### SIMPSON DURHAM

*Value of Pensions in Divorce* SphinxLegal

It happens all the time. A business owner gets served with divorce papers then tries to convince the court that business is suffering. Stories vary, but the argument is the same: there is no money to pay for spouse and child support. In this book, Mark Kohn draws upon 25 years of professional experience as a forensic accountant to show readers how to detect when a spouse is hiding income—and how to find it. In this book, readers will learn . . . • What is hidden income? • When is income hidden legally? • What are the methods used to find illegal hidden income? • Will the IRS find the illegal hidden income? . . . and much more. Through case studies from the author's own experience, *How They Stash the Cash* gives readers the tools they need to uncover hidden income and receive a fair share of support and divorce assets.

*The Military Divorce Handbook* Wolters Kluwer

Witnessing a woman go through divorce is like watching a tornado tear up a trailer park. Not only is someone losing their home and life as they know it, but for most women, it seems to go down with some extra drama thrown in the mix. This is where the advice of authors, Holiday Miller and Valerie Shepherd, two experts in all things divorce, comes in handy. Their unique friendship began after they had both married and divorced the same man! *The Ex Wives' Guide to Divorce* was born from this friendship with the goal to ease women's fears, save them money, and give them a road map of what lies ahead. It will motivate women to get their head out of the sand and build their future dream sand castle by themselves, sans Prince Charming. Divorce is painful, heartbreaking, and pretty miserable for everyone involved. While men tend to champion the process, most women collapse and become emotionally distracted. Miller and Shepherd's experience is while the husband is gathering ammunition with his high paid attorney; the wife is frantic and disorganized—most likely spending her energy on the phone with her best friend or sister, instead of preparing herself for the battle ahead. This helpful guide teaches women how to manage the “business of divorce” in a focused, realistic, and organized manner. Miller and Shepherd aren't lawyers or psychologists, but they've experienced the process first hand and offer advice on how to build a support system and come out ahead. This book charges women to “put their big girl panties on” and maintain a tenacious spirit while preparing and organizing for their divorce.

*How to Outsmart Your Husband and Win Your Divorce* John Wiley & Sons

This book gives Californians the same information and power lawyers have to define their strategies, protect themselves, negotiate a fair settlement, get information from the other side, and survive a court appearance.

*The Good Divorce* NOLO

*A Practical Guide to Representing Military Personnel and Their Families* University of Chicago Press

Those seeking social change confront the centrality of power on a daily basis. What precisely is power and how does it manifest itself? And how are radical and progressive strategies shaped by the ways in which we conceptualize it? Drawing on feminist, poststructuralist, and Marxist theory, Davina Cooper develops an innovative framework for understanding power relations in forms as diverse as reproductive technology, queer activism, municipal politics, and the regulation of lesbian reproduction. *Power in Struggle* explores the relationship between power, sexuality, and the state and ultimately provides a radical re-thinking of these concepts and their interactions. Sexual politics, Cooper posits, must recognize the sexualization of everyday life and should not be exclusively the concern of a young, educated elite, nor should sex be shuttered as a private affair. Concluding with

an important and original discussion of how an ethics of empowerment can inform political strategy, *Power in Struggle* is a must-read for activists, scholars, and lawyers interested in understanding the role of power in the state.

**Virginia Domestic Relations Handbook** SphinxLegal

Divorce guidance you can count on Divorce is never easy, but with the information in Nolo's Essential Guide to Divorce, you can make the process as simple, inexpensive, and conflict-free as possible. With compassion and expertise, family law attorney Emily Duskow explains how to make divorce less painful by helping you: minimize day-to-day conflict with your spouse work with lawyers or mediators without breaking the bank avoid costly, exhausting court battles, and stay calm and make good decisions. You'll learn about your legal rights and options for resolving tough divorce-related issues, including: child support and custody alimony property division, and drafting a marital settlement agreement. The 8th edition is completely updated with the latest state rules on divorce, such as property division and grounds for divorce.

ReganBooks

This practical guide clearly outlines the steps involved in obtaining an uncontested divorce in Minnesota, but at the same time can serve as a valuable resource for those who have determined that using an attorney is in their best interest. Includes blank tear-out forms and instructions.

**Marital Discord in Pennsylvania, 1730-1830** Addicus Books

A favorite among successful students, and often recommended by professors, the unique Examples & Explanations series gives you extremely clear introductions to concepts followed by realistic examples that mirror those presented in the classroom throughout the semester. Use at the beginning and midway through the semester to deepen your understanding through clear explanations, corresponding hypothetical fact patterns, and analysis. Then use to study for finals by reviewing the hypotheticals as well as the structure and reasoning behind the accompanying analysis. Designed to complement your casebook, the trusted Examples & Explanations titles get right to the point in a conversational, often humorous style that helps you learn the material each step of the way and prepare for the exam at the end of the course. Examples & Explanations: Family Law, 5E provides readers with an in-depth understanding of complex family law principles and how they are applied in practice. Its clear organization breaks family law into distinct topics. Following the Examples and Explanations pedagogy, this book features examples based on challenging real-life situations followed by practical solutions in the explanations section. Citations and links to additional source material make the text a valuable research tool. The Fifth Edition puts a greater emphasis on self-assessment and helping students prepare for a variety of testing approaches. There is a new focus on emerging national legislative trends, and the legal issues faced by same-sex partners are discussed across chapters. This edition includes new alternative dispute resolution (ADR) processes and professional responsibility issues arising from interdisciplinary roles. Family law evolves quickly and the Fifth Edition captures recent developments while anticipating future policy challenges. Features: Updated chapters, including coverage of recent same-sex marriage decisions. Updated and additional problems. Sharper focus and detail in several chapters. Text that is easily researched using the index and Table of Cases. More identification and discussion of emerging policy issues.

**A Practical Guide** Routledge

This book will save you money. Even if the divorce is completely straightforward, and there are no arrangements for children and finances to sort out, a solicitor will typically charge between GBP500 and GBP1000 to deal with the divorce for you, not including court fees. If there are arrangements for children or finances to sort out, then the solicitor's fees are likely to be many times that sum. This book is for the increasing number of people who have to go through divorce proceedings without legal assistance, and for those who just want to save legal costs. It includes: \*A guide to divorce proceedings, including completing all the required forms. \*Sorting out financial/property arrangements, whether by agreement or through the court. \*Making arrangements for children. \*Details of child support maintenance. \*Dealing with domestic violence, costs and mediation. \*Plus specimen forms, useful addresses and websites, and a detailed glossary of legal terms. This book is for anyone who is seeking or contemplating a divorce, or anyone whose spouse has issued divorce

proceedings against them. Even if you are separating from your spouse and do not wish to divorce at this time, this book will be useful to you as many of the principles with regard to arrangements for children and sorting out finances are the same. Contents: 1. Divorce; 2. Children; 3. Child maintenance; 4. Finances and property; 5. Domestic violence; 6. Mediation; 7. Costs and legal aid; 8. Final thoughts; Appendix 1 - Example Documents; Appendix 2 - Useful Addresses and Websites; Appendix 3 - Glossary; Appendix 4 - List of Divorce County Courts; Index.

**How to File for Divorce in California** American Bar Association

A divorce can be the most painful and expensive experience of your life. Whether you use a lawyer or not, protect yourself by getting all the information you need about divorce laws and your legal rights. How to File for Divorce in California simplifies and thoroughly explains everything you need to know to successfully handle your own divorce in the state of California. Book jacket.

**Divorce Made Easy** LexisNexis

Legal Reference: A guide to understanding the law and accomplishing an Ohio Dissolution of Marriage

**A practical guide to divorcing without a lawyer** Simon and Schuster

It's never too late to have a good divorce Based on two decades of groundbreaking research, The Good Divorce presents the surprising finding that in more than fifty percent of divorces couples end their marriages, yet preserve their families. Dr. Ahrons shows couples how they can move beyond the confusing, even terrifying early stages of breakup and learn to deal with the transition from a nuclear to a "binuclear" family--one that spans two households and continues to meet the needs of children. The Good Divorce makes an important contribution to the ongoing "family values" debate by dispelling the myth that divorce inevitability leaves emotionally troubles children in its wake. It is a powerful tonic for the millions of divorcing and long-divorces parents who are tired of hearing only the damage reports. It will make us change the way we think about divorce and the way we divorce, reconfirming our commitment to children and families.

**Do Your Own Divorce** Gibbs Smith

Since its first publication in 1982, The Divorce Handbook has sold over 200,000 copies. In this new and fully revised edition, specialist in family law James T. Friedman covers, in an easy-to-use question-and-answer format, all the issues involved in negotiating a separation and divorce--how to choose a lawyer; how to arrange child custody, support, and visitation; how to prevent financial hide-and-seek; what to expect of the divorce proceedings themselves; and what to do if the divorce goes to trial. This revised edition addresses current trends in such areas as divorce law, alimony, property division, shared parenting, and visitation; it includes an expanded section of checklists, schedules, and guides for reconciliation and child support, as well as attorney retainer agreements, asset/liability worksheets, and more. The American Bar Association has called The Divorce Handbook "a welcome breath of fresh air in an otherwise stifling atmosphere created by a virtual avalanche of books about divorce." The revised edition of The Divorce Handbook is your best guide through the traumatic and painful business of divorce, and will be an essential resource for years to come.

**Going Through Divorce** American Bar Association

A lawyer and a psychologist offer a groundbreaking divorce strategy that protects both your finances and your family. From your first thought of divorce through the final paperwork, Your Divorce Advisor takes you step by step toward a divorce that dissolves the marriage but not your dignity, your sense of family, or your financial security. Whether you hire a lawyer or a mediator, or do it yourself, this practical, direct, and empowering guide offers you the wise counsel you need for both the legal and the emotional processes of ending your marriage. Your Divorce Advisor shows you how to: -Keep a healthy perspective that leads to a successful legal strategy and recognize when emotions threaten your case -Protect your assets without destroying your family Offering: - Detailed coverage of all your legal options and guidance through every legal step, including anticipating the emotional repercussions of your decisions -More information on custody than any other divorce book, including age-appropriate custody schedules -A sample divorce agreement explained one paragraph at a time Your Divorce Advisor helps you set yourself and your family on a positive course toward a new life.
