on their journey, in the guise of a servant, is Clementine, a half-German, half-Senegalese girl, whose wit and ferocity are a perfect match for Sarah's. As they travel through the areas now known as the Republic of the Congo and Gabon, Clementine's astute observations force Sarah to face a hard truth: that mass extermination didn't start with the Nazis. This unbearably high-stakes thriller pushes Sarah to face the worst that humanity is capable of--and challenges her to find reasons to keep fighting.
