Books

A sequel to *Crisis on Doona*. 25 years after the original human settlers arrived, only to find Doona already inhabited by the cat-like Hrrubans, the treaty which established their cohabitation is due for

renewal. But a crisis has marred the celebrations, sparked by political and personal greed.

Before you watch the upcoming Netflix series, read the original novels from J. M. Lee (*The Dark Crystal: Age of Resistance*) that intertwine with the events of the series. Kylan of Sami Thicket is a skilled song teller, but singing the tales of long-gone

heroes won't help his friends as they journey into dangerous, unknown lands. After uncovering the betrayal of the Skeksis Lords, he and his friend Naia are on the run, pursued by the Skeksis's underlings and outcast even among their fellow Gelfling. But Kylan knows the truth must be told, no matter how difficult the telling. Maybe there's use for a song teller after all . . . Jim Henson's *The Dark*

Crystal is one of the most beloved and enduring fantasy stories of the past thirty years. This series of young adult novels will both please the diehard fans and bring new fans in to the world of The Dark Crystal.

 \*\*\*\*\* A science  
 fiction classic from a  
 master of the genre.  
 When AIVAS -- the  
 Artificial Intelligence Voice  
 Address System -- was  
 first discovered at  
 Landing, the entire planet  
 of Pern was awed at the  
 knowledge it divulged. All  
 the history of the people  
 of Pern was there.  
 Dragonholders, Lord  
 Holders and Craftmasters  
 crowded into the tiny  
 inner room to learn the

secrets of their  
 beginnings. Ana AIVAS  
 had other gifts to offer --  
 stored information of old  
 crafts that had been  
 forgotten, of medicine,  
 music and technology.  
 But the greatest promise  
 AIVAS offered was the  
 chance to rid Pern of  
 Thread forever. All the  
 great ones of Pern began  
 the long and arduous task  
 of learning just how to  
 operate the incredible  
 plan. This was a plan of  
 such daring and epic  
 proportions that both  
 dragons and riders would  
 be put at risk...

 She was one of the  
 Crystal Singers, the élite,  
 mysterious ones, who cut  
 the crystals from the  
 planet Ballybran -  
 precious glittering crystals  
 without which the  
 universe could not  
 function. Sent to the  
 planet of Ophtheria to

repair the famous crystal  
 organ, she was - at first -  
 accorded all the honour  
 and pomp due to her  
 rank. Then her life  
 became threatened and  
 she found herself isolated  
 at the very heart of the  
 planet, knowing that she  
 alone had the power to  
 confront and destroy the  
 evil that had permeated  
 the world of Ophtheria.  
 Would she be able to find  
 the strength she needed?

 For more than thirty  
 years, Anne McCaffrey  
 has reigned as one of the

premier talents in science  
 fiction and fantasy, flying  
 above the crowd on the  
 glittering wings of such  
 masterworks as *The  
 Dragonriders of Pern* and  
*Crystal Singer*. Now,  
 McCaffrey soars to  
 dizzying unscaled heights  
 in an exciting new world  
 bursting with adventure  
 and romance . . . On Vega  
 III, where the jaded  
 inhabitants pursue lives of  
 malicious intrigue and  
 decadent pleasure, Lady  
 Nimisha Boynton-  
 Rondymense has always  
 been an anomaly.  
 Disdainful of the frivolity

of her fellows, she prefers the exciting and challenging world of her father, Lord Tionel, owner and principal starship designer of the famous Rondymense shipyards. Precociously gifted, Nimisha becomes Lord Tionel's secret assistant—and, in the aftermath of a shocking tragedy, his chosen successor at the helm of the shipyards. But supplanting her father's designated body-heir, the callow Lord Vestrin, is a slight that Vestrin and his mother, Lady Vescuya,

will not easily forget. Or forgive. Preoccupied with carrying on her father's ambitious plans for the Mark 5, an experimental long-distance cruiser, Nimisha dangerously disregards Vestrin's animosity—until a solo test flight of the Mark 5 goes horribly awry, marooning Nimisha light-years from home on a planet as deadly as it is beautiful. Now, Vestrin and Vescuya are given the chance they've been waiting for: to reclaim the shipyards . . . by any means necessary. Only

Nimisha's child, Cuiva—a girl every bit as ingenious as her mother—stands in their way. But for how long? For just when her daughter needs her most, Nimisha is unable to help—and in a precarious situation herself. But Nimisha has never given up in her life—and she's not about to start now . . .

\*\*\*\*\* Earth was at bursting point, in spite of the birth restrictions of only one child to each couple. Extra children existed in a sub-cultured world or were rounded up into slavery. The only hope was the space platform -- the jumping-off point for the colonization of other worlds. But more Talents were needed to build and operate those platforms. Rhyssa Owen was the one responsible, both for finding Talents and training them. And when she felt the first encroachment of a mind

reaching out to her, she knew it was exceptional -- a fourteen-year-old boy with incredibly powerful kinetic ability. And in the seamy underworld of near-criminal children was another brilliant mind in danger from a ruthless group of child kidnappers. Rhyssa knew she had to find the two children and train them for the survival of earth.

**Pegasus In Flight** Orbit Books

In this epic sci-fi adventure for fans of *The Expanse* and *Battlestar Galactica*, five intrepid

heroes must unite to save civilization after a long-dormant enemy awakens and strikes a devastating blow “This jarring, engrossing story of a species-wide fight for survival is recommended for all science fiction readers.”—Publishers Weekly (starred review) The galaxy was once terrorized by the Sturm, a group of “species purists” intent on destroying any human with genetic or cybernetic enhancements. Fashioning themselves as the one true “Human Republic,” the Sturm cut a

bloody swath across the stars, killing billions before finally being defeated and driven into the far reaches of Dark Space. Centuries of peace bred complacency. Everyone believed the Sturm had died out in the Dark. They were wrong. The enemy has returned and, with a brutal and decisive attack, knocks out almost all of humanity's defenses. Now on the brink of annihilation, humankind's only hope is a few brave souls who survived the initial attack: Commander

Lucinda Hardy, thrust into uncertain command of the Royal Armadalen Navy's only surviving warship. Booker3, a soldier of Earth, sentenced to die for treason, whose time on death row is cut short when the Sturm attack his prison compound. Princess Alessia, a young royal of the Montanblanc Corporation, forced to flee when her home planet is overrun and her entire family executed. Sephina L'trel, the leader of an outlaw band who must call on all of her criminal skills to resist the

invasion. And, finally, Admiral Frazer McLennan, the infamous hero of the first war with the Sturm hundreds of years ago, who hopes to rout his old foes once and for all—or die trying. These five flawed, reluctant heroes must band together to prevail against a relentless enemy and near-impossible odds. For if they fail, the future itself is doomed. “Frenetic action viewed in a black fun-house mirror.”—Kirkus Reviews

“No dragons, but [Crystal Singer] has all of [Anne] McCaffrey's gifts for world-building and characterization . . . an excellent book.”—Chicago Sun-Times Her name was Killashandra Ree; and after ten grueling years of musical training she was young, beautiful—and still without prospects. Then she heard of the mysterious Heptite Guild on the planet Ballybran, where the fabled Black Crystal was found. For those qualified, the Guild was said to provide careers, security, and the

chance for wealth beyond imagining. The problem was, few people who landed on Ballybran ever left. To Killashandra the risks were acceptable . . .

### **Song of the Dark**

**Crystal #2** Del Rey Crystal had destroyed Killashandra's memory, and only crystal could restore it—if she dared! When Killashandra Ree joined the mysterious Heptite Guild, she knew that she would be forever changed. Crystal singing brought ecstasy and pain, near-eternal life . . . and gradual loss of memory.

What she hadn't counted on was the loneliness she felt when her heart still remembered what her mind had forgotten. Fortunately, someone still cared enough to try to salvage what was left of Killashandra's mind. But she would have to learn to open herself—to another person, and to all her unpleasant memories. “A treat for long-time McCaffrey fans, a good read and a satisfying look at one of the most haunting facets of the crystal singers' profession.”—Locus

As Menolly uncovers magic and intrigue, mischievous Piemur discovers the rhythm of adventure in the final book in the Harper Hall trilogy, set within science fiction legend Anne McCaffrey's beloved and bestselling Dragonriders of Pern series.

Mischievous Piemur is used to getting away with a lot. He has one of the most impressive voices at Harper Hall and, in the world of Pern, there are few things more important than the ability

to sing and write songs. But when his voice begins to change, Piemur loses all confidence and questions everything he thought he knew about himself. No longer capable of singing, Piemur is sent on various errands by Masterharper Robinton, including the task of learning the complicated beats of the messenger drums. Piemur has no clue of the grand adventures that await him, and he'll need to find the courage within himself to survive.

**The Coelura** Del Rey

A classic sci-fi novel from the beloved author of the Dragonriders of Pern® series She was a restoree, kidnapped. Torn from Earth by a bizarre and nameless black force, Sara had no idea where she was or why she was in a beautiful new body. Controlled by brutal guards and tamed by terror, she could not comprehend her role as a nurse for a man who appeared to be an idiot. But once she discovered that the planet she had been brought to was Lothar and that the man

she was caring for was its regent, Sara knew the restorees had to escape—and fast. And when they did, they became fugitives on a world of multiple evils—bound together on a daring adventure that would either join them for all time . . . or separate them forever.

In a triumphant career spanning more than thirty years, Anne McCaffrey has won the acclaim of critics, the devotion of millions of fans, and awards too numerous to mention. Her bestselling *Dragonriders of Pern*® series is counted among the masterpieces of

modern science fiction, a work whose popularity continues to grow as new generations of readers discover the literary magic only Anne McCaffrey can provide. Now that magic is back, displayed as breathtakingly as ever in the exciting and long-awaited addition to McCaffrey's classic *Pegasus* series—and the perfect link to her bestselling *Tower and Hive* saga . . . **PEGASUS IN SPACE** For an overpopulated Earth whose resources are

strained to the breaking point, there is only one place to look for relief: straight up. With the successful completion of the Padrugoi Space Station, humanity has at last achieved its first large-scale permanent presence in space. Additional bases are feverishly being built on the Moon and on Mars, stepping stones to the greatest adventure in all history: the colonization of alien worlds. Already long-range telescopes have identified a number of habitable planets orbiting

the stars of distant galaxies. Now it's just a question of getting there. But there are those who, for selfish motives of their own, want Padrugoi and the other outposts to fail. People who will stop at nothing to maintain their power or to revenge its loss. Standing in their way are the Talented, men and women gifted with extraordinary mental powers that have made them as feared as they are respected—and utterly indispensable to the colonization effort. There is Peter Reidinger, a

teenage paraplegic who happens to be the strongest telekinetic ever, his mind capable of teleporting objects and people thousands of miles in the blink of an eye. Yet all his power cannot repair his damaged spine or allow him to feel the gentle touch of a loved one . . . Rhyssa Owen, the powerful telepath and mother hen to Peter and the rest of her "children"—and a fierce, unrelenting fighter against the prejudice that would deny the Talented the right to lead happy

and productive lives . . . and Amariyah, an orphan girl who loves two things in the world above all others: gardening and Peter Reidinger. And woe to anyone who harms either one of them—for the young girl's talent may prove to be the most amazing of all. Now, as sabotage and attempted murder strike the Station, it's up to the Talented to save the day. Only who's going to save the Talented?

**Dragondrums** Del Rey  
Doona was a jewel of a planet -- a pastoral

paradise with rivers, lakes, mountains and seas. The Hrrubans needed it to revitalise their decadent race, to give it back something of the old pioneering spirit. The Terrans needed it as an overspill from the hysterical crowding of Earth, a place to breathe and move without restrictions. So they both sent a colonising party -- and they both began to think of Doona as Home. And then one day the smooth-skinned, two-legged mammal known as Man came face to face

with the furry, four-pawed mammal known as Hrruban...
