Stories Just So Stories for Little Children is  
a 1902 collection of origin stories by the  
British author Rudyard Kipling. Considered  
a classic of children's literature, the book  
is among Kipling's best known works.  
Kipling began working on the book by  
telling the first three chapters as bedtime

stories to his daughter Josephine. Just So  
Stories - Wikipedia "Just So Stories" is a  
collection of 12 children's stories. The  
theme that runs through the dozen stories  
is that they are mostly tall-tale answers for  
questions that children might have. All but  
two of them focus on animals and nature,  
and the two divergent stories deal with the  
origin of written language. Just So Stories:  
Kipling, Rudyard: 9781493679102:  
Amazon ... In science and philosophy, a  
just-so story is an untestable narrative  
explanation for a cultural practice, a  
biological trait, or behavior of humans or  
other animals. The pejorative nature of the  
expression is an implicit criticism that  
reminds the listener of the essentially  
fictional and unprovable nature of such an  
explanation. Just-so story -  
Wikipedia Rudyard Kipling's *Just So Stories*,  
originally published in 1902, are perennial  
favourites, and can be read by adults and  
children alike. They are known as  
"pourquoi" stories; in this case fantasies

about the origin of individual wild animals who live in different countries. Just So Stories by Rudyard Kipling - Goodreads Just so Stories book. Read reviews from world's largest community for readers. Just so Stories by Rudyard Kipling Just So Stories.
