piano Alfred Music Elements is the long-awaited new album from world-renowned contemporary classical composer Ludovico Einaudi. The exclusive Piano folio was produced in close collaboration with Einaudi himself, and features all 12 tracks from the album, plus two exclusive backing tracks, a new solo arrangement of the title song, and unique illustrations. The much-anticipated new album includes the first single Night, which topped the iTunes Classical Chart, while being played on both Classic FM and BBC Radio 1. Einaudi's crossover appeal emerges from his ability to craft subtle and compelling compositions and the music on Elements is absolutely no exception. The songs on this album are inspired by Einaudi's interest in exploring different paths, with hypnotically beautiful pieces like Petricor, Whirling Winds and Logos signalling a development of his sound while also retaining that inexpressible quality that makes him beloved by millions. Two tracks, Night and Elements, feature audio backing tracks which can be accessed with this Einaudi sheet music, while a special solo arrangement

of Elements is also included. Featuring exclusive drawings by Einaudi on the cover and inside, Elements is an exceptional songbook, allowing you to play every track from the wonderful new album as accurately as possible. Ludovico Einaudi has composed a vast number of scores for film and television, as well as releasing universally-acclaimed albums of contemporary classical

music. His unique sound makes his evocative compositions instantly recognisable, and his new album Elements is set to be a modern classic. *Ludovico Einaudi* Hal Leonard Corporation (Piano/Vocal/Guitar Songbook). 27 contemporary favorites for today's couples for piano, voice and guitar. This updated version includes: All of Me * Can't Stop the Feeling * From

the Ground Up * I Choose You * I Get to Love You * Love Someone * Marry You * Over and Over Again * Perfect * Rather Be * Say You Won't Let Go * A Thousand Years * Yours * and more. Ludovico Einaudi: The Cello Collection Chester Music A selection of songs from Einaudi's 2007 album, specially transcribed for solo Piano. The composer writes, In this folio you will find most of the music

from the Divenire album. There are a number of pieces in this book, particularly those that are accompanied by orchestra or feature electronic sounds, that Ludovico Einaudi has personally altered in order to achieve a better solo piano transcription, and the piece Svanire, for cello and strings, has been replaced with Luce, a solo piano piece that is available on iTunes as a bonus track.

Ludovico Einaudi's beautifully evocative music lends itself so perfectly to use in films that for many years directors have been using it to complement their images. 17 of the best examples of his music for film over the past two decades are included here in this Film Music collection, arranged for solo Piano. Perhaps the most well-suited of all Einaudi's film collaborations

have been with directors Olivier Nakache and Eric Toledano on their hugely successful films 'Intouchables' and 'Samba'. From these two films come nine of Einaudi's most wonderful works, including Time Lapse and Una Mattina. Film Music further includes selections from 'Comes A Bright Day' (Berlin Song), 'Insidious' (the astonishing Nuvole Bianche) and his compositions

Shane Meadows' 'This Is England' and Russell Crowe's 'The Water Diviner'. Alongside the beautiful transcriptions is a fascinating introduction to each film, letting you find out about how the song was used as well as learning how to play it. This luxurious collection of cinematic sheet music is perfect for fans of Ludovico Einaudi as well as film lovers who

appreciate the power of a marriage of music and image - A masterclass in film composition. <p>of piano music that requires little training. The piano tabs display right and left-hand fingering numbers with red and blue NOTE LETTERS. Perfect for the beginner to intermediate piano player. Someone with very little music reading ability could figure it out pretty quickly. This is not standard sheet music notation! Piano Tab is a method of learning featuring unique illustrations of sheet music.</p>	<p>The most remarkable feature of this method is that it converts standard sheet music and uses letters instead of note symbols, so those who want to play the piano can learn in a much easier and more visual way. If you're a visual learner, intimidated with the complexities of reading standard piano sheet music, and want an additional tool to learn a Ludovico Einaudi song</p>	<p>this book is for you! His albums have soared high in the classical charts and his recitals have been sell-outs. This is Ludovico Einaudi's new project, Nightbook - a musical meditation on the transition</p>	<p>between light and darkness, the known and the unknown. Expressive and with a more open compositional structure, sonic colours are created through the close blending of the Piano with the Strings and percussion and from the use of electronics which amplifies the sound of the Piano, projecting it like a shadow in all directions. The project grew out of the ideas and "musical</p>

sketches" that Einaudi jotted down in a notebook whilst on tour around the world. Einaudi describes the project as A night-time landscape. A garden faintly visible under the dull glow of the night sky. A few stars dotting the darkness above, shadows of the trees all around. Light shining from a window behind me. What I can see is familiar, but it seems alien at the same time. It's like a dream - anything may

happen. Selections of expressive and contemplative songs from the album have all been specially transcribed for solo Piano.
