Back to Basics Crossway
This Collection bundles
two of popular and
accessible theologian R.
C. Sproul's works into one
e-book for a great value!
The Holiness of God

Central to God's character
is the quality of holiness.
Yet, even so, most people
are hard-pressed to define
what God's holiness
precisely is. Many
preachers today avoid the
topic altogether because
people today don't quite
know what to do with
words like "awe" or
"fear." R. C. Sproul, in this
classic work, puts the

holiness of God in its
proper and central place
in the Christian life. He
paints an awe-inspiring
vision of God that
encourages Christian to
become holy just as God
is holy. Once you
encounter the holiness of
God, your life will never
be the same. Chosen by
God With nearly 200,000
copies sold in its 25 years,

Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists, says Sproul. It is a doctrine for all biblical Christians. In this updated and expanded edition of Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to

see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

Truth and Trust Wm. B. Eerdmans Publishing
To be renewed in mind involves thinking beyond the way the world does, and R. C. Sproul shows us how this transformation works. It means believing the very essence of Christian thought and faith, which is summarized in the Apostles' Creed. To lead readers toward renewing their minds, R. C. Sproul

follows the outline of the creed while presenting the theology that you, and your congregation, need to know.

The morning star of the Reformation: the life and times of John de Wycliffe
Crossway
Presents a clear, commonsense approach to studying Scripture
Includes eleven practical rules for biblical interpretation
The Bible is the written Word of God, and it is treasured by many. But it is also an ancient book about people and cultures very

different from us. Thus, while we know we should read it, many of us have a hard time understanding the Bible. In this updated edition of *Knowing Scripture*, R. C. Sproul helps us dig out the meaning of Scripture for ourselves. The author says, "The theme of this book is not how to read the Bible but how to study the Bible." He presents in simple, basic terms a commonsense approach to studying Scripture, and gives eleven practical guidelines for biblical interpretation and

applying what we learn. *Knowing Scripture* is a basic book for both beginning Bible readers and experienced students of Scripture.

A Biblical Theology of Mystery Baker Publishing Group

This book discusses the concept of the self-convincing authority of Scripture in the historical development of Reformed theology and advocates an emphasis on the autopsistia in a postmodern context, because truth and trust are inseparable.

Drawn into Controversie
Cambridge University Press

For those who yearn for a deeper walk of faith, their journey can begin here. Dr. R. C. Sproul takes theology down from the dusty shelves of theological libraries and expounds in clear and simple terms more than one hundred major Christian doctrines. He offers readers an essential understanding of the Christian faith that will kindle a lifelong love for truth, which is foundational to maturity

in Christ. Here are theologically sound explanations of the biblical concepts every Christian should know, written in a way that we all can understand. Sproul's homespun analogies and illustrations from everyday life make this book interesting, informative, and easy to read.

Everyone's a Theologian P & R Publishing

"Here is catechesis at its best, instructing the student of theology, providing pastors with a

sermon-enriching manual, and giving growing Christians a resource book that will both inform and nourish them, as well as provide endless theological enjoyment!"
—Sinclair B. Ferguson, Chancellor's Professor of Systematic Theology, Reformed Theological Seminary; Teaching Fellow, Ligonier Ministries
The aim of systematic theology is to engage not only the head but also the heart and hands. Only recently has the church compartmentalized these aspects of life—separating

the academic discipline of theology from the spiritual disciplines of faith and obedience. This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights—characterized by a simple, accessible, comprehensive, Reformed, and experiential approach. In this volume, Joel R. Beeke and Paul M. Smalley unpack the work and role of the Holy Spirit (Pneumatology) and salvation (soteriology).

The authors examine the Holy Spirit's role in the history of salvation, the order of salvation, and the believers' experience of salvation. As readers consider the interrelationship between the Spirit and salvation, they are invited to explore the direct activity of the Lord in their lives for their salvation.

Revelation and God
Zondervan Academic

R. C. Sproul has committed his life to clearly communicating deep, practical truths from God's Word to

students and laypeople. His lucid teaching style brings clarity to the most difficult--and often contentious--biblical and theological questions. Gathered here in one volume are three of his best-selling books--over \$40 worth of reading at a great low price. From Rudolf Otto's "mysterium tremendum" to Martin Luther's "insanity" and Jonathan Edwards's fiery sermons, Sproul's classic "The Holiness of God" illuminates history and Scripture to help readers understand--and

live with--the tension that exists between God's terrifying holiness and his inexplicable grace. In "Chosen by God," Sproul tackles the divisive subject of predestination, and discusses God's sovereignty and the problem of evil, human freedom, and the task of evangelism. He explains that there is a mystery in God's ways but not contradiction; and paints a picture of a loving--not spiteful or whimsical--God who provides redemption for radically corrupt people. "Pleasing God"

explores the topic of sanctification--how we satisfy God by pursuing righteousness. Sproul examines the constant battle Christians wage against sin--pride, slothfulness, dishonesty. He reveals how many Christians have tragically abandoned the struggle, but that God delights in those who press on. Although Sproul brings a Reformed background and approach to topics, his work is not just for Calvinists but for all Christians who want to understand and build on

the foundations of their faith.

Understanding the Classic Reformed

Doctrine Vandenhoeck & Ruprecht

First published in 1941, this is the Fifth Edition of Loraine Boettner's 1932 publication *The Reformed Doctrine of Predestination* and is widely considered to be one of the 20th-century's most reasoned explanations of the sovereignty of God and the Reformed interpretation of salvation. "THE purpose of this book is not to set forth a new

system of theological thought, but to give a restatement to that great system which is known as the Reformed Faith or Calvinism, and to show that this is beyond all doubt the teaching of the Bible and of reason."—Loraine Boettner, Introduction
 "Whoever really wants to know what Calvinism teaches cannot do better than to read this book from cover to cover".—United Presbyterian magazine
Grace Unknown Crossway
 Central to God's character

is the quality of holiness. Yet, even so, most people are hard-pressed to define what God's holiness precisely is. Many preachers today avoid the topic altogether because people today don't quite know what to do with words like "awe" or "fear." R. C. Sproul, in this classic work, puts the holiness of God in its proper and central place in the Christian life. He paints an awe-inspiring vision of God that encourages Christian to become holy just as God is holy. Once you

encounter the holiness of God, your life will never be the same.

A History of Its Modern Development

Reformation Trust
Publishing

The church needs good theology that engages the head, heart, and hands. This four-volume work combines rigorous historical and theological scholarship with application and practicality—characterized by an accessible, Reformed, and experiential approach. In this volume, Joel R. Beeke

and Paul M. Smalley explore the first two of eight central themes of theology: revelation and God.

Faith Seeking Understanding

InterVarsity Press

The Reformed Faith is a rich tapestry of biblical understanding that encompasses all of thought and life. Those who embrace that understanding find it to be practical and life-changing -- reformation for the sake of transformation. This book -- a call to rediscover the richness of the

Reformed faith -- provides in one volume a fresh and enlightening look at four crucial biblical concerns: Conversion; the Covenant; the Church; the Christian Life Book jacket.

An Introduction to Christian Theology

Baker Books

Nearly 200,000 copies sold! Chosen by God by Dr. R. C. Sproul is a contemporary classic on predestination, a doctrine that isn't just for Calvinists. It is a doctrine for all biblical Christians. In this updated and expanded edition of

Chosen by God, Sproul shows that the doctrine of predestination doesn't create a whimsical or spiteful picture of God, but rather paints a portrait of a loving God who provides redemption for radically corrupt humans. We choose God because he has opened our eyes to see his beauty; we love him because he first loved us. There is mystery in God's ways, but not contradiction.

Reformed Systematic Theology, Volume 3
Baker Academic

For centuries, countless Christians have turned to the Westminster Standards for insights into the Christian faith. These renowned documents—first published in the middle of the 17th century—are widely regarded as some of the most beautifully written summaries of the Bible's teaching ever produced. Church historian John Fesko walks readers through the background and theology of the Westminster Confession, the Larger Catechism, and the

Shorter Catechism, helpfully situating them within their original context. Organized according to the major categories of systematic theology, this book utilizes quotations from other key works from the same time period to shed light on the history and significance of these influential documents. Reformed Theology Baker Books

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it

is. Some references to it have been positive, some negative. It appears to be important, and they'd like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is

centered on God, based on God's Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God's amazing grace. Willing to Believe Baker Academic

Many books aim to help beginners explore whether or not evolutionary science is compatible with Christian faith. This one probes more deeply to ask: What do we learn from modern evolutionary science about key issues that are

of special theological concern? And what does Christian theology, especially in its Reformed expressions, say about those same key issues? Gijbert van den Brink begins by describing the layers of meaning in the phrase “evolutionary theory” and exploring the question of how to interpret the Bible with regard to science. He then works through five key areas of potential conflict between evolutionary theory and Christian faith, spelling out scientific findings and analyzing

Christian doctrinal concerns along the way. His conclusion: although some traditional doctrinal interpretations must be adjusted, evolutionary science is no obstacle to classical Christian faith. *A Systematic Summary* Tyndale House Publishers, Inc. The Reformed tradition in the twenty-first century is increasingly diverse, dynamic, and deeply engaged in a wide variety of global and public issues, from the arts and business to immigration and race to poetry and

politics. This book brings together the insights of a diverse group of leading Reformed thinkers-- including Nicholas Wolterstorff, Makoto Fujimura, Bruce Ashford, John Witvliet, Ruben Rosario Rodriguez, and James K. A. Smith--to offer a contemporary vision of the depth and diversity of the Reformed faith and its global public impact. *Reformed Systematic Theology, Volume 1* Tyndale House Publishers, Inc. Five hundred years ago, the Reformers were

defending doctrines such as justification by faith alone, the authority of Scripture, and God's grace in salvation—some to the point of death. Many of these same essential doctrines are still being challenged today, and there has never been a more crucial time to hold fast to the enduring truth of Scripture. In *Reformation Theology*, Matthew Barrett has brought together a team of expert theologians and historians writing on key doctrines taught and defended by the

Reformers centuries ago. With contributions from Michael Horton, Gerald Bray, Michael Reeves, Carl Trueman, Robert Kolb, and many others, this volume stands as a manifesto for the church, exhorting Christians to learn from our spiritual forebears and hold fast to sound doctrine rooted in the Bible and passed on from generation to generation.

The Mystery of the Holy Spirit Crossway

A primer on Calvinism's five points and the Reformation's four solas.

Contributors are MacArthur, Ferguson, Horton, Robertson, Godfrey, Adams, Mathison, Wilson, and Murphy.

Renewing Your Mind Wm. B. Eerdmans Publishing

This volume provides an authoritative and detailed introduction to the doctrinal positions, central figures, and historic contexts of Reformed theology.

What is Reformed Theology? BRILL

Many people think eschatology refers to events occurring at the

end of history. In this book, two scholars with expertise in biblical eschatology argue that God's kingdom breaking into this world through Jesus Christ has inaugurated a new

creation, a reality that should shape pastoral leadership and be reflected in the life and ministry of the church. Brief and accessibly written, this book articulates the practical implications of G. K.

Beale's New Testament Biblical Theology and features an introductory chapter by Beale. Each chapter concludes with practical suggestions and a list of books for further study.
