MindTap Economics Instant Access for Mankiw, PRINCIPLES OF ECONOMICS, 7E is a personalized, fully online digital learning platform of authoritative Cengage Learning content, assignments, and services that engages your students with interactivity while also offering you choice in the configuration of coursework and enhancement of the curriculum via complimentary web-apps known as MindApps. MindApps range from ReadSpeaker (which reads the text out-loud to students), to Kaltura (allowing you to insert inline video and audio into your curriculum) to ConnectYard (allowing you to create digital "yards" through social media ?all without "friending" your students). MindTap Economics Instant Access for Mankiw, PRINCIPLES OF ECONOMICS, 7E is well beyond an eBook, a homework solution or digital supplement, a resource center website, a course delivery platform or a Learning Management System. It is the first in a new category--the Personal Learning Experience. The Learning Path begins with New Mankiw Video Roadmaps that feature Greg Mankiw introducing the chapter content within real world context, helping students understand how economics relates to what they experience in their lives and see in the world around them. The MindTap Reader features a variety of media assets specifically designed to address the challenges students and instructors have told us impede learning. ConceptClips address the challenge of understanding economics terminology that students face when first introduced to the subject matter. Graphing at a Glance video tutorials enhance the learning experience by bringing graphs to life, allowing students to see graphs physically move along the axes. Auto-graded homework assignments from Aplia give students hands-on application without adding to the instructor's workload. New Problem Walk-Throughs further explain difficult concepts by walking students through solving problems similar to those in the text, from start to finish.

Modern Principles: Macroeconomics McGraw-Hill Education A collection of previously published essays that highlights the historical dialogue between neoclassical and institutionalist approaches to the economics of the family. The volume is divided into eight sections: neoclassical perspectives; institutionalist and

feminist perspectives; bargaining power models; fertility decline; intergenerational transfers; intra-household allocation; families and class inequality; and families and the state. The earliest of the 31 essays is Schultz's "An Economic Model of Family Planning and Fertility" (1969); the most recent is Folbre's "Children as Public Goods" (1994). No subject index. The integration of market economies is one of the most remarkable features of international economics, which has important implications for macroeconomic performance in open economies. Equally important is the declining relevance of the real versus the monetary theory dichotomy. These papers focus on those aspects of monetary policy which relate to credibility and non-neutrality; the domestic adjustment to foreign shocks; the interdependence of open economies and their strategic interactions. An important section is also devoted to the innovative modelling of exchange rate dynamics.

Betsy Stevenson and Justin Wolfers present a new synthesis of economic principles for a new generation of students. Their focus on useful economics employs compelling explanations and real-life examples to help students develop economic intuition and apply it to everyday decisions. The authors provide a fresh take on a wide range of principles topics and develop macroeconomics from its microfoundations in an engaging presentation that has drawn enthusiastic reviews from hundreds of instructors and thousands of students in pre-publication class-tests. In Principles of Macroeconomics, students will learn how the basic tools of economics can be applied to decisions that range from personal and professional goals to public policy and the broader economy. Combining fundamental theory with modern applications, familiar examples, and plenty of opportunities to practice using economic tools, Principles of Macroeconomics helps students to develop economic insight. Principles of Macroeconomics is available with SaplingPlus online learning system. Our integrated, online learning system combines powerful multimedia resources with an integrated e-Book, robust homework, and a wealth of interactives, creating an extraordinary new learning resource for students. Key features include: Online homework helps students get better grades with targeted instructional feedback tailored to the individual. Step-by-Step graphs break complex graphs and other figures into their component parts to help students understand how graphs are built and what they represent. Captions on each step help the students to understand what's happening as the figures change. Decision Points allow students to explore their own decision-making process and how economic principles and thinking can inform their decisions. Students work step-by-step through decision-making scenarios, receiving feedback about how the economic principles did (or did not) play into their choices. Decision Points help students apply economic insights to their everyday lives. Find out more about SaplingPlus at www.macmillanihe.com/sapling.
