Miss Marple: The Complete Short Stories
gathers together in one magnificent
volume all of Agatha Christie's short
stories featuring her beloved intrepid
investigator, Miss Marple. It's an
unparalleled compendium of murder,
mayhem, mystery, and detection that
represents some of the finest short form
fiction in the crime fiction field, and is an
essential omnibus for Christie fans.

Described by her friend Dolly Bantry as
"the typical old maid of fiction," Miss
Marple has lived almost her entire life in
the sleepy hamlet of St. Mary Mead. Yet,
by observing village life she has gained an
unparalleled insight into human
nature—and used it to devastating effect.
As her friend Sir Henry Clithering, the ex-
Commissioner of Scotland Yard, has been
heard to say: "She's just the finest
detective God ever made"—and many
Agatha Christie fans would agree.

Pretty Lily Margrave is not convinced that
Hercule Poirot is needed in the matter of

Sir Atwell's murder. At the request of her
employer, Lady Atwell, she has already
recounted what happened ten days ago in
the Tower Room, and the victim's nephew
has been charged with the murder.
Nevertheless, Lady Atwell brings Poirot up
to the great house, Mon Repos, to see if he
can find out anything. While at first the
family is struck by Poirot's ardent
endeavor to uncover what befell Sir Atwell,
his insistence on looking into every nook
and cranny becomes too much for some to
bear. A scrap of material, the contents of a
tiny box, and his singular ingenuity lead
the detective to uncover who is behind

this violent act.

And the one woman who appears to hold the key to the mystery is dying from injuries sustained in a plane crash. Meanwhile, in a Casablanca hotel room, Hilary Craven prepares to take her own life. Midwinter Murder Harper Collins
The world's most beloved detective, Hercule Poirot—the legendary star of Agatha Christie's *Murder on the Orient Express* and most recently *The Monogram Murders* and *Closed Casket*—returns in a stylish, diabolically clever mystery set in the London of 1930. “We Agatha Christie fans read her stories--and particularly her Poirot novels--because the mysteries are invariably equal parts charming and ingenious, dark and quirky and utterly engaging. Sophie Hannah had a massive challenge in reviving the beloved Poirot, and she met it with heart and no small amount of little grey cells. I was thrilled to see the Belgian detective in such very, very good hands. Reading *The Monogram Murders* was like returning to a favorite room of a long-lost home.” — Gillian Flynn, author of *Gone Girl*
Hercule Poirot returns home after an agreeable luncheon to find an angry woman waiting to berate him outside his front door. Her name is Sylvia Rule, and she demands to know why Poirot has accused her of the murder of Barnabas Pandy, a man she has neither heard of nor ever met. She is furious to be so accused, and deeply shocked. Poirot is

equally shocked, because he too has never heard of any Barnabas Pandy, and he certainly did not send the letter in question. He cannot convince Sylvia Rule of his innocence, however, and she marches away in a rage. Shaken, Poirot goes inside, only to find that he has a visitor waiting for him — a man called John McCrodden who also claims also to have received a letter from Poirot that morning, accusing him of the murder of Barnabas Pandy... Poirot wonders how many more letters of this sort have been sent in his name. Who sent them, and why? More importantly, who is Barnabas Pandy, is he dead, and, if so, was he murdered? And can Poirot find out the answers without putting more lives in danger?

The Idol House of Astarte: A Miss Marple Short Story HarperCollins UK

A most unusual series of crimes at a student hostel intrigues Inspector Hercule Poirot in Agatha Christie's *Hickory Dickory Dock*, especially when a simple case of kleptomania paves the way to murder. Hercule Poirot doesn't need all his detective skills to realize something is troubling his secretary, Miss Lemon—she has made three mistakes in a simple

letter. It seems an outbreak of kleptomania at the student hostel in which her sister works is distracting his usually efficient assistant. Deciding that desperate times call for desperate measures, the great detective agrees to investigate. Unknown to Poirot, however, desperation is a motive he shares with a killer. . . .

Poirot Investigates Harper Collins

The Double Clue HarperCollins
There's more than petty theft going on in a London youth hostel... An outbreak of kleptomania at a student hostel was not normally the sort of crime that aroused

Hercule Poirot's interest. But when he saw the list of stolen and vandalized items - including a stethoscope, some old flannel trousers, a box of chocolates, a slashed rucksack and a diamond ring found in a bowl of soup - he congratulated the warden, Mrs Hubbard, on a 'unique and beautiful problem'. The list made absolutely no sense at all. But, reasoned Poirot, if this was merely a petty thief at work, why was everyone at the hostel so frightened?
