Houghton Mifflin
 "California GO Math! is specifically designed for California teachers and students to ensure success with California Common Core Standards and the Smarter Balanced Assessment. California GO Math! K-6 incorporates mathematical practices in every lesson so students develop the mathematical thinking they need. It features exploration-driven lessons that begin with problem-based situations and build to more abstract problems. It includes resources to personalize instruction for Rtl, online assessment, and ongoing data to inform instruction for

Intervention, ELD, and challenge."--

 Brighter Child Spanish for Grade 2 helps
 students master beginning foreign
 language skills. Practice is included for
 learning number words, neighborhood
 words, classroom words, and more. School
 success starts here! Workbooks in the
 popular Brighter Child series are packed

with plenty of fun activities that teach a
 variety of essential school skills. Students
 will find help for math, English and
 grammar, handwriting, and other
 important subject areas. Each book
 contains full-color practice pages, easy-to-
 follow instructions, and an answer key.
