[The Purpose Driven Life](#) Penguin

Whether you realize it or not, you play a part in the divine plan of creation. Once you recognize this, you can gain access to the immense power in the universe. It's simple: when you engage the right celestial helpers, anything becomes possible. In *Hiring the Heavens*, Jean Slatter shares how she learned to hire the Heavens and offers a fresh, revitalized way of bringing spirituality back into your everyday life. Whether the task is large or small, whether you want to manifest your dreams, find a soul mate, improve your finances, or simply get through your days without stress and worry, the Heavens are ready to help. With their assistance, you become cocreator and codirector of your life, experiencing more joy and more serendipity every day.

**We the Living** A&C Black

Alex Rogo is a harried plant manager working ever more desperately to try and improve performance. His factory is rapidly heading for disaster. So is his marriage. He has ninety days to save his plant - or it will be closed by corporate HQ, with hundreds of job losses. It takes a chance meeting with a colleague from student days - Jonah - to help him break out of conventional ways of thinking to see what needs to be done. Described by *Fortune* as a

'guru to industry' and by *Businessweek* as a 'genius', Eliyahu M. Goldratt was an internationally recognized leader in the development of new business management concepts and systems. This 20th anniversary edition includes a series of detailed case study interviews by David Whitford, Editor at Large, *Fortune Small Business*, which explore how organizations around the world have been transformed by Eli Goldratt's ideas. The story of Alex's fight to save his plant contains a serious message for all managers in industry and explains the ideas which underline the Theory of Constraints (TOC) developed by Eli Goldratt. Written in a fast-paced thriller style, *The Goal* is the gripping novel which is transforming management thinking throughout the Western world. It is a book to recommend to your friends in industry - even to your bosses - but not to your competitors!

[How Music Works](#) Bantam

Part of the Legend Classics series It's only because of their stupidity that they're able to be so sure of themselves. A novel of such ambiguity will inevitably lend itself to a diversity of interpretation, but in *The Trial* you can at least be sure to find every element of storytelling now defined as Kafkaesque. Josef K., our protagonist, is unexpectedly arrested on the morning of his thirtieth birthday. The agents who arrest him are unidentified, the agency they work for is unspecified, and the crime for which he has been accused is unknown. When he is released, shortly after, he is told to await further instruction. So begins the manic and emotionless trial of a man beholden to the whims of an unknown force, and his painstaking attempts to find a way out of this existential maze. *The Trial* brings into focus the absurdity of life, our universal fear of judgement, and one ultimate question: how much of this endless maze will you explore before you accept the fate life has bestowed upon you? The Legend Classics series: Around

Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime.

**Los irreductibles I** Harper Collins

In this volume, which reaffirms the uncompromising brilliance of his mind, Cioran strips the human condition down to its most basic components, birth and death, suggesting that disaster lies not in the prospect of death but in the fact of birth, "that laughable accident." In the lucid, aphoristic style that characterizes his work, Cioran writes of time and death, God and religion, suicide and suffering, and the temptation to silence. Through sharp observation and patient contemplation, Cioran cuts to the heart of the human experience. "A love of Cioran creates an urge to press his writing into someone's hand, and is followed by an equal urge to pull it away as poison."—*The New Yorker* "In the company of Nietzsche and Kierkegaard."—*Publishers Weekly* "No modern writer twists the knife with Cioran's dexterity. . . . His writing . . . is informed with the bitterness of genuine compassion."—*Boston Phoenix*

*The Picture of Dorian Gray* Random House

Describes each stage of child development, answers questions about child care, and includes information on common childhood ailments.

Simon Potter's new message of hope and courage for a troubled world Nearly twenty years ago in a Chicago parking lot, Og Mandino met a man who changed his life and who inspired millions of readers in the pages of Mandino's classic bestseller *The Greatest Miracle in the World*. The man's name was Simon Potter and he called himself a ragpicker—because he had devoted his life to rescuing people who had ended up on life's refuse pile. But just as suddenly and mysteriously as Simon Potter entered Og Mandino's life, so did he leave it—his work apparently done. Three years ago, however, Simon Potter walked back into Mandino's life. Ninety-five years old and going strong, the ragpicker knew his work was not yet finished; the world was still mired in frustration and despair, plagued by drugs, crime, broken families, and broken dreams. And so, he and Og Mandino vowed to deliver a precious new gift to humankind: a life guide to renewed strength, courage, wisdom, and faith for all.

*The Devil and Miss Prym* Irwin Professional Pub

"With its gentle affirmations, inspirational quotes, fill-in-the-blank lists and tasks — write yourself a thank-you letter, describe yourself at 80, for example — *The Artist's Way* proposes an egalitarian view of creativity: Everyone's got it."—*The New York Times* "Morning Pages have become a household name, a shorthand for unlocking your creative potential"—*Vogue* Over four million copies sold! Since its first publication, *The Artist's Way* phenomena has inspired the genius of Elizabeth Gilbert and millions of readers to embark on a creative journey and find a deeper connection to process and purpose. Julia Cameron's novel approach guides readers in uncovering problems areas and pressure points that may be restricting their creative flow and offers techniques to free up any areas where they might be stuck, opening up opportunities for self-growth and self-discovery. The program begins with Cameron's most vital tools for creative recovery – *The Morning Pages*, a daily writing ritual of three pages of stream-of-conscious, and *The Artist Date*, a dedicated block of time to nurture your inner artist. From there, she shares hundreds of exercises, activities, and prompts to help readers thoroughly explore each chapter. She also offers guidance on starting a "Creative Cluster" of fellow artists who will support you in your creative endeavors. A revolutionary program for personal renewal, *The Artist's Way* will help get you back on track, rediscover your passions, and take the steps you need to change your life.

*Siddhartha* Ingram

EL AQUÍ Y EL AHORA: Es realmente difícil aceptar que todo existe en el presente momentáneo. El pasado existe e importa tan sólo como parte de la realidad presente; cosas y recuerdos acerca de los cuales pienso ahora como pertenecientes al pasado. La idea del pasado es útil algunas veces, pero al mismo tiempo no debo perder de vista eso, que es una idea, una fantasía que tengo ahora. Nuestra idea del futuro es también una ficción irreal, aunque algunas veces de utilidad, cuando lo asumimos como un ensayo y sólo como eso. Tanto nuestra idea del futuro como nuestra concepción del pasado se basa en nuestra comprensión del presente. El pasado y el futuro son nuestras concepciones acerca de lo que precedió en el momento presente y lo que presagiamos que seguirá a lo actual. Y todo este adivinar ocurre AHORA e influye rotundamente en él. El ahora es el presente,

**The Goal** Ember

The authors document how four forces--exponential technologies, the DIY innovator, the Technophilanthropist, and the Rising Billion--are conspiring to solve our biggest problems. "Abundance" establishes hard targets for change and lays out a strategic roadmap for governments, industry and entrepreneurs, giving us plenty of reason for optimism.

**Zero to One** Crown Currency

En una sociedad con tendencia a la distopía, Kino, un escritor frustrado, jamás imaginaría que una decisión motivada únicamente por el dinero le llevaría a replantearse toda su vida, al acceder a una máquina que le permite revivir los recuerdos de su difunto padre. Lo que al principio era un simple experimento, terminará desembocando en una serie de decisiones que se le plantean a Kino, quien no está preparado para afrontar las

implicaciones de que exista una máquina semejante.

**A Thousand Splendid Suns** B&H Publishing Group

NEW YORK TIMES BESTSELLER • The instant classic about why some ideas thrive, why others die, and how to make your ideas stick. "Anyone interested in influencing others—to buy, to vote, to learn, to diet, to give to charity or to start a revolution—can learn from this book."—*The Washington Post* Mark Twain once observed, "A lie can get halfway around the world before the truth can even get its boots on." His observation rings true: Urban legends, conspiracy theories, and bogus news stories circulate effortlessly. Meanwhile, people with important ideas—entrepreneurs, teachers, politicians, and journalists—struggle to make them "stick." In *Made to Stick*, Chip and Dan Heath reveal the anatomy of ideas that stick and explain ways to make ideas stickier, such as applying the human scale principle, using the Velcro Theory of Memory, and creating curiosity gaps. Along the way, we discover that sticky messages of all kinds—from the infamous "kidney theft ring" hoax to a coach's lessons on sportsmanship to a vision for a new product at Sony—draw their power from the same six traits. *Made to Stick* will transform the way you communicate. It's a fast-paced tour of success stories (and failures): the Nobel Prize-winning scientist who drank a glass of bacteria to prove a point about stomach ulcers; the charities who make use of the Mother Teresa Effect; the elementary-school teacher whose simulation actually prevented racial prejudice. Provocative, eye-opening, and often surprisingly funny, *Made to Stick* shows us the vital principles of winning ideas—and tells us how we can apply these rules to making our own messages stick.

*Principles of Corporate Finance* ABDO

Essay Collection covering the point where software, law and social justice meet.

*Surprised by Hope* Zondervan

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

*Recordar el pasado es vivir el presente* Penguin

Now a major motion picture! The "deliciously intense" (USA TODAY) New York Times bestselling phenomenon follows a good girl drawn to a very bad boy... The new Abby Abernathy is a good girl. She doesn't drink or swear and has the appropriate number of cardigans in her wardrobe. With the darkness of her past behind her, she believes her freshman year at college is the start of a new beginning. But then she meets Travis Maddox. Lean, cut, and covered in tattoos, Eastern University's Walking One-Night Stand is exactly what Abby needs to avoid. Intrigued by her resistance to his appeal, Travis tricks her with a simple bet. If he loses, he must remain abstinent for a month. If Abby loses, she must live in his apartment for the same amount of time. Either way, Travis has no idea that he has met his match in this "beautifully sexy, beautifully intense, and beautifully perfect" (Jessica Park, New York Times bestselling author).

*You Were Born Rich* Legend Press

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.

*Made to Stick* Little, Brown Books for Young Readers

Many Christians believe that their future in heaven is all that really matters, but that's not what the Bible teaches. Premier Bible scholar Wright goes inside the Scriptures to grasp the full, breathtaking hope Jesus offers the world, and its implications for how people live their lives today as believers.

**Beautiful Disaster** DigiCat

Practical instructions from leading vocational thinker Miller reveal how to approach work as more than just a paycheck, but as part of the calling God has placed on each life.
