10 Things You Might Not Know About Nearly Everything National Council of Teachers of English

They live! -- in the heart of every true believer, in the untamed wilds of the imagination, and in the pages of this collection of stories and poems from master unicorn chronicler Bruce Coville.

A thief braves a deadly maze to steal healing waters from a unicorn's well... A princess must choose between her love of a silver colt and her love of her father, the king... A young unicorn is given a mission to heal a girl who is not sick, but who has decided to die... Bringing together the singular talents of Madeleine L'Engle, Jane Yolen, C. S. Lewis, Myra Cohn Livingston, and many others, *The Unicorn Treasury* reminds us that as long as we can dream, there will be unicorns. Book jacket.

The Book of Name Lore Arcadia Publishing

Now in one volume -- the classic work on ancient goddesses and heroines. This joyous book recovers for our times the long-forgotten images of courageous, wise, and powerful women that flourished centuries ago in the religious and folk traditions of

civilizations around the world.

Inspired Baby Names from Around the World BRILL

The Remarkable History of the Hudson's Bay Company is a work by George Bryce. It details the origins of the company within the fur trading business in northern America.

Ancient Mirrors of Womanhood Genealogical Publishing Co
 Indicates the meanings, sources, and pronunciations of thousands of names from cultures throughout the world as well as astrological names, and gives tips on creating original names
Treasury of Name Lore Oxford University Press

From its beginning as one of the most ambitious construction projects west of the Mississippi, the imposing red granite Lone Star statehouse loomed large in Texas lore. The iconic landmark rests on a foundation of election rigging, an unsolved murder, land swaps and pre-dedication blackmail. It bore witness to the first meeting between LBJ and Lady Bird, as well as a bizarre resolution honoring the Boston Strangler. Mike Cox digs up a quarry's worth of the capitol's untold history, cataloguing everything from its ghost stories to its public art and collectible tourist kitsch.

Adult Catalog: Title Arcadia Publishing

A history of the Cherokee Indians, from conjectures about their possible origin of these peoples, to events in the early 1900s.

American Given Names Oxford University Press

Colorado is steeped in stories as unique as the people who settled it. Each wave of exploration and settlement brought new tales to explain the mysteries of this incomparable place. With extreme weather and breathtaking landscapes, it seems only natural that Colorado could play host to UFOs, stripper lightning and the Fountain of Love. From creation myths and rumored Aztec treasure to snow snakes and drunken house flies, professional yarn-spinner Stephanie Waters turns an eye to the ancient lore of the Centennial State.

American Surnames Agate Digital

Surnames. We all have them, but whose names were they originally? Whose are they? What do they mean and where do they come from? Elsdon Smith, America's leading authority on names, is the one man who definitely knows, and his book, *American Surnames*, is designed to answer these questions and more ...

Treasury of name lore CUP Archive

Names hidden by acrostic or anagram, pseudonyms, pen-names, nicknames, nameless characters, and lists of names are all explored in this erudite and fascinating book, which encompasses literature from ancient times to modern.

A Treasury of Names Oxford University Press

For years, the Chicago Tribune's "10 Things You Might Not Know" column has been informing and entertaining readers on a diverse range of fascinating subjects. *10 Things You Might Not Know About Nearly Everything* is a collection of the best of these columns, presented in a fun and easy-to-read format. This book gives readers well-researched, obscure facts on universal topics—including arts and culture, food and leisure, history, politics, science and technology, sports, holidays and religion, lifestyle, language, and more. *10 Things You Might Not Know About Nearly Everything* contains a plethora of surprising trivia and pertinent tidbits on so many different areas that will appeal to everyone from history buffs to sports fans to foodies, with an especially riveting look into Chicago-area history and facts. For example, in Zion, Illinois it was once not only illegal to gamble, curse, and sell alcohol and tobacco, but also to whistle on Sundays, put on plays, eat pork or oysters, spit, or wear tan-colored shoes. Some facts will make readers laugh and some will make jaws drop. This collection is a kaleidoscope of the absurd, the outrageous, and the sometimes-gruesome, making a highly entertaining mix of people, places, and things. *10 Things You Might Not Know About Nearly Everything* will leave readers brighter, wittier, and curious to learn more about myriad worlds they never encountered before and will never forget.

Garner's Modern English Usage DigiCat

Information on more than 660 terms used in onomastics, the study of names.

The Remarkable History of the Hudson's Bay Company Oxford University Press

Thousands of Names and the Blessings They Can Impart This unique guide includes 6,000-plus names from all corners of the globe, and each entry illuminates the name's distinctive spiritual, historical, and cultural background — its poetry. Names, from the traditional to the newly coined, are fully explained. Pronunciation guide, origin, alternate spellings, and meaning are enhanced by the affirmation carefully chosen for each name. Lists of names by meaning, names by ethnicity, and most popular names by decade provide easy reference. Whether your aim is to honor

ancestors, capture a child's essence, or convey parental hopes, *Inspired Baby Names from Around the World* will help you greet and bless your new baby with heartfelt meaning.

University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Authors & titles Oxford University

The authority on grammar, usage, and style.

The Reader's Adviser Houghton Mifflin Harcourt

A historical account of the origins and use of over 800 given names.

Treasury of Name Lore Genealogical Publishing Com

The naming practices of Chinese Americans are the focus of this work. Since Chinese immigration began in the mid-19th century, names of immigrants and their descendants have been influenced by both Chinese and American name customs. This detailed study first describes the naming traditions of China, providing a base for understanding how personal names may change in the interaction between cultures. One discovers that surnames are clues to Chinese dialect sounds, that many have been Americanized, that new surnames were created and that, in more recent decades as the Chinese American population has grown, new names practices developed and surnames have proliferated. Included are ideographs to surnames and an overview of their preservation by Americans of Chinese descent. **Jewish Given Names and Family Names** Oxford University Press, USA

Since first appearing in 1998, Garner's *Modern American Usage* has established itself as the preeminent guide to the effective use of the English language. Brimming with witty, erudite essays on troublesome words and phrases, this book authoritatively shows how to avoid the countless pitfalls that await unwary writers and speakers whether the issues relate to grammar, punctuation, word choice, or pronunciation. Now in the third edition, readers will find the "Garner's Language-Change Index," which registers where each disputed usage in modern English falls on a five-stage continuum from nonacceptability (to the language community as a whole) to acceptability, giving the book a consistent standard throughout. Garner's *Modern American Usage*, 3e is the first usage guide ever to incorporate such a language-change index, and the judgments are based both on Garner's own original research in linguistic corpora and on his analysis of hundreds of earlier studies. Another first in this edition is the panel of critical readers: 120-plus commentators who have helped Garner reassess and update the text, so that every page has been improved.

A Dictionary of Jewish Names and Their History Scarecrow Press

This reference examines the history of Jewish forenames and surnames, tracing the origin of each name and the changes that have occurred over generations.

The Folk-lore of Chios Workman Publishing

Presents over 3,000 bibliographic entries on the history and lore of Jewish family names and given names in all parts of the world from Biblical times to the present day. This work replaces the compiler's out-of-print *JEWISH AND HEBREW ONOMASTICS: A BIBLIOGRAPHY* (1977)

The Library Journal Book Review New World Library

Painstakingly researched with copious citations from books, newspapers, and news magazines, this new edition has become the classic reference work praised by professional copy editors. **Professional Guide for Use in the Junior-senior High School Library** Beacon Press (MA)

Takes a whimsical look at the naming of everyday things, from people, to cars, animals, and places, and discusses their origins.
