The Score Simon and Schuster
 Many couples put more planning into the wedding ceremony than they do for what comes after the wedding. Intelligent, deliberate preparation for a lifetime of sexual leasure is a worthy investment you won't regret. In *Getting Your Sex Life Off to a Great Start*, renowned sexual counselors and best-selling authors Clifford and Joyce Penner guide you through an encouraging process that begins by dispelling sexual myths and then guides you in getting to know yourself and each other emotionally and physically. With reassuring enthusiasm and straightforward advice, the Penners show you how to clarify your expectations and pursue the joyous marital passion

described in Scripture. Through creative, step-by-step exercises and easy-to-understand examples, you'll learn how to: Design a successful honeymoon Prepare for your first sexual time together Choose and use family planning Create a mutually enjoyable wedding night Get past disappointments Keep the spark alive Thousands of couples have discovered the marvelous gift of a positive sexual relationship through the Penners' helpful books and enlightening seminars. As your wedding day nears-or even if you're already newlyweds-this extraordinary book will help you get your sex life off to a great start.

A Novel/ Thomas Nelson

In 2007, *Diary of a Wimpy Kid* was published, introducing readers to Greg Heffley and his family, his best friend Rowley Jefferson, and the dreaded Cheese Touch. More than 250 million copies later,

Diary of a Wimpy Kid has become a beloved book all around the world, and now, for the first time ever, Greg's diary-um, make that journal-is coming to life in a full-color, 3D animated Disney+ production. Whether you're meeting Greg for the first time or you're a lifelong fan of Jeff Kinney's hilarious series, you'll love diving into the Wimpy Kid universe. *The Invisible Orientation* Berkley
 From New York Times Bestselling Author, Penelope Douglas, comes the latest standalone love-hate romance... "We were perfect together. Until we met." Misha I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure

out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. Ryen He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+.

Gender Queer: A Memoir Deluxe Edition Createspace Independent Publishing Platform

"The universe is conspiring against Ava Breevort. When a last-ditch attempt to salvage her trip back home is thwarted by an arrogant Scotsman, their antagonism somehow lands them in bed for the steamiest layover Ava's ever had. And that's all it is--until Caleb Scott basically shows up on her doorstep. When pure chance pulls Ava back into Caleb's orbit, he proposes they enjoy their physical connection while he's stranded in Boston. Ava agrees, knowing her heart's in no danger since a) she barely likes Caleb and b) his existence in her life is temporary. But it turns out Caleb Scott isn't quite so unlikeable after all. When his stay in Boston becomes permanent, Ava must decide whether to fight her feelings for him or give into them. But even if she does decide to risk her heart on Caleb, there is no guarantee her stubborn Scot will want to risk his heart on her"--

Fix Her Up Penguin

"Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright sexy. It's a recipe for the perfect love story." - Helena Hunting, New York Times bestselling author of Meet Cute A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle's

family runs the best home renovation business in town, but she picked balloons instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake about how much he wants her...

Sex and Philosophy Simon and Schuster Did you know that the clitoris has 8000 nerve endings, twice as many as the penis? Here is everything you've wondered about the female orgasm and how to make it happen. A witty, well-researched and revealing guide to giving your lover an orgasm every time. More than just foreplay, Ian Kerner argues that oral sex is the key to a great sex life for both partners. Short sections cover philosophy, technique, step-by-step instructions and detailed anatomical information, essential to both beginners and experienced lovers. It's time to close the sex gap and create a level playing field in the exchange of pleasure, and cunnilingus is far more than just a means for achieving this noble end; it's the cornerstone of a new sexual paradigm, one that exuberantly extols a shared experience of pleasure, intimacy, respect and contentment. It's also one of the

greatest gifts of love a man can bestow upon a woman.' Ian Kerner

The Science and Culture of Pain on Purpose Knopf

If you're interested in BDSM and culture - or if you just think sex is fascinating - then this book will inspire you and challenge you. * * * "I wish we could make it so everyone buying a copy of 'Fifty Shades of Grey' would also buy Clarisse Thorn's 'The S&M Feminist.'" ~ A.V. Flox, editor of BlogHer Love & Sex * * * Clarisse Thorn's writing has appeared across the Internet in places like The Guardian, AlterNet, Feministe, Jezebel, Time Out, The Rumpus, Ms., and The Good Men Project. This is a selection of her best articles, all in one place! Clarisse has delivered sexuality workshops and lectures across the world. In 2009, she created and curated the ongoing Sex+++ sex-positive documentary film series at Chicago's historic feminist site, Jane Addams Hull-House Museum. In 2010, she returned from working on HIV mitigation in southern Africa. She has also volunteered as an archivist, curator and fundraiser for that venerable S&M institution, the Leather Archives & Museum. This book includes Clarisse's commentary on her writing process. Plus, there are "study guides" to help readers get the most from each section! * * * "Clarisse isn't afraid to talk about her own experiences with BDSM, relationships, and sexual politics. But she's also not afraid to explore some of the issues around consent, violence, and safety that a lot of the kink cheerleaders would like to sweep under the rug. She brings a refreshing honesty to her writing that is often lacking. Add to that a deep commitment to feminism and sex-positivity, and you have an amazing combination. "The tension between kink and feminism is a tough one to hold onto and most people end up firmly in one camp or the other. What makes Clarisse's writing phenomenal is her steadfast refusal to avoid doing that. The clarity with which she discusses both sides without resorting to caricatures or stereotypes is simultaneously inspiring and challenging. If you're interested in either or both, I can't recommend her enough." ~ adult sex educator Charlie Glickman of Good Vibrations

Diary of a Wimpy Kid (BK1) Simon and Schuster

Hurt people hurt people. Say there was a novel in which Holden Caulfield was an alcoholic and Lolita was a photographer's assistant and, somehow, they met in Bright Lights, Big City. He's blinded by love. She by ambition. Diary of an Oxygen Thief is an honest, hilarious, and

heartrending novel, but above all, a very realistic account of what we do to each other and what we allow to have done to us.

 What if you weren't sexually attracted to anyone? A growing number of people are identifying as asexual. They aren't sexually attracted to anyone, and they consider it a sexual orientation—like gay, straight, or bisexual. Asexuality is the invisible orientation. Most people believe that “everyone” wants sex, that “everyone” understands what it means to be attracted to other people, and that “everyone” wants to date and mate. But that’s where asexual people are left out—they don’t find other people sexually attractive, and if and when they say so, they are very rarely treated as though that’s okay. When an asexual person comes out, alarming reactions regularly follow; loved ones fear that an asexual person is sick, or psychologically warped, or suffering from abuse. Critics confront asexual people with accusations of following a fad, hiding homosexuality, or making excuses for romantic failures. And all of this contributes to a discouraging master narrative: there is no such thing as “asexual.” Being an asexual person is a lie or an illness, and it needs to be fixed. In *The Invisible Orientation*, Julie Sondra Decker outlines what asexuality is, counters misconceptions, provides resources, and puts asexual people’s experiences in context as they move through a very sexualized world. It includes information for asexual people to help understand their orientation and what it means for their relationships, as well as tips and facts for those who want to understand their asexual friends and loved ones.

Women and Desire in the Age of Consent
 Elle Kennedy Inc.

#1 NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER * #1 INDIE NEXT PICK Named a Best Book of the Year: The Washington Post * NPR * The Atlantic * New York Public Library * Vanity Fair * PBS * Time * Economist * Entertainment Weekly * Financial Times * Shelf Awareness * Guardian * Sunday Times * BBC * Esquire * Good Housekeeping * Elle * Real Simple * And more than twenty additional outlets “Staggeringly

intimate...Taddeo spent eight years reporting this groundbreaking book.” —Entertainment Weekly “A breathtaking and important book...What a fine thing it is to be enthralled by another writer’s sentences. To be stunned by her intellect and heart.” —Cheryl Strayed “Extraordinary...This is a nonfiction literary masterpiece...I can't remember the last time a book affected me as profoundly as *Three Women*.” —Elizabeth Gilbert “A revolutionary look at women's desire, this feat of journalism reveals three women who are carnal, brave, and beautifully flawed.” —People (Book of the Week) A riveting true story about the sex lives of three real American women, based on nearly a decade of reporting. Lina, a young mother in suburban Indiana whose marriage has lost its passion, reconnects with an old flame through social media and embarks on an affair that quickly becomes all-consuming. Maggie, a seventeen-year-old high school student in North Dakota, allegedly engages in a relationship with her married English teacher; the ensuing criminal trial turns their quiet community upside down. Sloane, a successful restaurant owner in an exclusive enclave of the Northeast, is happily married to a man who likes to watch her have sex with other men and women. Hailed as “a dazzling achievement” (Los Angeles Times) and “a riveting page-turner that explores desire, heartbreak, and infatuation in all its messy, complicated nuance” (The Washington Post), Lisa Taddeo’s *Three Women* has captivated readers, booksellers, and critics—and topped bestseller lists—worldwide. Based on eight years of immersive research, it is “an astonishing work of literary reportage” (The Atlantic) that introduces us to three unforgettable women—and one remarkable writer—whose experiences remind us that we are not alone.

Come as You Are Good Sex Getting Off without Checking Out
 INSTANT NEW YORK TIMES BESTSELLER
 INSTANT USA TODAY BESTSELLER
 INSTANT #1 INDIE BESTSELLER From the New York Times bestselling author of *Red, White & Royal Blue* comes a new romantic comedy that will stop readers in their tracks... For cynical twenty-three-year-old August, moving to New York City is supposed to prove her right: that things like magic and cinematic love stories don't exist, and the only smart way to go through life is alone. She can't imagine how waiting tables at a 24-hour pancake diner and moving in with too many weird roommates could possibly change that. And there's certainly no chance of her

subway commute being anything more than a daily trudge through boredom and electrical failures. But then, there's this gorgeous girl on the train. Jane. Dazzling, charming, mysterious, impossible Jane. Jane with her rough edges and swoopy hair and soft smile, showing up in a leather jacket to save August's day when she needed it most. August's subway crush becomes the best part of her day, but pretty soon, she discovers there's one big problem: Jane doesn't just look like an old school punk rocker. She's literally displaced in time from the 1970s, and August is going to have to use everything she tried to leave in her own past to help her. Maybe it's time to start believing in some things, after all. Casey McQuiston's *One Last Stop* is a magical, sexy, big-hearted romance where the impossible becomes possible as August does everything in her power to save the girl lost in time. "A dazzling romance, filled with plenty of humor and heart." - Time Magazine, "The 21 Most Anticipated Books of 2021" "Dreamy, other worldly, smart, swoony, thoughtful, hilarious - all in all, exactly what you'd expect from Casey McQuiston!" - Jasmine Guillory, New York Times bestselling author of *The Proposal and Party for Two*

Tinderbox Houghton Mifflin Harcourt
 An Amazon Best Book of the Year optioned for television by Gabrielle Union! In a series of personal essays, prominent journalist and LGBTQIA+ activist George M. Johnson explores his childhood, adolescence, and college years in New Jersey and Virginia. From the memories of getting his teeth kicked out by bullies at age five, to flea marketing with his loving grandmother, to his first sexual relationships, this young-adult memoir weaves together the trials and triumphs faced by Black queer boys. Both a primer for teens eager to be allies as well as a reassuring testimony for young queer men of color, *All Boys Aren't Blue* covers topics such as gender identity, toxic masculinity, brotherhood, family, structural marginalization, consent, and Black joy. Johnson's emotionally frank style of writing will appeal directly to young adults.

The Love Hypothesis Scribe Publications
 SOON TO BE A MAJOR MOTION PICTURE—The #1 New York Times bestselling worldwide sensation with more than 12 million copies sold, “a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature”(The New York Times Book Review), now in paperback for the first time. For years, rumors of the “Marsh Girl” have haunted

Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. Where the *Crawdads* Sing is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

A Couple's Guide to Overcoming Disappointment, Avoidance, and Pressure Avid Reader Press / Simon & Schuster

Even though it feels like there's never enough time or energy, trust Annie and Doug...THERE IS! Creeping into middle age and saddled with work deadlines, child rearing, homemaking, and fourteen years of togetherness, an ordinary, happy but harried couple set an outlandish goal: to have sex for 101 consecutive days—no excuses (not even the flu, late-night child wanderings, or flat-out exhaustion). What ensued is by turns hilarious, tender, and seductive—including sexual romps in hotels, at an ashram, in a basement, and atop boulders, but most often in their own bedroom, which they dubbed the “sex den.” As Doug and Annie Brown literally screwed their way through months of a cold Colorado winter, they turned up the heat by attending the Adult Entertainment Expo in Las Vegas; taking Bikram “hot” yoga to get limber; and stocking up on candles, Viagra, lube, lingerie, and sex toys galore. In addition to the awe found in their ability to get it on day after day—and actually enjoy it—they were more surprised and touched by how much closer it made them. As Doug Brown lays everything bare, we get an inside look at the male mind and discover that a good husband and a good dad can also be one hell of a lover.

Chasing Day Seal Press

Includes an excerpt from *Love on the Brain*.

Three Women Hachette UK

A provocative, elegantly written analysis of female desire, consent, and sexuality in the age of MeToo. Women are in a bind. In the name of consent and empowerment,

they must proclaim their desires clearly and confidently. Yet sex researchers suggest that women's desire is often slow to emerge. And men are keen to insist that they know what women—and their bodies—want. Meanwhile, sexual violence abounds. How can women, in this environment, possibly know what they want? And why do we expect them to? In this elegant, searching book—spanning science and popular culture; pornography and literature; debates on Me-Too, consent and feminism—Katherine Angel challenges our assumptions about women's desire. Why, she asks, should they be expected to know their desires? And how do we take sexual violence seriously, when not knowing what we want is key to both eroticism and personhood? In today's crucial moment of renewed attention to violence and power, Angel urges that we remake our thinking about sex, pleasure, and autonomy without any illusions about perfect self-knowledge. Only then will we fulfil Michel Foucault's teasing promise, in 1976, that “tomorrow sex will be good again.”

Credence Simon and Schuster

“Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read” (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of

them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—“a profoundly genuine, gripping story that any reader can appreciate” (Vice). “In reading Garza's insight into her own experiences, we better understand ourselves” (The New York Times Book Review).

HBO's Ruthless Pursuit of New Frontiers Simon and Schuster

An exploration of why people all over the world love to engage in pain on purpose—from dominatrices, religious ascetics, and ultramarathoners to ballerinas, icy ocean bathers, and sideshow performers. Masochism is sexy, human, reviled, worshipped, and can be delightfully bizarre. Deliberate and consensual pain has been with us for millennia, encompassing everyone from Black Plague flagellants to ballerinas dancing on broken bones to competitive eaters choking down hot peppers while they cry. Masochism is a part of us. It lives inside workaholics, tattoo enthusiasts, and all manner of garden variety pain-seekers. At its core, masochism is about feeling bad, then better—a phenomenon that is long overdue for a heartfelt and hilarious investigation. And Leigh Cowart would know: they are not just a researcher and science writer—they're an inveterate, high-sensation seeking masochist. And they have a few questions: Why do people engage in masochism? What are the benefits and the costs? And what does masochism have to say about the human experience? By participating in many of these activities themselves, and through conversations with psychologists, fellow scientists, and people who seek pain for pleasure, Cowart unveils how our minds and bodies find meaning and relief in pain—a quirk in our programming that drives discipline and innovation even as it threatens to swallow us whole.

How One Couple Turned Off the TV and Turned on Their Sex Lives for 101 Days (No Excuses!) Kendall Ryan

The Wonder Years Daylen Daniels and Chase McCoy are as different as night and day. Chase is the beautiful golden boy. Gorgeous, popular, and the quarterback of the football team. Daylen is the quiet introvert. Lovely curves, shy, and sees herself as an orchestra geek. After Day moves next door to Chase, a run-in with a bully, a domestic dispute, and one treehouse hideout, an impenetrable bond is made. As they grow up, their attraction for each other grows with them, but is it strong enough to risk their friendship? A party, a little game of spin the bottle, and

a devious enemy could shake the very foundation of their friendship. Or it could start a tumultuous romance that spans decades. Take a journey with these two best friends through first love, heartbreak and tragedy from childhood to adulthood

as the two find that young love isn't as strong as they'd hoped. A story of true growing pains in...Chasing Day.
Mistakes Women Make in Relationships
Oni Press

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.
