Friedrich Nietzsche (1844-1900) neobooks

Now a popular Netflix feature film, starring Jennifer Aniston, Danielle Macdonald, and Dove Cameron, as well as a soundtrack from Dolly Parton! The #1 New York Times bestseller and feel-good YA of the year—about Willowdean Dixon, the fearless, funny, and totally unforgettable heroine who takes on her small town’s beauty pageant. Self-proclaimed fat girl Willowdean Dickson (dubbed “Dumplin’” by her former beauty queen mom) has always been at home in her own skin. Her thoughts on having the ultimate bikini body? Put a bikini on your body. With her all-American beauty best friend, Ellen, by her side, things have always worked . . . until Will takes a job at Harpy’s, the local fast-food joint. There she meets Private School Bo, a hot former jock. Will isn’t surprised to find herself attracted to Bo. But she is surprised when he seems to like her back. Instead of finding new heights of self-assurance in her relationship with Bo, Will starts to doubt herself. So she sets out to take back her confidence by doing the most horrifying thing she can imagine: entering the Miss Clover City beauty pageant—along with several other unlikely candidates—to show the world that she deserves to be up there as much as any girl does. Along the way, she’ll shock the hell out of Clover City—and maybe herself most of all.

Die leidende und am Creutz sterbende Liebe Jesu MIRA

Raising My Rainbow is Lori Duron’s frank, heartfelt, and brutally funny account of her and her family’s adventures of distress and happiness raising a gender-creative son. Whereas her older son, Chase, is a Lego-loving, sports-playing boy’s boy, Lori’s younger son, C.J., would much rather twirl around in a pink sparkly tutu, with a Disney Princess in each hand while singing Lady Gaga’s "Paparazzi." C.J. is gender variant or gender nonconforming, whichever you prefer. Whatever the term, Lori has a boy who likes girl stuff—really likes girl stuff. He floats on the gender-variation spectrum from super-macho-masculine on the left all the way to super-girly-feminine on the right. He’s not all pink and not all blue. He’s a muddled mess or a rainbow creation. Lori and her family choose to see the rainbow. Written in Lori’s uniquely witty and warm voice and launched by her incredibly popular blog of the same name, Raising My Rainbow is the unforgettable story of her wonderful family as they navigate the often challenging but never dull privilege of raising a slightly effeminate, possibly gay, totally fabulous son. Now with Extra Libris material, including a reader’s guide and bonus content

A fictional diary set in interwar Germany and Spain allows us to peek into the life of Klara Philipsborn, the only Communist in her merchant-class, German-Jewish family. Klara’s first visit to Seville in 1925 opens her eyes and her spirit to an era in which Spain’s major religions, Judaism, Christianity, and Islam, shared deep cultural connections. At the same time, she is made aware of the harsh injustices that persist in Spanish society. By 1930, she has landed a position with the medical school in Madrid. Though she feels compelled to hide her Jewish identity in her predominantly Christian new home, she finds that she feels less “different” in Spain than she did in Germany, especially as she learns new ways of expressing her opinions and desires. And when the Spanish Civil War erupts in 1936, Klara (now “Clara”) enlists in the Fifth Regiment, a step that transports her across the geography of the embattled peninsula and ultimately endangers a promising relationship and even Clara’s life itself. A blending of thoroughly researched history and engrossing fiction, *Home So Far Away* is an epic tale that will sweep readers away.

Friedrich Nietzsche’s influence on the development of modern social sciences has not been well documented. This volume reconsiders some of Nietzsche’s writings on economics and the science of state, pioneering a line of research up to now unavailable in English. The authors intend to provoke conversation and inspire research on the role that this much misunderstood philosopher and cultural critic has played – or should play – in the history of economics.

Here are verse translations, with original texts on facing pages, of representative lyrics by ninety-nine poets of the German Baroque. At its original publication, this volume by Schoolfield presented many of the poets to an English-speaking audience for the first time. An extensive introduction discusses the Baroque culture of the German-language realm and brief biographies of the poets conclude the volume.

I was a dead woman. I'd finally had a glimpse of true love, admiration, and the kind of devotion only your soulmate, your other half, could provide...until it was physically ripped away. Taken. My stalker had me, and there was little hope I'd be found. I knew Chase would use all his money and resources to search the ends of the Earth for me, but I knew the monster I was dealing with. Years of looking into the eyes of pure evil gave me the unique experience to know that my situation was dire. If Chase didn't find me soon, I'd be gone forever. *** In the third and final novel in the erotic suspense, *Trinity Trilogy*, *SOUL* connects with the reader by providing the story through the eyes of Gillian, Chase, and the man that wants to own her soul but can't for she's already given it to another. Everyone is on the hunt to save Gillian from the arms of a killer. This book can be considered dark, erotic, and thrilling. As in *Body* (*Trinity Trilogy Book 1*) the issue of domestic violence plays heavily in the storyline, and Gillian experiences many disturbing flashbacks of the past alongside tragedy the stalker brings to the present. There is also a lot of love, devotion, and friendship. As with all my books, the characters will ultimately have their happily ever after. Warning: This book is designed for audiences 18+ due to language, graphic sexual content, and themes that some may find disturbing. *SOUL* is book 3 of a three-part trilogy. *Body* (*Trinity Trilogy - Book 1*) and *Mind* (*Trinity Trilogy - Book 2*) must be read prior to reading *SOUL*.

Truly Madly Famously Simon and Schuster

The Bestselling Author of *The Blessing Stone* and *Daughter of the Sun* She came to them from the sea, and to the sea they returned her. . . . A story of sacrifice and survival in the New World. Tonina lives an idyllic life on a small island in the Caribbean hundreds of years before Europeans discovered it. But she has always been an outsider among her people. Unlike them, Tonina is tall and lean and light skinned, and her origins remain a mystery. Her adoptive parents had found her floating in a basket in the sea—a sacrifice? A shipwreck? No one knows. When Tonina turns nineteen, her parents know she must return to the sea so that the gods don't become angry with the village for keeping something that is not theirs. Under the guise of finding a medicinal plant, they send Tonina to the mainland, a terrifying place she can't even imagine. They know, however, that they will never see her again. And here is where her adventure begins. It is a tale of survival and sacrifice, of luck, magic, intrigue, and danger, romance and betrayal, an epic filled with ancient lore, tales of bearded white men who sailed to this shore in giant ships, and discoveries of medicinal miracles in faraway places. But most of all, it's the story of one woman's quest to discover where—and to whom—she really belongs. This sweeping story of the undiscovered world before the time of Columbus is Barbara Wood at her very best.

Fans of *Divergent* will love Diana Peterfreund’s take on Jane Austen’s *Persuasion* set in a post-apocalyptic world. In the dystopian future of *For Darkness Shows the Stars*, a genetic experiment has devastated humanity. In the aftermath, a new class system placed anti-technology Luddites in absolute power over vast estates—and any survivors living there. Elliot North is a dutiful Luddite and a dutiful daughter who runs her father’s estate. When the boy she loved, Kai, a servant, asked her to run away with him four years ago, she refused, although it broke her heart. Now Kai is back. And while Elliot longs for a second chance with her first love, she knows it could mean betraying everything she’s been raised to believe is right. *For Darkness Shows the Stars* is a breathtaking YA romance about opening your mind to the future and your heart to the one person you know can break it.

Distinguished ethnomusicologist Philip V. Bohlman compiles Johann Gottfried Herder's writings on music and nationalism, from his early volumes of Volkslieder through sacred song to the essays on aesthetics late in his life, shaping them as the book on music that Herder would have written had he gathered the many strands of his musical thought into a single publication. Framed by analytical chapters and extensive introductions to each translation, this book interprets Herder's musings on music to think through several major questions: What meaning did religion and religious thought have for Herder? Why do the nation and nationalism acquire musical dimensions at the confluence of aesthetics and religious thought? How did his aesthetic and musical thought come to transform the way Herder understood music and nationalism and their presence in global history? Bohlman uses the mode of translation to explore Herder's own interpretive practice as a translator of languages and cultures, providing today's readers with an elegantly narrated and

exceptionally curated collection of essays on music by two major intellectuals.

Die anhaltende Zuwanderung Schutz suchender Flüchtlinge ist seit dem Jahr 2015 eines der zentralen politischen Themen in unserem Land und spaltet die deutsche Bevölkerung. Die Kluft zwischen Befürwortern der "Willkommenskultur" und Kritikern der unkontrollierten Zuwanderung wird dabei stetig größer. Peter Wolff fragt sich, warum dies so ist und stellt die Fragen , die einen großen Teil der deutschen Bevölkerung im Zusammenhang mit der deutschen und europäischen Flüchtlingspolitik beschäftigen. Sein Buch leistet Hilfestellung, um sich in den wesentlichen Fragen rund um die Flüchtlingspolitik eine sachlich fundierte Meinung bilden zu können und trägt so womöglich zu einer Entspannung zwischen Befürwortern und Gegnern der "Willkommenskultur" bei. Zudem deckt es Unzulänglichkeiten in der deutschen und europäischen Asylpolitik auf und versucht, Ansatzpunkte zur Verbesserung zu identifizieren.

Mason Starling is a champion fencer on the Gosforth Academy team, but she's never had to fight for her life. Not until the night a ferocious, otherworldly storm rips through Manhattan, trapping Mason and her teammates inside the school. Mason is besieged by nightmarish creatures more terrifying than the thunder and lightning as the raging tempest also brings a dangerous stranger into her life: a young man who remembers nothing but his name—the Fennrys Wolf. His arrival tears Mason's world apart, even as she feels an undeniable connection to him. Together, they seek to unravel the secrets of Fenn's identity as strange and supernatural forces gather around them. When they discover Mason's family—with its dark allegiance to ancient Norse gods—is at the heart of the mystery, Fennrys and Mason are suddenly faced with a terrifying future. Set against the gritty, shadowed back-drop of New York City, this first novel in award-winning author Lesley Livingston's epic Starling Saga is an intoxicating blend of sweeping romance and pulse-pounding action.
