Singer's Musical Theatre Anthology - Volume 6 Hal Leonard Corporation
 Winner of The Miles Franklin Literary Award, The Christina Stead Award, WA Premier's Book of the Year, Book Data/ABA Book of the Year Award, Goodreading Award-Readers Choice Book of the Year Set in the dramatic landscape of Western Australia, *Dirt Music* tells the story of Luther Fox, a broken man who makes his living as an illegal fisherman—a shaman. Before everyone in his family was killed in a freak rollover, Fox grew melons and counted stars and loved playing his guitar. Now, his life has become a “project of forgetting.” Not until he meets Georgie Jutland, the wife of White Point's most prosperous fisherman, does Fox begin to dream again and hear the dirt music—“anything you can play on a verandah or porch,” he tells Georgie, “without electricity.” Like the beat of a barren heart, nature is never silent. Ambitious and perfectly calibrated, *Dirt Music* resonates with suspense, emotion, and timeless truths.

THE VELOCITY OF AUTUMN swirls around Alexandra, an 80-year-old artist in a showdown with her family over where she'll spend her remaining years. In Alexandra's corner are her wit, her volcanic passion, and the fact that she's barricaded herself in her Brooklyn brownstone with enough Molotov cocktails to take out the block. But her children have their own secret weapon: estranged son Chris, who returns after 20 years, crawls through Alexandra's second-floor window and becomes the family's unlikely mediator. No sooner are the words “Hi, Mom” uttered than the

emotional bombs start detonating. THE VELOCITY OF AUTUMN is a wickedly funny and wonderfully touching discovery of the fragility and ferocity of life.

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

Out of the Dust (Scholastic Gold) Algonquin Books

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

'Wonderfully dark, extremely funny' proclaimed ADAM KAY, author of the No.1 bestselling This is

Going to Hurt 'A filmic romp with great characters, a jet-propelled plot, and a winning premise' said the GUARDIAN JASON MANFORD thinks it's 'Hilarious. You'll never look at Manchester the same way again.' The Chronicles of St Mary's series author JODI TAYLOR declared 'I loved this . . . great premise - great story - great characters . . . hugely enjoyable.' And THE TIMES called it 'ripping entertainment from start to finish.' There are dark forces at work in our world (and in Manchester in particular), so thank God The Stranger Times is on hand to report them . . . A weekly newspaper dedicated to the weird and the wonderful (but mostly the weird), it is the go-to publication for the unexplained and inexplicable. At least that's their pitch. The reality is rather less auspicious. Their editor is a drunken, foul-tempered and foul-mouthed husk of a man who thinks little of the publication he edits. His staff are a ragtag group of misfits. And as for the assistant editor . . . well, that job is a revolving door - and it has just revolved to reveal Hannah Willis, who's got problems of her own. When tragedy strikes in her first week on the job The Stranger Times is forced to do some serious investigating. What they discover leads to a shocking realisation: some of the stories they'd previously dismissed as nonsense are in fact terrifyingly real. Soon they come face-to-face with darker forces than they could ever have imagined. The Stranger Times is the first novel from C.K. McDonnell, the pen name of Caimh McDonnell. It combines his distinctive dark wit with his love of the weird and wonderful to deliver a joyous celebration of how truth really can be stranger than fiction. Readers love The Stranger Times: ***** 'A delight from start to finish - laugh out loud funny yet with plenty of thrills.' ***** 'Full of wit and humour, and knows how to keep the reader hooked.' ***** 'You'll soon fall in love . . . fans of Pratchett, Gaiman, Aaronovich will be blown away.'

In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." —The New York Times "Exciting and excellently written." —The New York Times Book Review "With its serious intentions and light touch the story is, like the Tucks, timeless." —Chicago Sun-Times "Probably the best work of our best children's novelist." —Harper's "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." —The Boston Globe "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." —Entertainment Weekly This title has Common Core connections.

From the favorites of Tin Pan Alley to today's international blockbusters, the stylistic range required of a musical theatre performer is expansive. Musical theatre roles require the ability to adapt to a panoply of characters and vocal styles. By breaking down these styles and exploring the output of the great composers, Songwriters of the American Musical Theatre offers singers and performers an essential guide to the modern musical. Composers from Gilbert and Sullivan and Irving Berlin to Alain Boublil and Andrew Lloyd Webber are examined through a brief biography, a stylistic overview, and a comprehensive song list with notes on suitable voice types and further reading. This volume runs the gamut of modern musical theatre, from English light opera through the American Golden Age, up to the "mega musicals" of the late Twentieth Century, giving today's students and performers an indispensable survey of their craft.

John Fahey is feared and revered around the world as a guitar player and composer. His inventions for acoustic and electric strings are the stuff of legend. Known for his finger-picking finesse, Fahey's pen has the same world-gobbling ferocity as his guitar. Fahey's collection of short stories defy classification - part memoir, part personal essay, part fiction, part manifesto. It is a collection that makes an explosive selection of his work available for public consumption. What else is there to say, except 'Grab your ankles, dear readers. It's kingdom time!'
