BROOKLYN N GREYSON

The Ogre

Downstairs

Harper Collins
A funny,
heartbreaking,
stunning book
by the
legendary
Diana Wynne
Jones—with an
introduction
by Neil
Gaiman. The

Dog Star,
Sirius, is tried
- and found
guilty - by his
heavenly
peers for a
murder he did
not commit.
His sentence:
to live on the
planet Earth
until he can
carry out a
seemingly
impossible
mission - the
recovery of a
deadly
weapon

known as the
Zoi. The first
lesson Sirius
learns in his
lowly earthly
form is that
humans have
all the power.
The second is
that even
though his
young
mistress loves
him, she can't
protect either
of them. The
third - and
worst - is that
someone out

there will do anything to keep Sirius from finding the Zoi. Even if it means destroying Earth itself. This funny, heartbreaking, stunning book features an introduction by Neil Gaiman, an avid fan of Diana Wynne Jones. *Imps and Monsters: Ten Years of Art* by Justin Hillgrove HarperEntertainment This new edition of the groundbreaking popular book from Susan J Napier, Anime

from Akira to Howl's Moving Castle, is a must-have for both seasoned and new fans of anime. Japanese animation is more popular than ever following the 2002 Academy Award given to Hayao Miyazaki's *Spirited Away*. It confirmed that anime is more than just children's cartoons, often portraying important social and cultural themes. With new chapters on *Spirited Away* and

other recent releases, including Howl's Moving Castle-- which broke records in Japan--this edition will be the authoritative source on anime for an exploding market of viewers who want to know more. *Half a Soul St.* Martin's Griffin A special deluxe hardcover edition of *The Godfather*—the unforgettable saga of an American crime family that became a #1 bestseller and global

phenomenon. This deluxe edition of *The Godfather* includes:

- A jacket featuring a new take on the iconic original cover
- Printed cover boards with art that will titillate hardcore fans
- Stained edges
- Beautifully illustrated endpapers

Since its release in 1969, *The Godfather* has made an indelible mark on American crime fiction. From the mind of master storyteller Mario Puzo, it

traces the Corleone family, whose brilliant and brutal portrayal illuminated the violent and seductive allure of power in American society. A tale of family and loyalty, law and order, obedience and rebellion, it has stood the test of time as the definitive novel of the Mafia underworld. Beyond the bestselling novel, Francis Ford Coppola's incomparable film adaptation

and Academy Award winner for Best Picture cemented *The Godfather's* reputation as a triumph in storytelling and a seminal classic for the ages. With a legacy of blood and honor, it is a cultural touchstone that has resonated for generations, and still mesmerizes readers to this day.

Howl's Moving Castle 2

Macmillan
Mr. Chesney operates Pilgrim Parties, a tour group that takes paying participants into an outer realm where the inhabitants play frightening and

foreboding roles. The time has come to end the staged madness . . . but can it really be stopped? Master storyteller Diana Wynne Jones serves up twists and turns, introduces Querida, Derk, Blade, and Shona and a remarkable cast of wizards, soldiers, kings, dragons, and griffins, and mixes in a lively dash of humor. With all the ingredients of high fantasy,

this unforgettable novel will delight fans old and new.

Charmed Life

Turtleback Books
In the vein of Meg Donohue and Sarah Jio, Cecilia Galante's second novel delivers the powerful story of one young woman who's faced with an impossible choice—one that could have her making the biggest mistake of her life. Thirteen days. That's all Bernadette, "Bird," Sincavage has

left to go until she's done with her probation and can be free again. Free from making payments to the supermarket she wrote bad checks to. Free from living at home with her overzealous mother who's constantly nagging her about attending church again. Free to give her four-year-old son, Angus, the normal life he deserves. Her impending freedom and move to Moon Lake, where

she's plunked down a deposit on a brand new apartment, is so close she can almost taste it. What trouble could she possibly get into in just thirteen days? But trouble does follow in the form of James Rittenhouse—someone she worked with a few years ago. At first, Bird is stunned to see James make the evening news when he's arrested for assaulting someone in a local bar. But that's nothing compared to

the shock she gets when she discovers James hiding out in an abandoned church choir loft. Somehow he escaped police custody, broke his leg, and got his hand on a gun, which he's now pointing at her. Although Bird doesn't tell anyone she saw James, there's no way she's helping him. She can't screw up her probation or her second chance for a new future. And she has her son's welfare to

think about. Still. If only she could stop thinking about the terrified look in James' eyes and the fact that he's hurt. If only she could forget that once, long ago, James helped her out, and she owes him a debt like no other. Will Bird jeopardize her future for someone who helped her out in the past? A past that holds secrets she's not quite sure she's ready to face? Or will she turn a blind eye and learn

to live with the consequences ?
Anime from Akira to Howl's Moving Castle Harper Collins
 Now an animated movie from Studio Ghibli and Hayao Miyazaki, the oscar-winning director of Spirited Away
 In this beloved modern classic, young Sophie Hatter from the land of Ingary catches the unwelcome attention of the Witch of the Waste and is put under a spell . . .
The Art of

Howl's Moving Castle Harper Collins
 Sophie tries to escape the Witch of the West by hiding out in the moving castle of the feared wizard Howl, only to find that Howl is far different than his reputation and it is up to her be strong in the coming war when Howl is threatened.
Howl's Moving Castle Film Comic, Vol. 4 Harper Collins
 One of the most memorable and irresistible characters in all of

literature—the Wizard Howl—is introduced in Diana Wynne Jones's classic fantasy novel *Howl's Moving Castle* and makes guest appearances in two stand-alone sequel novels, *Castle in the Air* and *House of Many Ways*. Howl's *Moving Castle* was adapted into an acclaimed and Academy Award-nominated film of the same name, produced by Studio Ghibli and directed by Hayao Miyazaki. Sophie Hatter

never intended to set out and seek her fortune. The eldest of three sisters, Sophie thought she was destined to fail. That all changed the day the Witch of the Waste turned her into an old woman. In order to lift the spell, Sophie barges into Wizard Howl's moving castle and strikes a bargain with Calcifer, his fire demon. But Howl is outrunning a curse of his own, and soon Sophie realizes that

nothing is as it appears. . . . Howl, Sophie, and Calcifer return in both *Castle in the Air* and *The House of Many Ways*, two stand-alone sequels full of mayhem, secrets, and magic. *The Girl with the Red Balloon* Penguin The trouble started when Howard Sykes came home from school and found the "goon" sitting in the kitchen. He said he'd been sent by Archer. But who was Archer? It had to do with the

2,000 words that Howard's author father had failed to deliver. It soon became clear not only that Archer wanted those words, but that his wizard siblings, Hathaway, Dillian, Shine, Torquil, Erskine, and Venturus, would also go to any lengths to get them. Although each wizard ruled a section of the town, he or she was a prisoner in it. Each suspected that one of them held the secret behind the words,

and that secret was the key to their freedom. Which one of them was it? The Sykes family become pawns in the wizards' fight to win their freedom, wrest control from one another, and fan out to rule the world. Diana Wynne Jones skillfully guides the reader through a riveting, twisty plot, with satisfying surprises at every amazing turn. An exciting science fiction adventure where,

happily, nothing is what it first seems to be. The Odds of You and Me Harper Collins When his protest against the tyrannical government fails, a young boy escapes, with two other children, to the mysterious Holy Islands where they learn the power of two folk figures celebrated by their countrymen. *The Godfather* VIZ Media LLC BOOK THREE IN THE NEW YORK TIMES BESTSELLING

SERIES
 "Thrilling and hard to put down, readers will absolutely devour Tahir's latest." -- BuzzFeed An Entertainment Weekly Summer Reads pick! "The perfect summer read." --The Washington Post The highly anticipated third book in #1 New York Times bestselling author Sabaa Tahir's **EMBER QUARTET**. Beyond the Martial Empire and within it, the threat of war looms ever larger.

Helene Aquilla, the Blood Shrike, is desperate to protect her sister's life and the lives of everyone in the Empire. But she knows that danger lurks on all sides: Emperor Marcus, haunted by his past, grows increasingly unstable and violent, while Keris Veturia, the ruthless Commandant, capitalizes on the Emperor's volatility to grow her own power-- regardless of the carnage she leaves in

her path. Far to the east, Laia of Serra knows the fate of the world lies not in the machinations of the Martial court, but in stopping the Nightbringer. But in the hunt to bring him down, Laia faces unexpected threats from those she hoped would help her, and is drawn into a battle she never thought she'd have to fight. And in the land between the living and the dead, Elias Veturius has given up his freedom to

serve as Soul Catcher. But in doing so, he has vowed himself to an ancient power that demands his complete surrender-- even if that means abandoning the woman he loves.

Penguin
"Whimsical, witty, and brimming over with charm" (India Holton), Olivia Atwater's delightful

debut will transport you to a magical version of Regency England, where the only thing more meddlesome than a fairy is a marriage-minded mother! It's difficult to find a husband in Regency England when you're a young lady with only half a soul. Ever since she was cursed by a faerie, Theodora Ettings has had no sense of fear or embarrassment—an unfortunate

condition that leaves her prone to accidental scandal. Dora hopes to be a quiet, sensible wallflower during the London Season—but when Elias Wilder, the strange, handsome, and utterly ill-mannered Lord Sorcier, discovers her condition, she is instead drawn into peculiar and dangerous faerie affairs. If her reputation can survive both her curse and her sudden connection with the least-

liked man in all high society, then she and her family may yet reclaim their normal place in the world. But the longer Dora spends with Elias, the more she begins to suspect that one may indeed fall in love even with only half a soul. Praise for Half a Soul “Whimsical but never frivolous, sweet but not sugary. I loved it.” —Alix E. Harrow

Deep Secret
Aw Teen

In Early 1930's era Italy, air pirates, bounty hunters and high flyers of all sorts rule the skies. The most cunning and skilled of these pilots is Porco Rosso, a man cursed with the head of a pig after

watching the spirits of the pilots killed in the last air battle he fought in rise to the heavens. He now makes a living taking jobs, such as rescuing those kidnapped by air pirates.

Donald Curtis, Porco's rival in the air and in catching the affections of women, provides a constant challenge to the hero, culminating in a hilarious, action packed finale. The Art of Porco Rosso English Version, a film by Hayao

Miyazaki.
