Putting the Four Blood
Moons and God'S
Festivals in Context

HarperCollins

The latest craze in Bible prophecy is the four blood moons and the Lords feast days. No doubt

these are important biblical signposts. However, these signposts do not provide the all-important context of relating to the timing of any specific biblical event (i.e., rapture of the church, Antichrist signing the seven-year covenant with Israel) and what do the four blood moons mean with regard to being

a harbinger or heralding a significant event in Israels history. In this riveting book, James Koontz examines what the great sign means with regard to providing context for the four blood moons and the Lords fall feasts. Since Christs resurrection and ascension, the all important question for His disciples and for many of

us now is when is Christ coming back for His bride? Additionally, when will the Antichrist sign the peace covenant with Israel, when will the great tribulation begin, and when will Christ's second coming be? These are all very important questions that the great sign helps us understand, being the key to unlocking Bible prophecy in our time. *Four Blood Moons Companion Study Guide and Journal* Lulu.com
In this classic of children's literature, beloved by generations of readers

and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of

all time, *Goodnight Moon* is a must for every bookshelf and a time-honored gift for baby showers and other special events.

Revealing the Prophetic Meaning Behind Events Leading to the Dawn of Eternity

Geiger

Are the blood moons of 2014-2015 portents of pending calamitous events in the Middle East? Are they true harbingers of doomsday? Is the apocalypse foretold in the books of Daniel and Revelation coming to pass

in our lifetime? Just how important is belief in the return of Jesus Christ to the Christian faith? Does Bible Prophecy have any relevance to the way Christians live their lives in the twenty-first century? What did Jesus mean by the coming of the Kingdom of God? Are there authentic heavenly signs of the apocalypse that can tell us when the end of the age is?S. Douglas Woodward, best-selling author of seven books on eschatology, theology, and the religious history of

America brings his acute analytical skill and decades of biblical study to the hot topic of the 'blood moon' prophecies. His effort brings a mature, seasoned perspective to this subject and as such, delivers an enduring classic on eschatology destined to be a cherished inspirational resource and vital prophetic reference for many years to come. In *Blood Moon: Biblical Signs of the Apocalypse*, Woodward examines the Blood Moon Prophecy as articulated by Mark Biltz and John Hagee. He also

evaluates the criticisms of Mark Hitchcock and Chris White. Woodward finds a middle ground, identifying why the Blood Moon Prophecy is likely to be authentic, but cautions against accepting its validity without the test of time. Woodward points out many reasons to find cause for belief and many reasons that it legitimately could be questioned. Woodward evaluates the nature of biblical signs by studying the phrase signs and wonders as used in both the Old Testament

(Hebrew and Aramaic) and in the New Testament (Greek). He also evaluates the issues of whether biblical signs of the apocalypse must all be supernatural--showing why many may be 'natural' in terms of astronomical events that are unusual but not paranormal acts of God. The heart of the book, however, is an apologetic for why the study and adherence to the Kingdom of God (and the apocalypse it implies) is mandated by the words of Jesus Christ. His

followers MUST keep watch--always. He finds surprising corroboration in modern liberal theology and disconcerting denials in evangelicalism. Woodward professes belief in the Pre-Tribulation Rapture of the Church. In Blood Moon, he argues forcefully for this interpretation of the Second Coming of Jesus Christ, yet shows respect for alternative views not in agreement with his. Likewise, Woodward affirms faith in what is known as the 'Ruin and Restoration' Theory for

God's creation (aka The Gap Theory). Readers will find substantial evidence for this point of view from an analysis of 2 Peter's statement concerning 'scoffers' in the last days and why Peter used this perspective to strengthen the argument for the apocalypse and the coming of Christ to establish His Kingdom here on earth. Blood Moon is a consummate prophecy book--perhaps the most well-written argument for the importance of biblical prophecy to the Christian

faith that has been written in the past several decades. After reading this book, those fascinated by eschatology will understand exactly why their preoccupation with prophetic subjects is perfectly in line with the admonitions of the gospel. Of all the books on the blood moon prophecy, Woodward's will be the most memorable and influential over the long term. It is a must read for all students of eschatology. Like his other books, readers will want to return to it again

and again, not because it is hard to follow, but because it is jam packed with so much information. *Battle of the Blood Moons* Charisma Media
A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule

Blood Moon Ambassador International
If anyone had good reason to join the league of the "Nones," the

"Dones," and the deconstructionists, it would be Zach Hoag. After growing up and out of the compound walls of a Texas cult, and becoming a failed church planter in one of the most post-Christian cities in America, Zach was faced with both a crisis and a choice. He loved Jesus, yet questioned: If the church is such a broken system, is it really worth belonging to anymore? The viral upswing of the "spiritual but not religious" trend has cast religion as going rapidly

out of style. Yet even in his own desert of deconstruction, Zach couldn't shake his desire for a spiritual home. His search ultimately led him to look behind the statistics, where Zach found an astonishing undercurrent subversively at work. The truth, as Zach discovered, is that we are in a cultural moment of apocalypse. Not an end-of-the-world apocalypse, but in the very literal sense of the word which translates simply, "a revealing." Perhaps the downtrend of

Christian faith in America is just the kind of Great Revealing we need to show us who we really are as American Christians, who Jesus really is in our midst, and how we can step into the flourishing faith he has always intended for us. For anyone who is anxious about the future of the church and their place in it, The Light Is Winning rallies to an unexpected, unshakeable hope: Could it be that we've made religion out to be the culprit when in fact, religion is just what we

need to revive us? Could it be that our struggle for relevance must come to a necessary end, so that we can get to the real? After all, isn't this the essence of the story of God: death paves the way for a resurrected, deeply rooted, flourishing faith. Such faith can be yours. The Light Is Winning will show you how.

and Worldwide Dynamic Theology has arrived, Here, just for you, are four volumes of exhaustive information that every student, teacher and interested person everywhere needs to know. Over 8000 defined words and phrases, 60 exploratory essays, and mini-sections of relational materials await. Before you know it, you'll be the best informed reader in your neighborhood and most of the next state over.

Goodnight Moon
 Penguin UK

Examines what the Bible says about the last days and whether the four blood moons that will occur during two significant Jewish festivals in 2014 and 2015 fit into the prophecy found in scripture.

[The Moon Is a Harsh Mistress](#) Lulu.com

We are conditioned to believe what is visible is more important than the invisible, we couldn't be more deceived; the visible world is less than one percent of our reality. In everyday life, there are creatures we cannot see,

demons hiding all around us, in an invisible realm. Humanity lies at the center of an interdimensional conflict as old as time. On one side stand the demons of the great void, corrupting, harvesting, and feeding on human souls. Arrayed against the darkness are the illumine races, beings of light residing in the eleventh dimension. Everyone on earth has a stake in this war. Knowingly or not, no one stays neutral. Humanity's every act shifts the balance in this unending

struggle, pushing further into the light—or pulling back into the darkness. In the midst of a messy divorce, Deidre Kollister discovers her sacred role in this hidden, vicious conflict. A sonic warrior of light, Deidre is one of twelve souls who agreed on a perilous mission before birth: to prevent the upcoming soul harvest, a terrible event set to begin with an ancient celestial sign. Twelve extraordinary people stand against a legion of interdimensional demons. The odds are

stacked against Deidre and her new allies. If they succeed, the world may finally find peace. If they fail, the ancient war will end with a demonic feeding frenzy and humanity's eternal enslavement.

A pastor argues that God uses certain celestial signs to communicate the coming of major events and explains what has been foretold. Original.
The Encyclopaedia

Britannica Createspace Independent Publishing Platform
 Full lunar eclipses are called blood moons and get their name because only the infrared band of light gets around the earth and bounces off the moon making it appear red. Throughout history, seven back-to-back, blood-red moons have fallen on the first day of Passover. Three of these occurrences were connected to some of the most significant days in Jewish history: 1492 (the final year of the Spanish

Inquisition), 1948 (statehood for Israel and the War of Independence) and 1967 (the Six-Day War). There are no solar or lunar accidents; every heavenly body is controlled by the unseen hand of God to send signals to humanity of coming events. The eighth occurrence of back-to-back blood moons will be during the sabbatical year 2014/2015. In this riveting book, Hagee explores what these upcoming blood moons mean, and why its critical Christians

understand what these signs mean both for Israel and the world.

Could Jesus's words in Matthew 24 be happening now? Do science and current events support this prophecy? Do Russia, China, Iran, and the pope play a significant role in bringing it all about? Do you believe God gives us harbingers before he puts his plan into action? Are the signs here, and is the time now? This book connects all the dots in a

prudent and informative manner as we weave through the clues together to conclude, Is Christ's Return Near? **Something is About to Change** The Rosen Publishing Group, Inc The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an

introduction by Will Self. **The Osage Murders and the Birth of the FBI** Zondervan "The blood moons do not signify the end of the world ... but they have always been associated with events that change the face of our world." -- Dr. Judah Arcadia At the time of completion of this short guide to understanding the blood moons, the last of the 4 blood moon eclipses of 2014-2015 has just gone by and a few media networks are already mocking the prophetic

importance of the blood moon signs, suggesting that they were meaningless events. They couldn't be more wrong. The global changes foretold by the blood moon eclipses are only just beginning now. Over the coming months our generation will live through world events so astounding, that they will burn themselves into the annals of history, never to be forgotten. In this breakthrough analysis, the mysteries of the four 2014-2015 blood moon eclipses are torn open to

reveal what will happen to our world in the coming months. Additionally, the messages contained in the prior blood moon eclipse events of 1967-68 and 1949-1950 are revealed in detail. The prophetic warnings within these prior blood moon tetrads went unnoticed and unheeded during those years, with tremendous loss of human life following. You will discover: The Key Principles for Decoding All of the Blood Moon Eclipse Tetrads Biblical "Babylon" Positively & Absolutely

Identified The True History of the Blood Moon Tetrads & How Our World Was Affected!

Understanding the

Blood Moons ABC-CLIO

Vast legions of gods, mages, humans, dragons and all manner of creatures play out the fate of the Malazan Empire in this first book in a major epic fantasy series The Malazan Empire simmers with discontent, bled dry by interminable warfare, bitter infighting and bloody confrontations with the formidable

Anomander Rake and his Tiste Andii, ancient and implacable sorcerers. Even the imperial legions, long inured to the bloodshed, yearn for some respite. Yet Empress Laseen's rule remains absolute, enforced by her dread Claw assassins. For Sergeant Whiskeyjack and his squad of Bridgeburners, and for Tattersail, surviving cadre mage of the Second Legion, the aftermath of the siege of Pale should have been a time to mourn the many dead.

But Darujhistan, last of the Free Cities of Genabackis, yet holds out. It is to this ancient citadel that Laseen turns her predatory gaze. However, it would appear that the Empire is not alone in this great game. Sinister, shadowbound forces are gathering as the gods themselves prepare to play their hand... Conceived and written on a panoramic scale, Gardens of the Moon is epic fantasy of the highest order--an enthralling adventure by an outstanding new voice.

A legendary vampire known as the Blood Countess journeys from her castle in the Carpathian Mountains to the glitter of the modern-day world of rock music, in search of a beautiful young woman named Chloe who is destined to become her faithful servant, but Chloe is

determined to stop the depraved huntress's evil, regardless of the personal cost. Original.

**Blood Moon
Redemption** Macmillan

As darkness fell across the globe on April 15, 2014, millions of people around the world turned their eyes toward the darkening night sky, anxious to see a Blood Moon fill the heavens. But this was no ordinary Blood Moon. The Blood Moon appeared on the Feast of Passover, and was just the beginning of a rare astronomical event in

history ? the tetrad. According to NASA, the next Blood Moon in the tetrad will appear on October 8, 2014, during the Feast of Tabernacles. What does this mean, and why is this significant? Why does the Blood Moon look so red? Why are the Blood Moons mentioned in the Bible as a sign of the end times? Has this ever happened before, and will it happen again? Understanding the Blood Moons will answer these questions and more, and will help you to discover the historical and

biblical significance of this unfolding event. This easy-to-understand presentation of the Blood Moon tetrad phenomenon will bring new insight as you explore this mystery of the heavens and its relevance to the times in which we live.

The Blood Moons Prophecy, Jerusalem And 2017 Worthy Books
Solar and lunar eclipses have both frightened and fascinated humans for thousands of years. Perhaps it's because they are one of the few events in the universe that can

be seen so dramatically from Earth. This exciting and informative book describes what happens during an eclipse and why. Readers will delight in the clear, easy-to-understand text and vibrant photographs.

Killers of the Flower Moon Pinnacle Books
"...There will be signs in the sun, in the moon, and in the stars...Now when these things begin to happen, look up and lift up your heads, because your redemption draws near." Luke 21:25a, 28 It is rare that Scripture,

science, and history align with each other, yet the last three series of Four Blood Moons have done exactly that. Are these the "signs" that God refers to in His Word? If they are, what do they mean? What is their prophetic significance? *God's End-Time Calendar*
 Wnd Books
 Finalist for the Pulitzer Prize and the National Book Critics Circle Award
 A New York Times Notable Book *Winner of the Texas Book Award and the Oklahoma Book Award* This New York

Times bestseller and stunning historical account of the forty-year battle between Comanche Indians and white settlers for control of the American West "is nothing short of a revelation...will leave dust and blood on your jeans" (The New York Times Book Review). *Empire of the Summer Moon* spans two astonishing stories. The first traces the rise and fall of the Comanches, the most powerful Indian tribe in American history. The second entails one of the most remarkable

narratives ever to come out of the Old West: the epic saga of the pioneer woman Cynthia Ann Parker and her mixed-blood son Quanah, who became the last and greatest chief of the Comanches. Although readers may be more familiar with the tribal names Apache and Sioux, it was in fact the legendary fighting ability of the Comanches that determined when the American West opened up. Comanche boys became adept bareback riders by age six; full

Comanche braves were considered the best horsemen who ever rode. They were so masterful at war and so skillful with their arrows and lances that they stopped the northern drive of colonial Spain from Mexico and halted the French expansion westward from Louisiana. White settlers arriving in Texas from the eastern United States were surprised to find the frontier being rolled backward by Comanches incensed by the invasion of their tribal lands. The war with the Comanches

lasted four decades, in effect holding up the development of the new American nation. Gwynne's exhilarating account delivers a sweeping narrative that encompasses Spanish colonialism, the Civil War, the destruction of the buffalo herds, and the arrival of the railroads, and the amazing story of Cynthia Ann Parker and her son Quanah—a historical feast for anyone interested in how the United States came into being. Hailed by critics, S. C. Gwynne's account of

these events is meticulously researched, intellectually provocative, and, above all, thrillingly told. Empire of the Summer Moon announces him as a major new writer of American history. *Farmers' Almanac 2008* Canongate Books An ancient relic, a puzzling prophecy, and a young woman tied together through the ages . . . Throughout history, blood moons have always been surrounded by persecution and provision, great trials and triumphs. The blood moons of

1493-1494 provided a new world for the Jewish people. In 1949-1950, the blood moons gave them Israel, and the following eclipses presented the Jewish people Jerusalem in 1967-1968. Now a new set of blood moons is on the horizon, and Tassie's family is certain they will bring about great change.

Tassie, named for a lost religious relic, has her sights set on her career and love, and she doesn't have time for silly children's stories. Dismissing the blood moons as circumstance, her unbelief threatens to keep her from her destiny. When Tassie finds herself in the center

of worldwide turmoil and a terrorist plot, can she accept her family history and fulfill her place in the future of Israel? Or will the country of her heritage finally fall to its many enemies? Blood Moon Redemption is an end-times thriller that will keep you riveted until the very last moonrise.
