Women & Money (Revised and Updated) Diary of a Wimpy Kid Collectio

From Canada's leading expert on consumer banking, this easy-to-read, indispensable book will help you keep your hard-earned money working for you. Canadians are savvy consumers of everything – except financial products. We comparison shop for new cars and new clothes, but when it comes to our money, most of us passively hand it over to banks and other institutions. The result? Our earnings languish in bank accounts that pay out zero interest while raining down fees, or in mutual funds that make more money for the people running them than for investors. This book is the remedy: written especially for Canadians, it is the definitive guide to getting the best possible deal on everything from savings accounts to mortgages to RRSPs. Rob Carrick puts the key information in the reader's hands through comparison charts, rankings and easy-to-follow tables, as well as good old-fashioned advice. He explains how to construct a banking profile, where to find the best bargains in financial services, how online banking and investing is changing everything, and much more. This book shows how to get the best while paying the least, so you can use your money for the things you really want and need.

Marry Him Scholastic Inc.

Can a woman ever really know herself if she doesn't know her mother? From the author of the smash-hit bestseller *Firefly Lane* and *True Colors* comes Kristin Hannah's powerful, heartbreaking novel that illuminates the intricate mother-daughter bond and explores the enduring links between the present and the past. Meredith and Nina Whitson are as different as sisters can be. One stayed at home to raise her children and manage the family apple orchard; the other followed a dream and traveled the world to become a famous photojournalist. But when their beloved father falls ill, Meredith and Nina find themselves together again, standing alongside their cold, disapproving mother, Anya, who even now, offers no comfort to her daughters. As children, the only connection between them was the Russian fairy tale Anya sometimes told the girls at night. On his deathbed, their father extracts a promise from the women in his life: the fairy tale will be told one last time—and all the way to the end. Thus begins an unexpected journey into the truth of Anya's life in war-torn Leningrad, more than five decades ago. Alternating between the past and present, Meredith and Nina will finally hear the singular, harrowing story of their mother's life, and what they learn is a secret so terrible and terrifying that it will shake the very foundation of their family and change who they believe they are.

Pickup Men Forever

World War Bloody Timor gives a revealing insight into the extraordinary life of the everyday digger and service in a conflict that was far from ordinary. My name is Peter O'Hanlon, but everyone in the military, from the lowest digger to the highest officer, has always called me 'Irish'. You won't see me, or the service men and women like me, featured in the latest blockbuster, but our service lives include drama, laughs and accounts of deep turmoil that are worth telling. I was a member of the Australian Army for 11 years and during my deployment as part of the INTERFET force, serviced three very impacting tours of East Timor. What was it like, as a 19 year to land at the Dilli Airport in Australia's largest deployment since Vietnam? What are the little-known battles and obstacles that cause unseen scars through a deployment? What are the impacts on re-integrating into the civilian community? This is my story, an ordinary soldier; the juicy yarns, the laughs, the battles, the devastating lows, the soaring highs, the blood, sweat and tears we give in service every day. It will make you laugh and may make you cry. It's the cold hard truth about the impact of a different type of war fought by many who deployed to Timor.

Cold Iron Heart Macmillan

INSTANT NEW YORK TIMES BESTSELLER "A must-read for anyone who loves history and art." --Kristin Hannah From the #1 New York Times bestselling author of the smash bestseller *Orphan Train*, a stunning and atmospheric novel of friendship, passion, and art, inspired by Andrew Wyeth's mysterious and iconic painting *Christina's World*. "Later he told me that he'd been afraid to show me the painting. He thought I wouldn't like the way he portrayed me: dragging myself across the field, fingers clutching dirt, my legs twisted behind. The arid moonscape of wheatgrass and timothy. That dilapidated house in the distance, looming up like a secret that won't stay hidden." To Christina Olson, the entire world was her family's remote farm in the small coastal town of Cushing, Maine. Born in the home her family had lived in for generations, and increasingly incapacitated by illness, Christina seemed destined for a small life. Instead, for more than twenty years, she was host and inspiration for the artist Andrew Wyeth, and became the subject of one of the best known American paintings of the twentieth century. As she did in her beloved smash bestseller *Orphan Train*, Christina Baker Kline interweaves fact and fiction in a powerful novel that illuminates a little-known part of America's history. Bringing into focus the flesh-and-blood woman behind the portrait, she vividly imagines the life of a woman with a complicated relationship to her family and her past, and a special bond with one of our greatest modern artists. Told in evocative and lucid prose, *A Piece of the World* is a story about the burdens and blessings of family history, and how artist and muse can come together to forge a new and timeless legacy.

Driven Macmillan

From the author of *The Things We Cannot Say, Before I Let You Go* explores a hotly divisive topic and asks how far the ties of family love can be stretched before they finally break. "Kelly Rimmer

skillfully takes us deep inside a world where love must make choices that logic cannot. Ripped from the headlines and from the heart, *Before I Let You Go* is an unforgettable novel that will amaze and startle you with its impact and insight.” —Patti Callahan Henry, New York Times bestselling author of *The Bookshop at Water’s End* “*Before I Let You Go* is a heartbreaking book about an impossible decision. Kelly Rimmer writes with wisdom and compassion about the relationships between sisters, mother and daughter.... She captures the anguish of addiction, the agonizing conflict between an addict’s best and worst selves. Above all, this is a novel about the deepest love possible.” —Luanne Rice, New York Times bestselling author *The 2:00 a.m. call is the first time Lexie Vidler has heard her sister’s voice in years. Annie is a drug addict, a thief, a liar—and in trouble, again. Lexie has always bailed Annie out, given her money, a place to sleep, sent her to every kind of rehab. But this time, she’s not just strung out—she’s pregnant and in premature labor. If she goes to the hospital, she’ll lose custody of her baby—maybe even go to prison. But the alternative is unthinkable. As the weeks unfold, Lexie finds herself caring for her fragile newborn niece while her carefully ordered life is collapsing around her. She’s in danger of losing her job, and her fiancé only has so much patience for Annie’s drama. In court-ordered rehab, Annie attempts to halt her downward spiral by confronting long-buried secrets from the sisters’ childhoods, ghosts that Lexie doesn’t want to face. But will the journey heal Annie, or lead her down a darker path? Don’t miss Kelly Rimmer’s next historical suspense, *The Paris Agent*, coming July 2023! For more by Kelly Rimmer, look for *The Things We Cannot Say Truths I Never Told You The Warsaw Orphan The German Wife* [Cold Hard Truth](#) Stanford University Press*

This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she’s never shared, until now. Of the medium she loves, the one that made her a household name, she says, “Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is.” Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn’t afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest “get”—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric’s position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment

to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her “welcome” was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn’t happen. If you thought you knew Katie Couric, think again. *Going There* is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

Hard Times Atria Books

From the creator of the popular website Ask a Manager and New York’s work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There’s a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don’t know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You’ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you’re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate’s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green’s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author’s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green’s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

All Men Are Liars Ballantine Books

In this gorgeously imagined novel, a journalist interviews those who knew—or thought they knew—Alejandro Bevilacqua, a brilliant, infuriatingly elusive South American writer and author of the masterpiece, *In Praise of Lying*. But the accounts of those in his circle of friends, lovers, and enemies become increasingly contradictory, murky, and suspect. Is everyone lying, or just telling their own subjective version of the truth? As the literary investigation unfolds and a chorus of Bevilacqua’s

peers piece together the fractured reality of his life, thirty years after his death, only the reader holds the power of final judgment. In *All Men Are Liars*, Alberto Manguel pays homage to literature's inventions and explores whether we can ever truly know someone, and the question of how, by whom, and for what, we ourselves will be remembered.

Lucien Anchor

An eye-opening, funny, painful, and always truthful in-depth examination of modern relationships, and a wake-up call for single women about getting real about Mr. Right, from the New York Times bestselling author of *Maybe You Should Talk to Someone*. You have a fulfilling job, great friends, and the perfect apartment. So what if you haven't found "The One" just yet. He'll come along someday, right? But what if he doesn't? Or what if Mr. Right had been, well, Mr. Right in Front of You—but you passed him by? Nearing forty and still single, journalist Lori Gottlieb started to wonder: What makes for lasting romantic fulfillment, and are we looking for those qualities when we're dating? Are we too picky about trivial things that don't matter, and not picky enough about the often overlooked things that do? In *Marry Him*, Gottlieb explores an all-too-common dilemma—how to reconcile the desire for a happy marriage with a list of must-haves and deal-breakers so long and complicated that many great guys get misguidedly eliminated. On a quest to find the answer, Gottlieb sets out on her own journey in search of love, discovering wisdom and surprising insights from sociologists and neurobiologists, marital researchers and behavioral economists—as well as single and married men and women of all generations.

Where Men Win Glory Celestial Arts

Achieve financial peace of mind with the million-copy #1 New York Times bestseller, now revised and updated, featuring an entirely new Financial Empowerment Plan and a bonus chapter on investing. The time has never been more right for women to take control of their finances. The lessons, revelations, and shocks of the past few years have made it clear that standing in our truth is the only way to care for ourselves, our families, and our finances. With her signature mix of insight, compassion, and practical advice, Suze equips women with the financial knowledge and emotional awareness to overcome the blocks that have kept them from acting in the best interest of their money—and themselves. Whether you are single or in a committed relationship, a successful professional, a worker struggling to make ends meet, a stay-at-home parent, or a creative soul, Suze offers the possibility of living a life of true wealth, a life in which you own the power to control your destiny. At the center of this fully revised and updated edition, Suze presents an all-new Financial Empowerment Plan, designed to get you to a place of emotional and financial security as quickly as possible—because the most precious commodity women have is time. Divided into four essential components, the plan will teach you how to • Protect yourself • Spend smart • Build your future • Give to others Also included is a bonus chapter on investing—for those who are living by Suze's unbreakable financial ground rules and ready to learn how to invest with confidence. *Women & Money* speaks to every mother, daughter, grandmother, sister, and wife. It gives readers the opportunity to tap into Suze's unique spirit, people-first wisdom, and unparalleled appreciation that for women, money itself is not the end goal. It's the means to living a full and meaningful life.

You Don't Have to Be a Shark Disney Electronic Content

"A funny, marvelously readable portrait of one of the most brilliant and eccentric men in history." --

The Seattle Times Paul Erdos was an amazing and prolific mathematician whose life as a world-wandering numerical nomad was legendary. He published almost 1500 scholarly papers before his death in 1996, and he probably thought more about math problems than anyone in history. Like a traveling salesman offering his thoughts as wares, Erdos would show up on the doorstep of one mathematician or another and announce, "My brain is open." After working through a problem, he'd move on to the next place, the next solution. Hoffman's book, like Sylvia Nasar's biography of John Nash, *A Beautiful Mind*, reveals a genius's life that transcended the merely quirky. But Erdos's brand of madness was joyful, unlike Nash's despairing schizophrenia. Erdos never tried to dilute his obsessive passion for numbers with ordinary emotional interactions, thus avoiding hurting the people around him, as Nash did. Oliver Sacks writes of Erdos: "A mathematical genius of the first order, Paul Erdos was totally obsessed with his subject—he thought and wrote mathematics for nineteen hours a day until the day he died. He traveled constantly, living out of a plastic bag, and had no interest in food, sex, companionship, art—all that is usually indispensable to a human life." *The Man Who Loved Only Numbers* is easy to love, despite his strangeness. It's hard not to have affection for someone who referred to children as "epsilons," from the Greek letter used to represent small quantities in mathematics; a man whose epitaph for himself read, "Finally I am becoming stupider no more"; and whose only really necessary tool to do his work was a quiet and open mind. Hoffman, who followed and spoke with Erdos over the last 10 years of his life, introduces us to an undeniably odd, yet pure and joyful, man who loved numbers more than he loved God--whom he referred to as SF, for Supreme Fascist. He was often misunderstood, and he certainly annoyed people sometimes, but Paul Erdos is no doubt missed. --Therese Littleton

Ask a Manager Ballantine Books

A new financial guide on how to avoid money mistakes at every stage of life, from bestselling author and TV superstar Kevin O'Leary—"a completely unique personality. He is able to say things that are sharp and funny but ultimately meaningful" (Los Angeles Times). Don't spend too much. Mostly save. Always invest. This is simple advice, but it's often the simple advice that's easy to swallow and hard to follow. Kevin O'Leary understands that getting a handle on your personal finances can be challenging at any age. Whether you're a parent struggling to explain savings to your children, a student contemplating a big loan to pay for school, a newly engaged couple considering joint bank accounts, or a baby boomer entering retirement, Kevin offers solid, practical advice to help you make—and keep—more money. As a star on ABC's *Shark Tank*, Kevin's success with money management and in business is legendary. But he's made mistakes along the way, too, and he's written this book so others can benefit from his experiences. Each chapter is geared to a specific age or stage in life and focuses on simple changes you can make to avoid debt, save money, and invest for a brighter future. You'll find real-life examples of common money mistakes and strategies for avoiding them, "Cold Hard Truth" quizzes and charts aimed at boosting your financial wisdom, and tips and tricks for making more money and growing it faster to achieve financial freedom. *The Cold Hard Truth on Men, Women, and Money* offers an invaluable opportunity to walk through some of life's biggest decisions with one of the sharpest financial minds today.

Cold Hard Truth On Men, Women, and Money Simon and Schuster

Second book tied to the *Shark Tank* show on ABC.

A Piece of the World New York : Ballière Bros.

A founder of the Corcoran Group real estate company describes her hard-working childhood and the lessons she learned from her mother and through her business experiences that enabled her to become successful.

44 Chapters About 4 Men Harlequin

The author offers advice on how to make and keep money and shares his experiences so that people can benefit from them and avoid debt.

The Truth About Men Doubleday Canada

We all think carefully about the big decisions in our lives, like what career we want to pursue or who we want to marry. But few people spend enough time thinking deeply about the financial implications of their biggest life choices--and that's a serious money mistake.

The Ugly Truth Melissa Marr

NATIONAL BESTSELLER • From one of the stars of ABC's Shark Tank and QVC's Clever & Unique Creations by Lori Greiner comes a hands-on, nuts-and-bolts guide to getting a new product or company off the ground and making it a success. Turn your idea into a reality. Become your own boss. Make your first million. Achieve financial freedom. Lori Greiner shows you how. *Invent It, Sell It, Bank It!* is a hands-on, nuts-and-bolts guide to getting a new product or company off the ground and making it profitable. Sharing her own secret formula and personal stories along the way, Lori provides vital information and advice on topics that can often intimidate, frustrate, and stump aspiring entrepreneurs. Offering behind-the-scenes insights into her experiences on ABC's Shark Tank and QVC-TV's Clever & Unique Creations by Lori Greiner, as well as valuable lessons learned from the mistakes and triumphs of her early career, Lori proves that, with hard work and the right idea, anyone can turn themselves into the next overnight success. Lori covers such topics as . . . • Market research: Is your idea a hero or a zero? Don't be so fixated on the end result that you forget to make something that people actually want to buy. • Product design: I have an idea, now what's next? From concept to prototype to final product: How do I make it and where do I start? • Funding: Although loans, investments, and crowd-sourcing are great ways to access cash, first tap into your own resources as wisely as possible. • Manufacturing: Seeing your final product roll off the assembly line is a magical moment, but there are things to watch out for so you get there in a cost-effective way. • Protecting your idea: To patent or not to patent, and other things you can do to safeguard your idea. • The secrets to selling successfully: You got the product made, now learn how to get people to buy it!

No Sugar In Me Crown Currency

One woman's secret journal completely changes her marriage in this hilarious and biting memoir—the inspiration for the Netflix Original Series *SEX/LIFE*. School psychologists aren't supposed to write books about sex. Doing so would be considered "unethical" and "a fireable

offense." Lucky for you, ethics was never my strong suit. *Sex/Life: 44 Chapters About 4 Men* is a laugh-out-loud funny and brutally honest look at female sexuality, as told through the razor-sharp lens of domesticated bad girl BB Easton. No one and nothing is off limits as BB revisits the ex-boyfriends—a sadistic tattoo artist, a punk rock parolee, and a heavy metal bass player—that led her to finally find true love with a straight-laced, drop-dead-gorgeous . . . accountant. After settling down and starting a family with her perfectly vanilla "husbot," Ken, BB finds herself longing for the reckless passion she had in her youth. She begins to write about these escapades in a secret journal, just for fun, but when Ken starts to act out the words on the pages, BB realizes that she might have stumbled upon the holy grail of behavior modification techniques. The psychological dance that ensues is nothing short of hilarious as BB wields her journal like a blowtorch, trying to light a fire under her cold, distant partner. Sometimes it works, sometimes it doesn't, but in the end, BB learns that the man she was trying so hard to change was perfect for her all along. To view a comprehensive content warning, please visit the author's website.

House of Leaves Doubleday Canada

The New York Times bestselling author of *The Wait* and "spiritual teacher for our times" (Oprah Winfrey) frankly and openly explores why men behave the way they do and what everyone—men and women alike—need to know about it. We hear it all the time. Men cheat. Men love power. Men love sex. Men are greedy. Men are dogs. But is this really the truth about men? In this groundbreaking book, DeVon Franklin dishes the real truth by making the compelling case that men aren't dogs but all men share the same struggle. He provides the manual for how men can change, both on a personal and a societal level by providing practical solutions for helping men learn how to resist temptation, how to practice self-control, and how to love. But *The Truth About Men* isn't just for men. DeVon tells female readers everything they need to know about men. He offers women a real-time understanding of how men's struggles affect them, insights that can help them navigate their relationships with men and information on how to heal from the damage that some misbehaving men may have inflicted. This book is a raw, informative, and accessible look at an issue that threatens to tear our society apart yet it offers a positive way forward for men and women alike.

Going There Little, Brown

Every day, women face new challenges that come with having control over, and responsibility for, their financial lives. Sometimes exciting, sometimes frightening, these issues always have an emotional side. Author and psychotherapist Dr. Kate Levinson offers fresh approaches to navigating the astonishing range of beliefs about the role of money in our lives, coming to terms with our feelings about being "rich" or "poor," and exploring our inner money life so that we can put our feelings to work for us in a positive way. By understanding our intimate history and relationship with money we are better able to handle our money anxieties, solve our money problems, enjoy the money we have, and make room for other, more meaningful values.
