Tax-Free Wealth Business Plus

"I've set up my corporation. Now what do I do?" All too often business owners and real estate investors are asking this question. They have formed their protective entity - be it a corporation, LLC or LP - and don't know what to do next. "Run Your Own Corporation" provides the solution to this very common dilemma. Breaking down the requirements chronologically (ie the first day, first quarter, first year) the book sets forth all the tax and corporate and legal matters new business owners must comply with. Written by Rich Dad's Advisor Garrett Sutton, Esq., who also authored the companion edition "Start Your Own Corporation", the book clearly identifies what must be done to properly maintain and operate your corporation entity. From the first day, when employer identification numbers must be obtained in order to open up a bank account, to the fifth year when trademark renewals must be filed, and all the requirements in between, "Run Your Own Corporation" is a unique resource that all business owners and investors must have. Rich Dad/Poor Dad author Robert Kiyosaki states, "Run Your Own Corporation is the missing link for most entrepreneurs. They've set up their entity, but don't know the next steps. Garrett Sutton's book provides valuable information needed at the crucial start up phase of operations. It is highly recommended reading." When "Start Your Own Corporation" is combined with "Run Your Own Corporation" readers have a two book set that offers the complete corporate picture.

Real Estate Investing For Dummies McGraw-Hill

"This book is not just a bargain, it's a steal. It's filled with practical, workable advice for anyone wanting to build wealth."—Mike Summey, co-author of the bestselling *The Weekend Millionaire's Secrets to Investing in Real Estate* Anyone who seeks financial wealth must first learn the fundamental truths and models that drive it. *The Millionaire Real Estate Investor* represents the collected wisdom and experience of over 100 millionaire investors from all walks of life who pursued financial wealth and achieved the life-changing freedom it delivers. This book--in straightforward, no nonsense, easy-to-read style--reveals their proven strategies. *The Millionaire Real Estate Investor* is your handbook to the tried and true financial wealth building vehicle that rewards patience and perseverance and is available to all--real estate. You'll learn: Myths about money and investing that hold people back and how to develop the mindset of a millionaire investor How to develop sound criteria for identifying great real estate investment opportunities How to zero in on the key terms of any transaction and achieve the best possible deals How to develop the "dream team" that will help you build your millionaire investment business Proven models and strategies millionaire investors use to track their net worth, understand their finances, build their network, lead generate for properties and acquire them *The Millionaire Real Estate Investor* is about you and your money. It's about your financial potential. It's about discovering the millionaire investor in you.

To win in business requires a winning business plan. To write a winning business plan requires reading Garrett Sutton's dynamic book on the topic. *Writing Winning Business Plans* provides the insights and the direction on how to do it well and do it right. Rich Dad/Poor Dad author Robert Kiyosaki says, "The first step in business is a great business plan. It must be a page turner that hooks and holds a potential investor. Garrett Sutton's *Writing Winning Business Plans* is THE book for key strategies on preparing winning plans for both business and real estate ventures. Crisply written and featuring real life illustrative stories, *Writing Winning Business Plans* discusses all the key elements for

a successful plan. Topics include focusing your business vision, understanding your financials and analyzing your competition. Also covered are how to really use your business plan as a tool and how to attract funding for your new or existing businesses. As business plan competitions become more popular around the world *Writing Winning Business Plans* also discusses how to enter and how to win these ever more lucrative contests. In addition, how to quickly interest a potential investor, also known as the elevator pitch, is explained. And, as opportunities arise around the world, how to present your plan in various countries is explored. *Writing Winning Business Plans* is the complete compendium for this essential business rite of passage - preparing a winning plan.

USA TODAY BESTSELLER Take HOLD of your financial future!

Learn how to obtain financial freedom through real estate. The final book in Gary Keller's national best-selling *Millionaire Real Estate Investor* trilogy teaches the proven, reliable real estate investing process to achieve financial wealth: 1. Find - the right property for the right terms and at the right price. 2. Analyze - an offer to make sure the numbers and terms make sense. 3. Buy - an investment property where you make money going in. 4. Manage - a property until it's paid for or you have a large amount of equity to leverage. 5. Grow - your way to wealth and financial freedom.

How Washington Works in the New Gilded Age RDA Press,
LLC

If you're interested in real estate investing, you may have noticed the lack of coverage it gets in mainstream financial media, while stocks, bonds, and mutual funds are consistently touted as the

safest and most profitable ways to invest. According to real estate guru Ken McElroy, that's because financial publications, tv and radio programs make the bulk of their money from advertising paid for by the very companies who provide such mainstream financial services. On the other hand, real estate investment is something you can do on your own--without a large amount of money up front. Picking up where he left off in the bestselling ABC's of Real Estate Investing, McElroy reveals the next essential lessons and information that no serious investor can afford to miss. Building on the foundation of real estate investment 101, McElroy tells readers: How to think--and operate--like a real estate mogul How to identify and close expert deals Why multifamily housing is the best real estate investment out there How to surround yourself with a team that will help maximize your money How to avoid paying thousands in taxes by structuring property sales wisely Important projections about the future of real estate investment

Secrets of Successful Real Estate Investing RDA Press, LLC
Loopholes of the Rich helps Americans from all walks of life use the same tax loopholes that the wealthy use to lower their tax bill. With this handy guide, you won't need an accountant to find quick and easy ways to pay less. And there's nothing unethical about these tax loopholes. In fact, the government wants you to take advantage of them! These tax-reducing tactics and strategies can give you the freedom to save for your family's future or for your own financial independence. Plus, you'll find a handy checklist of more than 300 business deductions, real-life tax strategy examples, useful sample forms, explanations of IRS codes and rules, and much more.

Smart Steps to Building Your Wealth Through Property Business Plus

In difficult times, debt can be a matter of life and death, happiness and despair. Controlling your debt can bring order and calm. Mastering debt can bring wealth and success. As bestselling Rich Dad/Poor Dad author Robert Kiyosaki says, "Good debt makes you rich and bad debt makes you poor." The ABCs of Getting Out of Debt provides the necessary knowledge to navigate through a very challenging credit environment. A Rich Dad's Advisor and best selling author of numerous business books, Garrett Sutton, Esq. clearly writes on the key strategies readers must follow to get out of debt. Unlike other superficial

offerings, Sutton explores the psychology and health effects of debt. From there, the reader learns how to beat the lenders at their own game, and how to understand and repair your own credit. Using real life illustrative stories, Sutton shares how to deal with debt collectors, avoid credit scams, and win with good credit. "The reason Garrett Sutton's book is so important is that like it or not, debt is a powerful force in our world today. The financially intelligent are using debt to enrich themselves while the financially uneducated are using debt to destroy their lives." - Robert Kiyosaki The times call for a book that offers hope and education on mastering credit and getting out of debt.

The Stock Market Cash Flow John Wiley & Sons
"We are called to be architects of the future, not its victims." - R. BUCKMINSTER FULLER In Infinite Returns, Robert--with Kim and their top-notch team of Advisors--delves into how the economic and social climate of 2020 has set the stage for a decade of unprecedented challenges as well as opportunities. He draws on his study of Bucky Fuller for vision and guidance as well as noted economists in comparing and contrasting economic theories, and looks to the future, the decade ahead, through the lens of 'cosmic accounting.' Kiyosaki uses lessons from the past to envision the future and peppers that vision with doses of today's reality... while never losing sight of the power of optimism and the individual's power to affect change--in themselves and in our world. The book includes chapters from Kim, the Rich Dad Advisors, and the Rich Dad business team who offer insights on how to achieve infinite returns: Ken McElroy, Blair Singer, Garrett Sutton, Andy Tanner, Tom Wheelwright, Josh and Lisa Lannon, John MacGregor, Mona Gambetta, and Doctors Radha Gopalan and Nicole Srednicki.

Building Wealth One House at a Time: Making it Big on Little Deals RDA Press, LLC

So you've made your real estate investment, now the question is: How are you going to make it successful? Maximize its potential? Make it grow? One word: management. Hundreds of thousands know bestselling author Ken McElroy as a real estate investment tycoon. In his new book, he reveals the key to his success, exceptional property management, and teaches you its most important principles, showing you how to fundamentally succeed where others fail. THE ABC'S OF PROPERTY MANAGEMENT tells readers: How to decide when to manage your property and when

to hire someone to do it How to implement the right systems and structures for your investment How to manage and maximize cash flow What to expect: a month in the life of an owner-manager How to find the right property manager (and avoid the wrong ones) How to assemble a superior management team. The Insider's Guide to Tax-Free Real Estate Investments Freedom Mentor

In a Winners Take All meets This Town narrative, a New York Times bestselling author tells the story of the creation of a massive tax break, in which political and economic elites attend to the care and feeding of the super-rich, and inequality compounds. David Wessel's incredible tale of how Washington works--and why the rich keep getting richer--starts when a Silicon Valley entrepreneur develops an idea intended as a way to help poor people that will save rich people money on their taxes. He organizes and pays for an effective lobbying effort that pushes his idea into law with little scrutiny or fine-tuning by congressional or Treasury tax experts--and few safeguards against abuse. With an unbeatable pair of high-profile sponsors, bumper-sticker simplicity and deft political marketing, the Opportunity Zone became an unnoticed part of the 2017 Trump tax bill. The gold rush followed immediately thereafter. David Wessel follows the money to see who profited from this plan that was supposed to spur development of blighted areas and help people out of poverty: the Las Vegas strip, the Portland (Oregon) Ritz-Carlton, the Mall of America, and self-storage facilities--lucrative areas where the one percent can park money profitably and avoid capital gains taxes. And the best part: unlike other provisions for eliminating capital gains taxes (inheritance, for example) you don't have to die to take advantage of this one. Wessel provides vivid portraits of the proselytizers, political influencers, motivational speakers, consultants, real estate dealmakers, and individual money-seekers looking to take advantage of this twenty-first century bonanza. He looks at places for which Opportunity Zones were supposedly designed (Baltimore, for example) and how little money they've drawn. And he finds a couple of places (Erie, PA) where zones are actually doing what they were supposed to, a lesson on how a better designed program might have helped more left-behind places. But what Wessel reveals is the gritty reality: The dark underbelly of a system tilted in favor of the few, with the many left out in the cold

How You Can Achieve Financial Freedom in Five Years
