For 30+ brand-new recipes and expanded 'Tips and Techniques', check out *The New Artisan Bread in Five Minutes a Day*, on sale now. This is the classic that started it all – *Artisan Bread in Five Minutes a Day* has now sold hundreds of thousands of copies. With more than half a million copies of their books in print, Jeff Hertzberg and Zoë François have proven that people want to bake their own bread, so long as they can do it easily and quickly. Crusty baguettes, mouth-watering pizzas, hearty sandwich loaves, and even buttery pastries can easily become part of your own personal menu, *Artisan Bread in Five Minutes a Day* will teach you everything you need to know, opening the eyes of any potential baker.

**Teeny-Tiny Quilts** Capstone

Do you love *Outlander*? Do you have Scottish heritage? Learn to make modern, graphic quilts based on the woven patterns of traditional tartans of Scotland! Though the interweaving of tartan colors can be complex, the author has simplified the instructions for easy piecing. Simply cut strips, make strip sets, and subcut sections to make pieces that you can sew together to create rows. With a range of project types for each tartan, from runners and throws to bed-size quilts, there's something for every quilter. Includes patterns for clans Elliot, Maxwell, Maitland, Barclay, Hannay, Macrae of Conchra, Fraser, and an original design, Amador, to honor the area where the author lives.

**American Nations** Oxford University Press, USA

The quilter, pattern designer, and author of *Patchwork City* offers 12 exciting new patterns designed to help you take your skills to the next level. Ready to go beyond the basics of creative quilting? In *Modern Patchwork*, pattern designer

Elizabeth Hartman will help you expand your skills with new techniques and twelve new and innovative quilt designs. The projects in *Modern Patchwork* are bold, bright, graphic, and designed to give modern quilters new challenges. Along with her stunning patterns, Hartman introduces new skills and methods like curved seam piecing, working with hexagons, and machine applique. Plus, each project includes additional colorways so you can have fun with all your favorite fabrics.

*That Perfect Stitch* Cambridge University Press

Explore new options in improvisational piecing and empower your creativity! Cut and combine solid-color fabrics to create your own "prints"—stripes, polka dots, chevrons, plaids, and more. Forget the rules (and even your ruler) as you piece colorful solids into compelling quilt designs. Use color, pattern, and repetition to develop your personal design aesthetic as you stitch freely to create unique quilts that pack a punch!

**What Happened** C&T Publishing Inc

The former White House press secretary examines how and why the Bush administration went awry, providing a look at George W. Bush and his top aides in terms of such crises as Hurricane Katrina, the Iraq war, and Washington's political infighting.

*Uglies* Allen & Unwin

Sew 13 scrappy quilts with color palettes so sophisticated, you won't believe they're from scraps! Blending the best of modern and traditional quilting, these projects pair fresh fabrics with classic block designs and trusted techniques. Learn to organize your fabric and choose winning color combinations. Each quilt features design notes to help you get the look you want when "shopping" your own stash. Ideal for confident beginners,

these patterns will keep your waste to a minimum and your creativity to a maximum.

*To Scotland With Love* Modern Scot Patchwork

Welcome to the charming Scottish seaside town of Gandiegow—where two people have returned home for different reasons, but to find the same thing.... Caitriona Macleod gave up her career as an investigative reporter for the role of perfect wife. But after her husband is found dead in his mistress's bed, a devastated Cait leaves Chicago for the birthplace she hasn't seen since she was a child. She's hoping to heal and to reconnect with her gran. The last thing she expects to find in Gandiegow is the Sexiest Man Alive! She just may have stumbled on the ticket to reigniting her career—if her heart doesn't get in the way. Graham Buchanan is a movie star with many secrets. A Gandiegow native, he frequently hides out in his hometown between films. He also has a son he'll do anything to protect. But Cait Macleod is too damn appealing—even if she is a journalist. Quilting with her gran and the other women of the village brings Cait a peace she hasn't known in years. But if she turns in the story about Graham, Gandiegow will never forgive her for betraying one of its own. Should she suffer the consequences to resurrect her career? Or listen to her battered and bruised heart and give love another chance?

*The Trouble With Scotland* Stewart, Tabori and Chang

Explains how anyone, even those who don't think they are 'creative' can confidently choose colours and patterns to create bold, easy-to-make quilts, perfect for today's busy craftspeople.

**Zen Chic Inspired** Jean Gill

Where is Jesus when we need him most?

An influential pastor shares how despair can lead us to discover true hope and a deeper relationship with God, helping us emerge stronger and more joyful from times of crisis. "May this careful look at pain in the context of Jesus's life open up avenues of discovery and healing."—Mindy Caliguire, cofounder and president of Soul Care We all experience difficulties and hardships. But how can we learn to live richly in the midst of them? And even grow spiritually because of them? The answer is found in the hopeful humanity of Jesus. As the Son of God, Jesus wasn't exempt from suffering, disappointment, or injustice. He lived in the real world as a real person. He wept for those he loved. He felt hunger and thirst. He endured temptation, betrayal, and ridicule. He died after being unjustly tortured. And somehow through it all, he embodied hope—by defeating death and opening a new world of life for us. In *Echoing Hope*, influential pastor and blogger Kurt Willems reveals how understanding the humanity of Jesus can radically transform our identity and empower us to step into our pain-filled world in a new way. Combining rich theological insight with personal stories and practices for response, he shows how we can overcome despair and encounter the beautiful potential of our lives.

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues

that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

**Modern Patchwork** Bantam Press

"The modern quilt movement is at its best when it finds creative ways to make classic techniques fit in with modern tastes. Bruecher has done just that."  
—Library Journal Fat Quarterly Magazine  
cofounder Tacha Bruecher takes a fresh look at an old favorite—English paper-pieced hexagons—with current fabrics and settings for quilts, table toppers, and more. Modern and traditional designs are both featured, including rosettes, stars, and free form. Learn how to combine settings and how to creatively quilt hexagons. Projects are varied for any skill level or time commitment—make a few hexagons, make a few more, or make few hundred. Making the individual hexagons is perfect for modern quilters on the go; the process is a terrific stash buster (and stress buster) that takes your priceless handwork from repetitive to remarkable!

"Tacha is an amazing quilter and crafter, and both her style and skill are presented beautifully in this book. Tacha is one of those talented crafters whose fabric choices and original patterns reflect the eye of a modern quilter, but who simultaneously pays homage to the history and traditions of quilting. The result is a beautiful book that is sure to become a classic!" —quiltdad.com

"What makes Tacha's book different and worth buying is that she has added a modern twist—with wonky piecing, white sashing, embroidery, raw-edge applique and a color palette and fabric choices that scream 'modern.'" —Australian Homespun Magazine

How I Became a Quant C&T Publishing Inc

Create modern quilted home decor for every room in your house! Showcasing the best of Modern Patchwork Magazine, Modern Patchwork Home features patterns from today's top designers. From quilts and runners to pillows and whimsical accessories, customizable carryalls to a cool yoga mat, you can create custom looks that showcase your favorite fabrics. Modern Patchwork Home includes everything you need to create custom modern home decor that showcases your one-of-a-kind style.

*Scrap Patchwork* Rowman & Littlefield  
Updated with information on the latest tools and materials, a guide for modern

hand quilters shares step-by-step photographs that demonstrate how to make small, high-quality quilting stitches. Original.

Modern Scot Patchwork C&T Publishing Inc

Overshot is perhaps the most iconic weaving technique--think antique coverlets and fancy table runners--yet many weavers are intimidated by its complex-looking structure. But it doesn't have to be difficult! In this book, Susan Kesler-Simpson makes overshot approachable by breaking it down piece by piece so that the weaver understand how it works, and then she puts it all back together so that weavers will have the confidence to make their own overshot patterns or to try any of the 38 overshot projects she has designed for the book. Weavers will learn: to understand overshot as a derivative of twill to understand the tie-up, placement of tabby in the tie-up, threading, and treadling how to choose threads for overshot how to use borders in your designs how to set up the loom for overshot how to work an overshot gamp

Projects include: Blankets Shawls Scarves Christmas ornaments Table runners Placemats Napkins Others

"Susan's explanations are to the point and easy to understand. When you read through the chapters, it's as if Susan is sitting there with you, telling you in a friendly voice how to weave overshot step by step."--excerpt from the Foreword by Tom Knisely

**Gourmet Game Night** Penguin

An illuminating history of North America's eleven rival cultural regions that explodes the red state-blue state myth. North America was settled by people with distinct religious, political, and ethnographic characteristics, creating regional cultures that have

been at odds with one another ever since. Subsequent immigrants didn't confront or assimilate into an "American" or "Canadian" culture, but rather into one of the eleven distinct regional ones that spread over the continent each staking out mutually exclusive territory. In *American Nations*, Colin Woodard leads us on a journey through the history of our fractured continent, and the rivalries and alliances between its component nations, which conform to neither state nor international boundaries. He illustrates and explains why "American" values vary sharply from one region to another. Woodard (author of *American Character: A History of the Epic Struggle Between Individual Liberty and the Common Good*) reveals how intranational differences have played a pivotal role at every point in the continent's history, from the American Revolution and the Civil War to the tumultuous sixties and the "blue county/red county" maps of recent presidential elections. *American Nations* is a revolutionary and revelatory take on America's myriad identities and how the conflicts between them have shaped our past and are molding our future.

*Geometric Quilts* C&T Publishing Inc

This is an extensive study of the 16th and 17th century belief that God actively intervened in human affairs to punish, reward, warn, try and chastise. It seeks to shed light on the reception, character and broader cultural repercussions of the Reformation.

Overshot Simply Simon and Schuster

This book will help quilters discover the fun of using color, block placement, and shape to add dimension to their projects. The 12 designs in this book all use basic shapes; the fun part is how they are pieced together to make striking designs

that stand out among other patterns. Quilters will enjoy using bright and colorful fabrics to create the designs and will get to play with different color combinations. Techniques used include appliqué, piecing, and paper-piecing. Each design is shown in a lifestyle photograph, has an assembly diagram, and is accompanied by a complete materials list and step-by-step instructions.

*Artisan Bread in Five Minutes a Day That Patchwork Place*

Return to the Scottish Highlands in the latest *Kilts and Quilts* novel from the author of *The Accidental Scot*—The quilting ladies of the Scottish village of Gandiegow are known to piece together more than just fabric . . . Life isn't going as planned and Sadie Middleton is rethinking her whole future. Thankfully one thing is staying the same: She's able to share her love of quilting with her grandmother Gigi. The two of them enter a contest and win an all-expenses-paid trip to the *Kilts and Quilts* retreat in the Scottish Highlands. But their victory turns hollow when Gigi passes away before they can go. Sadie is grief-stricken, but her brother convinces her to take the trip to Gandiegow anyway. There she meets a charming circle of quilters who remind her of her grandmother—and Ross Armstrong, a handsome fisherman who brings a smile to her face. Newly single, Ross intends to

enjoy his freedom. That plan goes awry as he comes to know Sadie—and a surprising spark is lit. Too bad some well-meaning folks want to protect Ross from getting hurt again and are determined to keep him and the American lass apart. . . .

Hexa-Go-Go Leisure Arts

Next to the hustle and bustle of London's St Pancras station, The Gilbert Scott, Marcus Wareing's latest venture, is one of the hottest restaurants in town. Situated in the recently restored architectural gem that is the Renaissance Hotel, critics and food lovers alike have flocked to this stunning new brasserie and bar. The aim of the menu is simple: to pay tribute to the historic charm of the building with rediscovered and re-imagined traditional British classics. Yorkshire fishcakes, Dorset jugged steak, cock-a-leekie pie, Mrs Beeton's barbecue chicken, London Pride battered cod, gingerbread pudding, Kendal mint cake choc ices and the best lemon drizzle cake you'll ever taste are just some of the 130 recipes in the book. With stunning photography throughout, *The Gilbert Scott Book of British Food* allows you to celebrate these recipes at home, be it for brunch, lunch, a weekend feast, an afternoon baking or a terrific cocktail to ease you into your meal. Above all, it is a glorious tribute to some of Britain's greatest traditional dishes.
