*(PDF) The philosophy
of physical education:
A new perspective* The
Philosophy Of Physical
Education Theoretically,
physical education
philosophy is
something that each
school or teaching
institution should
develop individually.
When a child enters
the school they and
their parents should be
aware of the school's

policy over physical
education and sports;
the school themselves
have to place a lot of
importance on these
classes as well, and
give their students the
opportunity to find out
...The Philosophy of
Physical Education
The philosophy behind
physical education
entails principles that
teach students the
mechanics of physical
activity, why it's
important, and how
they can and should
remain physically
active on ...Goals &
