RODGERS ERNESTO

His Royal Secret Open Road Media

In an era when human lives are increasingly measured and weighed in relation to the medical and scientific, notions of what is “normal” have changed drastically. While it is no longer useful to think of a person’s particular race, gender, sexual orientation, or choice as “normal,” the concept continues to haunt us in other ways. In *The End of Normal*, Lennard J. Davis explores changing perceptions of body and mind in social, cultural, and political life as the twenty-first century unfolds. The book’s provocative essays mine the worlds of advertising, film, literature, and the visual arts as they consider issues of disability, depression, physician-assisted suicide, medical diagnosis, transgender, and other identities. Using contemporary discussions of biopower and biopolitics, Davis focuses on social and cultural production—particularly on issues around the different body and mind. *The End of Normal* seeks an analysis that works comfortably in the intersection between science, medicine, technology, and culture, and will appeal to those interested in cultural studies, bodily practices, disability, science and medical studies, feminist materialism, psychiatry, and psychology.

The Origin of the Distinction of Ranks Or, An Inquiry Into the Circumstances which Give Rise to Influence and Authority, in the Different Members of Society Taylor & Francis

Addresses key issues in understanding the decade 2008-2018 and its impact on the societies of the future. Brings together the articles of twenty-two prestigious international experts in different fields of thought. Through an informative approach, the essays form a transversal view of today's thinking. This is the tenth title of the Open Mind essay collection published by BBVA. A27.0We are living through years of great importance, marked by the unstoppable evolution of technology, science and the information society. This book brings together twenty-two essays written by prestigious researchers from the world's leading universities on areas as diverse as crucial to our future: climate change, artificial intelligence, economics, cyber-security and geopolitics, democracy, anthropology, new media, astrophysics and cosmology, nanotechnology, biomedicine, globalisation, gender theory and the cities of the future.

The Social Life of Coffee Samhain Publishing

Lord Perry Cavendish knows that he's seen as a not-too-bright, amiable, sporting sort of chap. The type who can hold his own in the boxing ring, drink most men under the table, and offer a useful opinion on a piece of horseflesh—but not much else. When Perry visits his friend, Lysander Winterbourne, he is introduced to the Honourable Jonny Mainwaring, a free-thinking artist who is everything Perry is not: unconventional, emotional... and very talkative. At first, Perry is

overwhelmed by the vibrant, witty Jonny Mainwairing, but when he agrees to sit for him, he discovers the real man beneath the dramatic flourishes, and the undeniable physical attraction he feels for Jonny begins to develop into something more. But Jonny is not to be easily won over. While he has a longstanding weakness for brawny men like Perry, he's still smarting from his latest heartbreak and determined to change his habit of throwing himself into each new affair without pausing to recover from the last. Can Perry convince Jonny that he is more than just an empty-headed young buck, and that they could have a real future together? *Unforgivable* University of Michigan Press

This groundbreaking study explores the later lives and late-life writings of more than two dozen British women authors active during the long eighteenth century. Drawing on biographical materials, literary texts, and reception histories, Devoney Looser finds that far from fading into moribund old age, female literary greats such as Anna Letitia Barbauld, Frances Burney, Maria Edgeworth, Catharine Macaulay, Hester Lynch Piozzi, and Jane Porter toiled for decades after they achieved acclaim -- despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions. Though these remarkable women wrote and published well into old age, Looser sees in their late careers the necessity of choosing among several different paths. These included receding into the background as authors of "classics," adapting to grandmotherly standards of behavior, attempting to reshape masculinized conceptions of aged wisdom, or trying to create entirely new categories for older women writers. In assessing how these

writers affected and were affected by the culture in which they lived, and in examining their varied reactions to the prospect of aging, Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works. In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life, Looser opens up new scholarly territory in the burgeoning field of feminist age studies. *Women Writers and Old Age in Great Britain, 1750-1850* Shambhala Publications

Debut author Annabelle Greene brings us the brilliant first book in her Society of Beasts series, in which a quiet country vicar is unwillingly reunited with the duke who left him long ago... As a young man, Sir Gabriel Winters left behind his status as a gentleman, turning his back on his secret desires and taking a self-imposed vow of celibacy. Now a chaste hard-working vicar, his reputation is beyond reproach. But, try as he might, he's never forgotten the man he once desired or the pain of being abandoned by his first love. Edward Stanhope, the Duke of Caddonfell, is a notorious rake, delighting in scandal no matter the consequence. With a price on his head, he flees to the countryside, forced to keep his presence a secret or risk assassination. When Edward finds Gabriel on his estate, burning with fever, he cannot leave him to die, but taking him in puts them both in jeopardy. With the help of a notorious blackmailer, a society of rich and famous gentlemen who prefer gentlemen, and a kitten named Buttons, they might just manage to save Edward's life—but the greatest

threat may be to their hearts. Society of Beasts: Book 1: The Vicar and the Rake
Book 2: The Soldier and the Spy
The Ruin of Gabriel Ashleigh Joanna Chambers

A comprehensive collection of classic texts, contemporary interpretations, guidelines for activists, issue-specific information, and materials for environmentally-oriented religious practice. Sources and contributors include Basho, the Dalai Lama, Thich Nhat Hanh, Gary Snyder, Chögyam Trungpa, Gretel Ehrlich, Peter Mathiessen, Helen Tworikov (editor of *Tricycle*), and Philip Glass.

Introducing Mr. Winterbourne Turner
He must master the wolf within...
Edinburgh, 1820. Thirty years after leaving Scotland, Drew Nicol is forced to return when the skeleton of a monster is found. The skeleton is evidence of werewolves—evidence that Marguerite de Carcassonne, the leader of Drew's pack, is determined to suppress. Marguerite insists that Drew accompany her to Edinburgh. There they will try to acquire the skeleton while searching for wolf-hunters—wolf hunters who may be holding one of their pack prisoner. But Drew has reason to be wary about returning to Edinburgh—Lindsay Somerville now lives there. Lindsay who taught Drew about desire and obsession. Lindsay who Drew has never been able to forgive for turning him. Lindsay who vowed to stay away from Drew twelve years ago... and who has since taken drastic steps to sever the bond between them. Marguerite's plan will throw Drew and Lindsay together again—and into a deadly confrontation with Lindsay's enemy, Duncan MacCormaic. They will be tested to their limits and forced to confront both their past mistakes and their true feelings. But it may be too late

for them to repair the damage of the past. The consequences of Lindsay's choices are catching up with him, and he's just about out of time...

Joanna Chambers

David Lauriston has been recuperating at Lord Murdo Balfour's Laverock estate for the last five months. At Laverock, he has regained his health and confidence and has found—with Murdo—more happiness and contentment than he has never known before. David is all too aware that some day soon he will have to leave Laverock—and Murdo—and return to his legal practice in Edinburgh, just as Murdo will have to return to his life in London. But when David's mentor, Patrick Chalmers, asks David to return to Edinburgh to visit him on his deathbed, it seems that day has come sooner than either David or Murdo would have wished. Chalmers begs David to undertake one last piece of business for him: to secure the future of Chalmers's daughter Elizabeth. But to carry out his old mentor's wishes, David must travel to London, with Murdo. No sooner have the two men arrived in the capital than they encounter Murdo's ruthlessly manipulative father, who reveals a shocking secret that rocks David to his foundations. What's more, when David discovers Elizabeth is facing far greater danger than even her father feared, he is determined to help her, no matter the cost to his own safety. As the stakes rise, it is Murdo who must choose what he is prepared to sacrifice to keep David at his side, and ask whether there is any possibility of lasting happiness for men like them.

A Gathering Storm Nielsen

A history of the common people and the Industrial Revolution: "A true masterpiece" and one of the Modern Library's 100 Best Nonfiction Books of the twentieth century (Tribune). During the formative years of the Industrial Revolution, English workers and artisans claimed a place in society that would shape the following centuries. But the capitalist elite did not form the working class—the workers shaped their own creations, developing a shared identity in the process. Despite their lack of power and the indignity forced upon them by the upper classes, the working class emerged as England's greatest cultural and political force. Crucial to contemporary trends in all aspects of society, at the turn of the nineteenth century, these workers united into the class that we recognize all across the Western world today. E. P. Thompson's magnum opus, *The Making of the English Working Class* defined early twentieth-century English social and economic history, leading many to consider him Britain's greatest postwar historian. Its publication in 1963 was highly controversial in academia, but the work has become a seminal text on the history of the working class. It remains incredibly relevant to the social and economic issues of current times, with the Guardian saying upon the book's fiftieth anniversary that it "continues to delight and inspire new readers."

Towards a New Enlightenment?

Joanna Clark

Tormented by his forbidden desires for other men and the painful memories of the childhood friend he once loved, lawyer David Lauriston tries to maintain a celibate existence while he forges his

reputation in Edinburgh's privileged legal world. But then, into his repressed and orderly life, bursts Lord Murdo Balfour. Cynical, hedonistic and utterly unapologetic, Murdo could not be less like David. And as appalled as David is by Murdo's unrepentant self-interest, he cannot resist the man's sway. Murdo tempts and provokes David in equal measure, forcing him to acknowledge his physical desires. But Murdo is not the only man distracting David from his work. Euan MacLennan, the brother of a convicted radical David once represented, approaches David to beg him for help. Euan is searching for the government agent who sent his brother to Australia on a convict ship, and other radicals to the gallows. Despite knowing it may damage his career, David cannot turn Euan away. As their search progresses, it begins to look as though the trail may lead to none other than Lord Murdo Balfour, and David has to wonder whether it's possible Murdo could be more than he seems. Is he really just a bored aristocrat, amusing himself at David's expense, or could he be the agent provocateur responsible for the fate of Peter MacLennan and the other radicals?

Penguin

After a traumatic illness robs her of her looks, Rose Davenport has little expectation of making a good marriage—until her feckless father, Miles, unexpectedly brokers a dazzling match for her with the heir to the Earl of Stanhope. Unfortunately, the marriage doesn't live up to her hopes. Instead of the kindly bridegroom she's expecting, Rose gets a sullen young husband who can barely stand to look at her. Gil Truman is in love with the beautiful Tilly when his father informs him that he

must instead marry plain, sickly Rose. Forced to agree to the marriage to recover the family fortune his father lost to Miles Davenport in a game of cards, Gil is bitter and heartbroken. Their wretched wedding trip ends with him abandoning Rose at his remote Northumbrian estate, intending never to return. After five years of exile, Rose loses patience and travels to London to make a bid at seducing her errant, faithless husband. But their first encounter at a masked ball changes everything. When Rose learns the secret truth of how Gil was blackmailed into their marriage, her appetite for revenge dissolves. It's too late to turn back, though. Their night of passion has had consequences that force Rose to confront Gil again. Gil's discovery that the lovely, masked stranger he fell for is none other than his own wife, leaves him feeling sick and betrayed. As for Rose, she has deep wounds of her own from years of Gil's neglect. With such unpromising beginnings, can Rose and Gil make any kind of life together? Or are some wrongs too painful to ever be forgiven?

Master Wolf Lifeway Church Resources "Sebastian proves she is a new force to be reckoned with in historical romances."--Booklist Some of Ben Sedgwick's favorite things: Helping his poor parishioners Baby animals Shamelessly flirting with the handsome Captain Phillip Dacre After an unconventional upbringing, Ben is perfectly content with the quiet, predictable life of a country vicar, free of strife or turmoil. When he's asked to look after an absent naval captain's three wild children, he reluctantly agrees, but instantly falls for the hellions. And when their stern but gloriously handsome father arrives, Ben is tempted in ways

that make him doubt everything. Some of Phillip Dacre's favorite things: His ship People doing precisely as they're told Touching the irresistible vicar at every opportunity Phillip can't wait to leave England's shores and be back on his ship, away from the grief that haunts him. But his children have driven off a succession of governesses and tutors and he must set things right. The unexpected presence of the cheerful, adorable vicar sets his world on its head and now he can't seem to live without Ben's winning smiles or devastating kisses. In the midst of runaway children, a plot to blackmail Ben's family, and torturous nights of pleasure, Ben and Phillip must decide if a safe life is worth losing the one thing that makes them come alive.

The First Snow of Winter Hachette Books

This first report deals with some of the major development issues confronting the developing countries and explores the relationship of the major trends in the international economy to them. It is designed to help clarify some of the linkages between the international economy and domestic strategies in the developing countries against the background of growing interdependence and increasing complexity in the world economy. It assesses the prospects for progress in accelerating growth and alleviating poverty, and identifies some of the major policy issues which will affect these prospects.

Between the Lines HarperCollins

Lysander Winterbourne appears to lead a charmed life. Handsome, amiable, and a renowned sportsman, he is the darling of London society. As far as Adam Freeman is concerned though, Lysander is just another spoiled aristocrat. A wealthy mill owner, Adam has no time for the frivolous world of the ton, but

when his younger brother becomes engaged to Althea Winterbourne, he reluctantly agrees to be introduced to society—with the Winterbourne clan's golden boy as his guide. Resigning himself to a few days of boredom, Adam is surprised to learn that there is much more to Lysander than his perfect surface. But will Adam have the courage to introduce Lysander Winterbourne to his own secret self?

Mr. Winterbourne's Christmas Good Press

The Prince of Wales meets his match in the first novel in an enchanting male/male romantic duology from the author of *Asking for More* and *Begging for It...* James, the handsome, cosmopolitan Prince of Wales, is used to being in the public eye. But he's keeping a king-sized secret... James, next in line for the throne, is gay. He's been able to hide his sexual orientation with the help of his best friend and beard, Lady Cassandra. Sometimes he feels like a coward for not coming out, but he daren't risk losing the crown. If he did, the succession would fall on his deeply troubled younger sister, Princess Amelia. To protect her, James is willing to live a lie. While on holiday, he meets Benjamin Dahan—a rugged international reporter with a globe-trotting, unattached life—who catches far more than James's eye. And when Ben is transferred to London, it seems fate may finally be smiling on James. But what began as a torrid fling grows into something far more intimate and powerful. Soon James will have to decide who he is, what he wants from life and love, and what he's willing to sacrifice for the truth...

Enlightened Routledge

An elegant werewolf in Edinburgh... 1788. When Lindsay Somerville, the most elegant werewolf in Paris, learns

that the man who held him in abject captivity for decades is on his way to France, intent on recapturing him, he knows he must leave the Continent for his own safety. Lindsay cannot take the risk of being recaptured—he may have been free for a century but he can still feel the ghost of his old chains under his fine clothes. ... on a mission... While he's in Edinburgh, Lindsay has been tasked with acquiring the "Naismith Papers", the writings of a long-dead witchfinder. It should be a straightforward mission—all Lindsay has to do is charm an elderly book collector, Hector Cruikshank. But Cruikshank may not be all he seems, and there are others who want the papers. ... meets his match As if that were not enough, while tracking down the Naismith Papers, Lindsay meets stubborn architect Drew Nicol. Although the attraction between them is intense, Nicol seems frustratingly determined to resist Lindsay's advances. Somehow though, Lindsay can't seem to accept Nicol's rejection. Is he just moonstruck, or is Nicol bonded to him in ways he doesn't yet understand? Note: this story continues and completes in the second book in this series, *Master Wolf*.

The Spell of the Sensuous Joanna Chambers

Winner of the International Lannan Literary Award for Nonfiction Animal tracks, word magic, the speech of stones, the power of letters, and the taste of the wind all figure prominently in this intellectual tour de force that returns us to our senses and to the sensuous terrain that sustains us. This major work of ecological philosophy startles the senses out of habitual ways of perception. For a thousand generations, human beings viewed themselves as part of the wider community of nature, and they carried

on active relationships not only with other people with other animals, plants, and natural objects (including mountains, rivers, winds, and weather patterns) that we have only lately come to think of as "inanimate." How, then, did humans come to sever their ancient reciprocity with the natural world? What will it take for us to recover a sustaining relation with the breathing earth? In *The Spell of the Sensuous* David Abram draws on sources as diverse as the philosophy of Merleau-Ponty, Balinese shamanism, Apache storytelling, and his own experience as an accomplished sleight-of-hand of magician to reveal the subtle dependence of human cognition on the natural environment. He explores the character of perception and excavates the sensual foundations of language, which--even at its most abstract--echoes the calls and cries of the earth. On every page of this lyrical work, Abram weaves his arguments with a passion, a precision, and an intellectual daring that recall such writers as Loren Eiseley, Annie Dillard, and Barry Lopez.

Enemies Like You Joanna Chambers

"I want you to work with me, Mr. Hearn. And I'm not generally considered to be

the sort of man who'll take no for an answer." Grief-stricken after the death of his twin brother, unconventional scientist Sir Edward 'Ward' Carrick retreats to Trevathany, a remote village in Cornwall, to continue his work exploring the veil between the physical and spiritual worlds. In Trevathany, he meets Nicholas Hearn, land steward to the Tremain family. When Ward learns that Nick's Romany mother was believed to be clairvoyant--and that Nick himself may have seen a ghost as a child--he becomes convinced that Nick is the perfect test subject for his work. Unfortunately, Nick is unwilling to participate in Ward's experiments. However, as luck would have it, Ward finds himself in a position to force Nick to cooperate... It's an inauspicious start. Nick is furious at having his hand forced by a high-handed aristocrat, while Ward grows increasingly frustrated at his lack of progress with his work. And yet, as the two men gradually learn more about one another--and discover their mutual physical attraction--they begin to form an undeniable bond. But how strong is that bond? Is their fragile connection deep enough to withstand the gathering storm of Ward's growing obsession and Nick's doubts?
