 The textbook, *Conversational Italian for Travelers*, is a fun, friendly book, not formal like most language books, and teaches everything one needs to know to travel to Italy. If you want to really understand the Italian of today, you need this book! We learn language and culture as we follow the character Caterina in dialogues that detail her travels through Italy. As she boards planes, trains, and finally takes a ride in her cousin's car, we learn how to do these things in Italian. When she meets up with her Italian family, we learn the phrases of communicating with others, including what to say if you meet someone special, how to go shopping and how to use the telephone. Finally, Caterina goes on a trip to Lago Maggiore with her Italian family, and we learn phrases needed to stay at a hotel, go sight-seeing, and of course, go to the restaurant and order wonderful Italian food! Many Italian dishes commonly ordered in Italian restaurants are listed in the last three chapters of the book.
