Elvis: What Happened? is a book about the

personal life of singer Elvis Presley. The

book, which is based on the personal

accounts of three of Elvis' former

bodyguards, went into detail on the

singer's dangerous drug-dependence. His

death, only two weeks after the book's

publication in July 1977, made it highly

topical and helped boost its sales to over 3

million. The guards, Red West, his cousin

Sonny West, and David Hebler, had been
