The Instant Tin Whistle series is
designed to nurture the initial surge of
enthusiasm you may experience when
first playing the instrument, and has
been carefully designed to substantially
increase your chances of success. Pick
the book - Folk, Popular, Irish or Scottish
- in which you know the most tunes.

Each book features 26 well-known
melodies with every single note shown
by a special, easy-to-learn whistle
tablature as well as conventional
notation. The lessons are realistically
and steadily graded so as not to
overwhelm the student. Difficult
traditional dances tunes, music
particularly suited to the tin whistle, are
introduced only on the last few pages to
give a taste of things to come. Perfect
for individuals, groups, or schools
wanting to incorporate traditional music
into their curriculum. These tunes are
suitable for any melody instrument, but
the D tinwhistle is preferred. Lyrics,
guitar chords, illustrations, rudiments of
music (using the British naming system)
and chord charts are also included. A CD
is also included to assist in learning.

"Foundations for Superior Performance"
is designed to help structure the daily
rehearsal and advance the performance
level of the ensemble. The primary goal
is to offer a framework of exercises and
routine drills that will facilitate the
mastery of essential playing
fundamentals. Different skill levels have

been integrated into this book to meet the needs of the inexperienced player, and, at the same time, challenge the most advanced.
