The Witness of the Stars Thomas Nelson Publishers
With a surprising number of people professing a belief that we are living in the Biblical End Times, this lively 1902 deconstruction of the Book of Revelation is even more relevant than ever. Analyzing the final chapters of the Bible on a verse-by-verse basis-and finding much to be contentious about, particularly when it

comes to other interpretations of the book-Bullinger reveals a powerful, devotional way to approach Revelation. British clergyman ETHELBERT WILLIAM BULLINGER (1837-1913) was one of the most respected Bible scholars of the 19th century. He is author of numerous works including *Great Cloud of Witnesses* and *How to Enjoy the Bible*.

[KJV, The King James Study Bible, Full-Color Edition](#) Thomas Nelson The Bible is the story of God's interaction with his creation. It is a story that occurs over time, in many places, and through many events. It includes the lives and lessons learned by many people from many

cultures. It's often easy to lose sight of the way in which God's story fits together when our primary way of looking at the Bible is a bit here and a bit there.

Holy Bible New King James Version

Thomas Nelson
 Oxford is proud to

publish a limited edition of the 1611 text of the King James Bible, with real leather binding, gilt edging, ribbon marker, gift presentation plate, and protective cloth slipcase. This is the most authoritative edition of the King James Bible available. The text of the 1611 edition differs from modern editions of the King James Version in thousands of details, and this edition is the most authentic version of the original text that has ever been published. It follows the 1611 text page-for-page and line-for-line, reproducing all misprints rather than correcting them. The volume also reprints the large body of

preliminary matter, which includes genealogies, maps, and lists of readings, as well as the translator's preface to the reader. The text features an easy-to-read modern font instead of the black-letter type of the original, with the exception of the original decorative letters and early page ornaments, which have been reproduced. The volume concludes with an essay by Renaissance Studies expert, Gordon Campbell, on the first edition of the King James Bible. This beautiful Anniversary Edition is an elegant keepsake as well as a marvelous gift for anyone interested in the Bible.
