Paperback
A captivating and
definitive account of the
final days of Van Gogh's
life and the incredible
story of what followed.
Divided into three parts,
the book first examines

the eventful days from
the artists' departure from
the asylum in Saint-Remy
and arrival in Auvers until
the shooting which
brought his life to an end.
During this time Van Gogh
completed 70 paintings in
70 days. The second part
delves deeper into the
story of the artist's death,
which has intrigued both
experts and the public for
years, revealing little-

known stories and
uncovering overlooked
accounts. We then follow
the story of how Van
Gogh subsequently rose
from relative obscurity to
international renown and
ultimately fame as one of
the most recognisable
and popular artists in the
world.
The Van Gogh Brothers
Henry Holt and Company
(BYR)

Thirteen darkly comic stories, *Dangerous Laughter* is a mesmerizing journey that stretches the boundaries of the ordinary world.

A Vincent Van Gogh Biography Success Is a Choice LLC.

NEW YORK TIMES BESTSELLER • “The definitive biography for decades to come.”—Leo Jansen, curator, the Van Gogh Museum, and co-editor of *Vincent van Gogh: The Complete Letters* Steven Naifeh and Gregory White Smith, who galvanized readers with

their Pulitzer Prize-winning biography of Jackson Pollock, have written another tour de force—an exquisitely detailed, compellingly readable portrait of Vincent van Gogh. Working with the full cooperation of the Van Gogh Museum in Amsterdam, Naifeh and Smith have accessed a wealth of previously untapped materials to bring a crucial understanding to the larger-than-life mythology of this great artist: his early struggles to find his

place in the world; his intense relationship with his brother Theo; and his move to Provence, where he painted some of the best-loved works in Western art. The authors also shed new light on many unexplored aspects of Van Gogh’s inner world: his erratic and tumultuous romantic life; his bouts of depression and mental illness; and the cloudy circumstances surrounding his death at the age of thirty-seven. Though countless books have been written about Van Gogh, no serious,

ambitious examination of his life has been attempted in more than seventy years. Naifeh and Smith have re-created Van Gogh's life with an astounding vividness and psychological acuity that bring a completely new and sympathetic understanding to this unique artistic genius. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • The Washington Post • The Wall Street Journal • San Francisco Chronicle • NPR • The Economist • Newsday •

BookReporter "In their magisterial new biography, *Van Gogh: The Life*, Steven Naifeh and Gregory White Smith provide a guided tour through the personal world and work of that Dutch painter, shining a bright light on the evolution of his art. . . . What [the authors] capture so powerfully is Van Gogh's extraordinary will to learn, to persevere against the odds."—Michiko Kakutani, *The New York Times* "Brilliant . . . Steven Naifeh and Gregory White

Smith are the big-game hunters of modern art history. . . . [Van Gogh] rushes along on a tide of research. . . . At once a model of scholarship and an emotive, pacy chunk of hagiography."—Martin Herbert, *The Daily Telegraph* (London) **Biography of Van Gogh** Simon and Schuster "A story of excruciating power."—*The New York Times* The classic, bestselling biographical novel of Vincent Van Gogh Since its initial publication in 1934, Irving Stone's *Lust for Life* has been a

critical success, a multimillion-copy bestseller, and the basis for an Academy Award-winning movie. The most famous of all of Stone's novels, it is the story of Vincent Van Gogh—brilliant painter, passionate lover, and alleged madman. Here is his tempestuous story: his dramatic life, his fevered loves for both the highest-born women and the lowest prostitutes, and his paintings—for which he was damned before being proclaimed a genius. The novel takes us from his

desperate days in a coal mine in southern Belgium to his dazzling years in the south of France, where he knew the most brilliant artists (and the most depraved whores). Finally, it shows us Van Gogh driven mad, tragic, and triumphant at once. No other novel of a great man's life has so fascinated the American public for generations. **Stress-Beating Strategies for People with No Time to Meditate** Tachyon Publications Biografisk roman om den

flamske maler Vincent Van Gogh (1853-1890) **Van Gogh: 500 Masterpieces in Color: (Illustrated)** Signet Book A fictional profile of the painter traces his life and career at the center of a circle of artists who founded Impressionism **A Novel** Vintage INSTANT NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER "As exciting as any spy novel" (Daily News, New York), The Princess Spy follows the hidden history of an ordinary American girl

who became one of the OSS's most daring World War II spies before marrying into European nobility. Perfect for fans of *A Woman of No Importance* and *Code Girls*. When Aline Griffith was born in a quiet suburban New York hamlet, no one had any idea that she would go on to live "a life of glamour and danger that Ingrid Bergman only played at in *Notorious*" (Time). As the United States enters the Second World War, the young college graduate is desperate to aid in the

war effort, but no one is interested in a bright-eyed young woman whose only career experience is modeling clothes. Aline's life changes when, at a dinner party, she meets a man named Frank Ryan and reveals how desperately she wants to do her part for her country. Within a few weeks, he helps her join the Office of Strategic Services—forerunner of the CIA. With a code name and expert training under her belt, she is sent to Spain to be a coder, but is soon given the

additional assignment of infiltrating the upper echelons of society, mingling with high-ranking officials, diplomats, and titled Europeans. Against this glamorous backdrop of galas and dinner parties, she recruits sub-agents and engages in deep-cover espionage. Even after marrying the Count of Romanones, one of the wealthiest men in Spain, Aline secretly continues her covert activities, being given special assignments when abroad that would benefit from

her impeccable pedigree and social connections. “[A] meticulously researched, beautifully crafted work of nonfiction that reads like a James Bond thriller” (Bookreporter), *The Princess Spy* brings to vivid life the dazzling adventures of a spirited American woman who risked everything to serve her country. *A Biographical Novel of Camille Pissarro* Random House
When Ohio-born Pru Steiner arrives in New York in 1976, she follows

in a long tradition of young people determined to take the city by storm. But when she falls in love with and marries Spence Robin, her hotshot young Shakespeare professor, her life takes a turn she couldn’t have anticipated. Thirty years later, something is wrong with Spence. The Great Man can’t concentrate; he falls asleep reading *The New York Review of Books*. With their daughter, Sarah, away at medical school, Pru must struggle on her own to care for him. One day, feeling

especially isolated, Pru meets a man, and the possibility of new romance blooms. Meanwhile, Spence’s estranged son from his first marriage has come back into their lives. Arlo, a wealthy entrepreneur who invests in biotech, may be his father’s last, best hope. *Morningside Heights* is a sweeping and compassionate novel about a marriage surviving hardship. It’s about the love between women and men, and children and parents; about the things we give

up in the face of adversity; and about how to survive when life turns out differently from what we thought we signed up for.

Immortal Wife Random House Trade Paperbacks
In this sweeping novel, James A. Michener chronicles eight tumultuous centuries as three Polish families live out their destinies. The Counts Lubonski, the petty nobles Bukowksi, and the peasants Buk are at some times fiercely united, at others tragically divided. With an inspiring

tradition of resistance to brutal invaders, from the barbarians to the Nazis, and a heritage of pride that burns through eras of romantic passion and courageous solidarity, their common story reaches a breathtaking culmination in the historic showdown between the ruthless Communists and rebellious farmers of the modern age. Like the heroic land that is its subject, Poland teems with vivid events, unforgettable characters, and the unfolding drama of an entire nation. Praise

for Poland “Engrossing . . . a page-turner in the grand Michener tradition.”—The Washington Post “A Michener epic is far more than a bedtime reader, it’s an experience. Poland is a monumental effort, a magnificent guide to a better understanding of the country’s tribulations.”—Chicago Tribune “Stunning . . . an unmatched overview of Polish history . . . The families themselves come very much alive, and through them, Poland itself.”—USA Today “A titanic documentary

novel.”—The Wall Street Journal

VINCENT VAN GOGH: A
 Vincent Van Gogh
 Biography Vincent Van
 Gogh is one of the world's
 most well-known and
 revered artists - few
 people in the Western
 world have not heard his
 name and most will
 recognise his face from
 one of his many self-
 portraits or the numerous
 artistic representations of
 him on screen. His red
 beard, prominent
 cheekbones and
 expressive eyes make him
 a face that few can forget.
 Many of his paintings are
 instantly recognisable and

reproductions of his most famous works hang in public buildings, workplaces and homes all over the world; The Starry Night, Sunflowers, Portrait of Dr Gachet, Café Terrace at Night and the Wheatfields paintings are some of the most widely reproduced images in the world. In fact, Van Gogh regularly comes up at the top of lists of the most famous and important artists to have ever lived. Few artists who came after Van Gogh would fail to acknowledge the legacy of his work and the

impact it had on the progression of art in the twentieth century, which he barely lived to see. *Depths of Glory* Penguin More than a catalog. More than thumbnail prints. You can savor full, luxurious reproductions on 8-by-10 inch pages (20.32 x 25.40 cm)! Each of Vincent van Gogh's 500 finest color paintings jumps out at you on the oversized page. Due to careful digital restoration, the eye-popping brilliance and vitality are just as vivid for you as on the day Van Gogh finished his

masterpieces. For Vincent van Gogh, the five-year span from 1886-1890 marked the high point (and end point), providing unparalleled paintings from a troubled genius. It was to be an age of post-Impressionistic color, form and wonderment that the art world discovered only after the master's death. Bouts of anxiety, mental illness and epilepsy may have tormented him and brought about his suicide at the age of 37. But they may also have been catalysts for emotionality and vibrance in his art

that reveal a turbulent search for grace. The arrangement is by genre (see the list below) and is chronological within each genre section. There are a few duplicates, that is, some paintings from one genre are also shown within the scope of another genre in order to emphasize their "dual nature." Those instances afford you, the viewer, with a fresh perspective on the composition. The masterpieces are organized into the following genres: PORTRAITSSELF-

Lust for Life Frances Lincoln

A revealing and moving life of Vincent van Gogh, his search for love and devastating romantic losses. Thwarted passion, romantic disappointment, madness, and the redemptive power of genius - a portrait of the artist that views Vincent van Gogh and his work boldly anew.

Those Who Love N A L Trade

Ousep Chacko, journalist and failed novelist, prides himself on being "the last

of the real men.” His wife, Mariamma, finds ways to feed her family despite their lack of money, but in her spare time she fantasizes about Ousep’s early death. One day, their seventeen-year-old son, Unni—a boy obsessed with comics—does something terrible and inexplicable. Ousep and Mariamma separately try to solve the mystery of Unni’s action but find no answers. Three years later, Ousep receives a package that sends him back to the search. He starts to hound

his son’s friends and a famous neurosurgeon. Meanwhile, younger son Thoma—a twelve-year-old with below-sea-level self-esteem—falls desperately in love with their haughty, beautiful teenage neighbour, who has her own secrets. *The Illicit Happiness of Other People*—a smart, wry and poignant novel—is part mystery, part philosophy and part unlikely love story. *A Novel of Sigmund Freud* Signet “A story of excruciating power.”—The New York

Times The classic, bestselling biographical novel of Vincent Van Gogh Since its initial publication in 1934, Irving Stone’s *Lust for Life* has been a critical success, a multimillion-copy bestseller, and the basis for an Academy Award-winning movie. The most famous of all of Stone’s novels, it is the story of Vincent Van Gogh—brilliant painter, passionate lover, and alleged madman. Finally, it shows us Van Gogh driven mad, tragic, and triumphant at once. No other novel of a great man's life has so fascinated the American public for generations.

Lust for Life Affordable Portable Art
Simon de Montfort was a man ahead of his time in the thirteenth century, a disinherited Frenchman who talked his way into an English earldom and marriage with a sister of the English king, Henry III. A charismatic, obstinate leader, Simon soon lost patience with the king's incompetence and inability to keep his word, and found himself the champion of the common people. This is his story, and the story of Henry III, as weak and changeable

as Simon was brash and unbending. It is a tale of opposing wills that would eventually clash in a storm of violence and betrayal—an irresistible saga that brings the pages of history completely, provocatively, and magnificently alive.

The New York Times “Brilliant . . . Steven Naifeh and Gregory White Smith are the big-game hunters of modern art history. . . . [Van Gogh] rushes along on a tide of research. . . . At once a model of scholarship and an emotive, pacy chunk of hagiography.”—Martin Herbert, The Daily Telegraph (London) *The Life* Penguin In 1890, Van Gogh arrives at Auvers-sur-Oise, a peaceful French village, to spend the summer under the care of Doctor Gachet, a homeopathic doctor and

art collector, where the painter will spend the final days of his life creating more than seventy paintings, including two portraits of young Marguerite Gachet, who finds herself drawn to the troubled artist. Original. 40,000 first printing. **IN THE BEAUTY OF MEADOW AND MOUNTAIN** Portico This unprecedented anthology of John James Audubon’s lively and colorful writings about the American wilderness reintroduces the great artist and ornithologist as

an exceptional American writer, a predecessor to Thoreau, Emerson, and Melville. Audubon's award-winning biographer, Richard Rhodes, has gathered excerpts from his journals, letters, and published works, and has organized them to appeal to general readers. Rhodes's unobtrusive commentary frames a wide range of selections, including Audubon's vivid "bird biographies," correspondence with his devoted wife, Lucy, journal accounts of

dramatic river journeys and hunting trips with the Shawnee and Osage Indians, and a generous sampling of brief narrative episodes that have long been out of print—engaging stories of pioneer life such as "The Great Pine Swamp," "The Earthquake," and "Kentucky Barbecue on the Fourth of July." Full-color reproductions of sixteen of Audubon's stunning watercolor illustrations accompany the text. The Audubon Reader allows us to experience Audubon's

distinctive voice directly and provides a window into his electrifying encounter with early America: with its wildlife and birds, its people, and its primordial wilderness. **A Novel of Vincent Van Gogh, by Irving Stone; Illustrated with a Hundred and Fifty Reproductions of Vincent Van Gogh's Pictures, Arranged by J.B. Neumann** Pantheon From the critically acclaimed New York Times bestselling author Sharon Kay Penman comes the story of the

reign of King Baldwin IV and the Kingdom of Jerusalem's defense against Saladin's famous army. The Kingdom of Jerusalem, also known as Outremer, is the land far beyond the sea. Baptized in blood when the men of the First Crusade captured Jerusalem from the Saracens in the early twelfth century, the kingdom defined an utterly new world, a land of blazing heat and a medley of cultures, a place where enemies were neighbors and neighbors became

enemies. At the helm of this growing kingdom sits young Baldwin IV, an intelligent and courageous boy committed to the welfare and protection of his people. But despite Baldwin's dedication to his land, he is afflicted with leprosy at an early age and the threats against his power and his health nearly outweigh the risk of battle. As political deception scours the halls of the royal court, the Muslim army--led by the first sultan of

Egypt and Syria, Saladin--is never far from the kingdom's doorstep, and there are only a handful Baldwin can trust, including the archbishop William of Tyre and Lord Balian d'Ibelin, a charismatic leader who has been one of the few able to maintain the peace. Filled with drama and battle, tragedy and romance, Sharon Kay Penman's latest novel brings a definitive period of history vividly alive with a tale of power and glory that will resonate with readers today.
