## ZAVIER MARISA

**Dynasty of the Holy Grail** Legare Street Press

In this controversial new book, Adrian Gilbert reveals the real reason why Charles married Diana and how, through her, the Royal Family was reconnected with the line of King Arthur, the guardians of the Holy Grail. It's a story which goes back to Mary, the mother of Jesus, and Joseph of Arimathea, to the real King Arthur, ruler of Glamorgan and Pendragon of all Britain. Reinterpreting ancient sources in the light of recent discoveries, Gilbert takes the reader on a journey to Britain's mystical past: from Arthur to the fairy - tale wedding of Charles and Diana to the birth of Prince William on the summer solstice of 1982. He identifies the real Avalon, the location of the fabled Grail castle and the burial place of King Arthur. He also explains the significance of the Wars of the Roses, the wider role of Queen Elizabeth I, tracing other descendants of King Arthur and the early grail dynasty to the present time. He is able to show how not just Diana, the Princess of Wales, but also Sir Winston Churchill, were descended from the Holy Grail family of the Virgin Mary, revealing one of the greatest secrets of our time.

Of the Holy Grail.

*Dynasty of the Holy Grail* Crown

The existence of the Holy Grail has long been debated, and many of these debates focus on the intellectualized or psychological aspects of it. This work explores the events that gave rise to the legend of the Holy Grail and pays special attention to the texts that form the body of the legend, as well as historical facts about the life of Christ, the Crusades, and the fall from grace of the Knights Templar. The book examines the legitimacy of the claims made by several present-day believers and also introduces a new theory of multiple grails (and the evidence supporting this theory), which, the author believes, answers many of the otherwise unanswered questions surrounding the Holy Grail.

[King Arthur and the Holy Grail : an examination of the early literature pertaining to the legends of King Arthur and of the Holy Grail, together with a brief review of the theories relating to the latter - intended to serve as an introduction to further reading and more extended research](#) HarperThorsons

The Holy Grail is an image familiar to us all as an almost unattainable, infinitely desirable goal. The idea has passed into everyday speech and the legends behind it are as current in today's culture as they have ever been. And yet the Grail has no real religious meaning and is nowhere mentioned in the Bible. What is the truth behind this elusive symbol? Here, Barber traces the history of the stories surrounding the Holy Grail. He describes how through a long series of imaginative transformations, the grail has moved from the sphere of romance to religion, and in twentieth century popular culture has become an emblem of mysticism and man's highest aspirations, intimately linked with the central ritual of the Christian faith. The search for the grail has always been described as a quest; in this book, Barber goes on his own quest, brilliantly exploring the richness of the Holy Grail's cultural impact. Barber traces the history of legends surrounding the Holy Grail, from Chretien de Troyes' great romances to the popular bestsellers of the late twentieth century.

**The Knights of the Round Table; Stories of King Arthur and the Holy Grail** Penguin UK

One of the most thought-provoking literary works on the Holy Grail and the bloodline of Jesus Christ, *Dynasty of the Holy Grail* is the product of twenty-eight years' research by author Vern G. Swanson. Far beyond recent bestsellers on the subject, it is, without a doubt, the most significant publication ever produced on the subject.

*Blood of Avalon* Adventures Unlimited Press

Based on close analysis of early Christian documents and recent archeological discoveries by the author and other experts, "The Jesus Dynasty" offers a bold new interpretation of the life of Jesus and the origins of Christianity. of illustrations. (Christian Religion)

*The High History of the Holy Grail* Harvard University Press

The story of King Arthur and the quest for the Holy Grail is well known; less so is that of the coming of Christianity to Britain at around the time of the Roman invasion. It is generally assumed that both these legends revolve around town of Glastonbury, yet the paucity of evidence for this assumption has always been troubling to those who like their history to be founded on fact. In this extraordinary book, Adrian Gilbert reveals the location to be not just of the true 'Avalon' or 'Glastonbury' but of many other sites crucial to the Arthurian legend. He shows how the core teachings of Christianity were kept secret by a dynasty of Welsh kings and saints and later (after the Norman invasions) by their surviving descendants. For centuries this remnant of the Britanno-Welsh nobility, still living in 'Avalon', kept alive a hope: they prayed that one day a new Arthur, one with the holy blood of the family of Mary flowing in his veins, would sit once more on the throne of Britain. Extraordinary as it may seem, this hope may soon be realised - for through the late Diana, Princess of Wales, our own Prince William, whose middle name is indeed Arthur, is so descended.

**The History of the Holy Grail** Michael O'Mara Books

Presenting the ancient Holy Grail lineage from Asia and how the Knights Templar were initiated into it, this book reveals how ancient Asian wisdom became the foundation for the Holy Grail legend.

*The Holy Grail* Simon and Schuster

Reveals the discovery of an artifact that many experts believe may be the Holy Grail • Traces the journey of the Grail from the Holy Land to Rome and eventually to a ruined chapel in Shropshire, England • Uncovers new evidence identifying the historical King Arthur and his connection to the Holy Grail The popular Arthurian stories of the Middle Ages depict the Holy Grail as Christ's cup from the Last Supper, which was believed to have been endowed with miraculous healing powers and the ability to give eternal life to whoever drank from it. A much earlier tradition, however, claimed the Grail was the vessel used by Mary Magdalene to collect Christ's blood when he appeared to her after rising from the tomb. While many vessels were claimed to have been the true Grail, there was only one thought to have been the chalice used by Mary. From Jesus' empty tomb, where it remained for almost 400 years, this holy relic known as the Marian Chalice was taken to Rome by the mother of the first Christian emperor, Constantine the Great. It was then smuggled from Rome in 410 A.D., according to the fifth-century historian Olympiodorus, to save it from the barbarians who sacked the city. Well into the Middle Ages legend persisted that it had been taken to safety in Britain, the last outpost of Roman civilization in Western Europe. This journey to England, and what happened to the Chalice there, is the focus of this book. Graham Phillips's research uncovers the secret legacy of an ancient noble family over generations and a trail of clues hidden in the English countryside that lead to a mysterious grotto, a forgotten attic, and the lost chalice. In tracing the relic, Phillips offers the inside story behind an astonishing adventure that results in the identification of the historical King Arthur and the location of one of the most powerful symbols in Western tradition.

**The Grail** Simon and Schuster

Recently discovered parchments in the Egyptian University of Al-Azhar have finally made it possible to retrace the spot where the Holy Grail has been kept for the last 1,000 years. The authors, a medieval history lecturer and an art historian, came across the clues leading to the Grail's discovery by chance when carrying out research in Cairo. The evidence in the ancient Egyptian parchments led them on a three-year investigation as they traced the Grail's journey across the globe and discovered its final resting place in the Basilica of San Isidoro in León, Spain. This is the definitive

guide to one of history's most sought-after treasures, the origin and object of both Arthurian myth and Christian legend, offering objective information to support an extraordinary discovery, and looks back at the origins of Judaism and Catholicism, the significance of the Last Supper, and relics previously associated with the Grail. *The Kings of the Grail* presents the new, definitive historical and scientific facts that have come to light, unravelling the mystery that has surrounded the Holy Grail and taking the reader on a compelling and thought-provoking journey.

**Guardians of the Holy Grail** Edfu Books Ltd

The medieval legend of the Grail, a tale about the search for supreme mystical experience, has never ceased to intrigue writers and scholars by its wildly variegated forms: the settings have ranged from Britain to the Punjab to the Temple of Zeus at Dodona; the Grail itself has been described as the chalice used by Christ at the Last Supper, a stone with miraculous youth-preserving virtues, a vessel containing a man's head swimming in blood; the Grail has been kept in a castle by a beautiful damsel, seen floating through the air in Arthur's palace, and used as a talisman in the East to distinguish the chaste from the unchaste. In his classic exploration of the obscurities and contradictions in the major versions of this legend, Roger Sherman Loomis shows how the Grail, once a Celtic vessel of plenty, evolved into the Christian Grail with miraculous powers. Loomis bases his argument on historical examples involving the major motifs and characters in the legends, beginning with the Arthurian legend recounted in the 1180 French poem by Chrtien de Troyes. The principal texts fall into two classes: those that relate the adventures of the knights in King Arthur's time and those that account for the Grail's removal from the Holy Land to Britain. Written with verve and wit, Loomis's book builds suspense as he proceeds from one puzzle to the next in revealing the meaning behind the Grail and its legends.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

*The Holy Kingdom* McFarland

"Tells of secret political combines, intrigues, and wars preparing mankind for the Antichrist"--Back cover.

**The High History of the Holy Graal** Fair Winds Press

Lost in the mists of time and legend is the true history of Britain before the arrival of the Romans and after their departure. Using ancient historical records, this book asserts that Britain was never fully conquered by the Romans but retained its culture as its royal families intermarried with the caesars. Two British kings, both named Arthur, became the single King Arthur of myth and legend. As a result of 40 years of research, this book reveals the location of the graves of both Arthurs, the burial place of the "true cross of Christ," and many other mysteries. It challenges many orthodox beliefs perpetuated by a church that long ago lost touch with its roots.

*In Quest of the Holy Grail* Vintage

The original Book of the Grail was written early in the 13th century, but only fragments of the manuscript survive. Originally titled *The High History of the Holy Graal*, this book was compiled in 1866 from a 16th-century copy of the original that was written in French by an anonymous author. This is the most complete version of the Grail story and is an essential addition to the library of anyone who is interested in this most enduring of legends about Perceval de Gallois and his sacred quest. Here is the most popular of all the ancient romance legends of the hero-king, the knights of the Round Table, the mysterious coming of the Holy Grail, the crown of thorns, the king who is a fisher of men (the fisher king), the reputed visit of Joseph of Arimathea (the Jerusalem tin-merchant whose tomb in that city was used by Jesus after his crucifixion, a figure also important in the English town of Glastonbury). Is this book an allegory for the sacred blood-lineage of Mary Magdalene and Jesus of Nazareth? A rare and important book. This edition is from the rare 1903 typeset edition.

The Holy Grail University of Wales Press

From royal and suppressed archives comes documented proof of the heritage of Jesus in the West and the long awaited discovery of the Holy Grail. In fulfilling this time-honored quest, penetrating new light is cast upon the Grail Code of Service and the venerated feminine element, upheld in chivalry but forsaken by the Church in order to forge a male dominated society. This unique work offers revelatory insight concerning the descendant heirs of Jesus and his brother James while, in documenting a hidden legacy of the Messiah, it unveils hitherto guarded facts about characters such as Mary Magdalene and Joseph of Arimathea. Tracing the sacred lineage through centuries of persecution and Inquisition, *Bloodline of the Holy Grail* reveals a systematic suppression of authentic records and a strategic manipulation of the New Testament Gospels. Featuring all the charm and adventure of Arthurian romance, coupled with enthralling Rosicrucian and Templar disclosures, this extraordinary work has a cutting edge of intrigue that removes the established blanket of enigma to expose one of the greatest conspiracies ever told.

Guenevere, Queen of the Summer Country Horizon Publishers

A Nineteenth-Century French Priest Discovers Something In His Mountain Village At The Foot Of The Pyrenees, Which Enabled Him To Amass And Spend A Fortune Of Millions Of Pounds. The Tale Seems To Begin With Buried Treasure And Then Turns Into An Unprecedented Historical Detective Story - A Modern Grail Quest Leading Back Through Cryptically Coded Parchments, Secret Societies, The Knights Templar, The Cathar Heretics Of The Twelfth And Thirteenth Centuries And A Dynasty Of Obscure French Kings Deposed More Than 1,300 Years Ago. The Author'S Conclusions Are Persuasive At The Core Is Not Material Riches But A Secret - A Secret Of Explosive And Controversial Proportions, Which Radiates Out From The Little Pyrenees Village To Encompass The Whole Of Western Civilization. Its Repercussions Stretch All The Way To Contemporary Politics And The Entire Edifice Of The Christian Faith. It Involves Nothing Less Than The Holy Grail.

*Genesis of the Grail Kings* Watkins Media Limited

The Holy Grail is one of the most fascinating themes in medieval literature. It was described as the vessel used by Jesus to celebrate the first Eucharist and it became the object of the greatest quest undertaken by King Arthur's knight. This book examines the traditions attached to the Holy Grail from its first appearance in medieval romance through its transformation into an object of mystical significance in modern literature and film. It is a journey filled with knightly quests, mystics and holy relics, poets and novelists, outlandish speculation and serious thought.

**The Holy Grail** Corgi Books

NEW YORK TIMES BESTSELLER • SPECIAL ILLUSTRATED EDITION WITH EXCLUSIVE NEW MATERIALS "Enough to seriously challenge many traditional beliefs, if not alter them."—Los Angeles Times Book Review Explosive, thought-provoking, fiercely compelling, *Holy Blood, Holy Grail* breaks bold new ground with its shocking conclusions about the lineage of Christ and the legacy of the Holy Grail. Now this lavishly illustrated collector's edition features exclusive new material plus dozens of photographs, drawings, symbols, architecture, and artwork, making it a dazzling feast for the eyes as well as the mind. Based on decades of research, filled with eye-opening new evidence and stunning scholarship, this authoritative work uncovers an alternate history as shocking as it is believable—as it dares to ask: Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a father, and that his bloodline still exists? • Is it possible that parchments found in the South of France a century ago reveal one of the best-kept secrets in Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible—they are probably true. So revolutionary, so original, so convincing, the most faithful Christians will be moved; here is the book that has sparked worldwide controversy, now newly updated and beautifully illustrated.

**The Holy Grail** London, Nutt

In this fascinating work, Barber traces the history of the legends surrounding the Holy Grail, beginning with Chrtien de Troyes's great romances of the 12th century and the medieval Church's religious version of the secular ideal.
