Coates's Herd Book Glenn G. Thater

The epic Harbinger of Doom saga continues in Blood, Fire, and Thorn, the exciting fifth volume in the series. When the black elf king comes calling, Hide your children and your gold, When dead men hunger, outside, the bitter cold, When trolls venture down from mountain peak, Hold tightly your bones, for them they seek. Beware they who thirst on island bleak, The Regent to come and scourge your keep, The Black Hand will stalk you, their ranks ever deep, And Thetan will be there, of his wrath you will weep, The Harbinger of Doom, your soul to reap.

Harbinger of Doom: Volumes 7-8 Valiant Entertainment

Vampires. Zombies. Wendigo. There are a million books about them, and of similar paranormal, undead creatures. Sparkly cutesy ones. Vicious evil ones. Heroic ones. Impossible to kill ones. Slow and fast ones. Some books even purport to tell you of their origins. Well, they're all bunk and bother, as Ob would say. Nothing but humbug. This eighth volume of the Harbinger of Doom saga is different. It reveals the truth about those creatures. About where they really came from. About the terrible threat they posed and may still pose today. And about the brave folk of days long past that stopped them from overrunning the world.

The Shambling Dead Independently Published

The epic Harbinger of Doom saga continues in Gods of the Sword, the exciting sixth volume in the series. Frem Sorlons' grandmother warned him about the black elves. They're otherworldly, evil imps, devoid of morals or conscience - and they'll kill you, as soon as look at you, she'd say. Until he reached Jutenheim, he never thought he'd meet one outside of her wild stories. He never even thought that they were real. But then one night, the black elves came calling and threatened to take not only Frem's life, but also his immortal soul. With his parents and older brothers gone, the only things that Ector Eotrus has left are his Dor and his life. But they're coming to take both. The only question is, who will get there first: the Alders or the trolls? Lord Torbin Malvegil is going to

war. War with the Shadow League. War with the Black Hand assassins. And war with the duergar. Each is a war he cannot hope to win. Each is war he cannot survive. Artol has won most every fight he's been in these last twenty-five years. On the Isle of Evermere, that streak will come crashing to an end. An end from which only the god of lightning can hope to save him. BOOKS BY GLENN G. Shadowman (2018) Vol. 2: Dead and Gone TPB Lomion Books

In the aftermath of their humiliating defeat at the hands of Charlie Carter's Army of Misfits, the Vampires of Storm Hill exact a terrible revenge on the Humans of The Cauldron. Entire families are left starving and destitute and are forced to live on the streets, making them easy prey for Vampires to feast on. The Cronos call upon the Supreme Council to protect the lives of the Cauldronians but their supplications fall on deaf ears. Denied justice, they vow vengeance against those that have slaughtered their kin and call upon the Wraiths to rise and do battle with their Creators.

Harbinger of Doom -- Volume 7 Lomion Books

Glenn G. Thater's epic Harbinger of Doom saga continues in this special omnibus edition, which contains Volume 11, Drums of Doom and Volume 12, Blood of Kings. In the Age of Myth and Legend, the Lord's Arkon Thetan lost his faith, abandoned his honor and his solemn oaths, and betrayed the one true god — he who loved him above all others. Thetan's treachery threatened to bring down the very heavens and cast his name in infamy, forevermore. When the mountain troll horde surrounded Lomion City, rivalry and machination paralyzed the High Council...until the mysterious Baron Jaros appeared offering salvation from the trolls. Salvation that came at a weighty price. King Bornyth Trollsbane of the Darendor Dwarves was fearless, and confident that his people could withstand any siege, assault, plague, flood, or famine. Hardy were his Dwarves. Determined. Tireless. Patient. The problem was, the Draugar -- the dead that walked — were all of that and more. Uriel the Bold had safeguarded the portal betwixt Midgaard and Nifleheim for untold ages. He'd repelled wizards, warlords, and hordes of howling barbarians. But what hope did he have to stop The Shadow League's cadre of Archwizards and the Nifleheim Lord that led them? The Eotrus had suffered beyond all imagining: family members dead, missing, kidnapped, their fortress, sacked. But now it was Ector's turn to take the battle to the enemy. To march on the troll city of Gothmagorn and exact his revenge...though it might cost him his very soul. Captain Frem Sorlons was one of the toughest men to ever walk Midgaard. But deep in the heart of Svartleheim, when

the drums of doom sound, even a brave hero can fall.

In Lord of Lies (Volume 2 of the Harbinger of Doom Saga), Glenn G. Thater transports you to a time of legendary heroes, armored knights, spectacular duels, courtly intrigue, otherworldly evils, and ancient, forbidden magics. Claradon, the young Lord of House Eotrus, stands accused of murder and treason by his family's political rivals while on the trail of the chaos lord that slew those dearest to him. Claradon has recruited the mysterious knight of mystical power called Angle Theta to aid him in his quest. But Claradon has bought far more than he's bargained for, when his comrade Ob discovers the terrifying secret of Angle Theta. A secret so horrifying as to shatter a man's mind and call into question the very nature of good and evil. * Lord of Lies was previously published as The Fallen Angle. BOOKS BY GLENN G. But only a young girl is the last in a line of the enigmatic mystics who protect the Earth known as Geomancers and she has seen this future come to pass, from the coming cataclysm to the dawn of the 41st century. Alone with her sworn protector, the Eternal Warrior is a soldier battle-forged across five thousand years of combat and the duo must defy their allies to stop the Dark Age that now threatens to eclipse our world. Together, they are the number one target of every hero and villain on Earth. Either the Eternal Warrior hands her over or they take him down. But can even he single-handedly protect one child when the entire Valiant Universe wages war against him? New York Times bestselling writer Robert Venditti (X-O MANOWAR) joins superstar-in-the-making Robert Gill (Batgirl) and visionary artist Doug Braithwaite (ARMOR HUNTERS) to begin a thousand-year journey into the future of the Valiant Universe and rain, fire, blood and war on the heroes of today. Lord Angle Theta and his men seemed unstoppable. Unbeatable. No matter the odds against them. But when they met their match in the swamps of storied Jutenheim, Lomerian blood ran like rivers. Ector and Malcolm Eotrus had a simple duty. Keep safe their family's mighty fortress, as had their ancestors for untold centuries. They failed. Trolls loped out of the northern mists, a

hunger for man-flesh in their bellies. The trolls took what they wanted. They didn't even leave the bones behind. Karktan of Malvegil knew that the Black Hand assassins had hunted his beloved lord for years. They finally caught him. Murdered him, along with Karktan's brother, and Lomion's troubled king. Now Karktan is hunting them. Frem Sorlons and his Pointmen could fight their way out of anything. Until they found themselves trapped between an army of bloodthirsty Ettins and the relentless legions of Svartleheim. Time and again, Lomerian wizards conquered challenges that brawn and brain alone could not master. But magic has a weighty price. Even the greatest sorcerers cannot escape the Wizard's Toll.

Dwellers of the Deep embraces the pulse-pounding action that the Harbinger of Doom Saga is known for, with battles so real, so immersive, you will find yourself reaching for your sword. Expansive in scope, Dwellers transforms the Saga into truly epic fantasy, and drops the reader into the Byzantine web of political intrigue that swirls about the Kingdom of Lomion. In Glenn G. Thater's world of Midgaard, some kill for love or honor; others die for blood and souls. In Dwellers of the Deep, the fourth volume of the saga unfolds across a vast ocean of bleak expanses and forbidden islands that harbor secrets best unspoken, ancient magics best left buried, voracious monsters of the gelid depths, and a god of the outer spheres whose wrath will shake the very foundations of Midgaard. Within these pages, heroes and villains abound. But are the heroes those that quest with Theta to keep shuttered the portal betwixt the worlds, or those that sail with Korrgonn for god and glory, to restore Azathoth's reign? Only you can decide. But in the end, Ob will tell you, evil is as evil does, and in Midgaard, only one thing is certain--nothing is as it seems.
