Brassiere Hills, Alaska. Mollys Nipple, Utah. Outhouse Draw, Nevada. In the early twentieth century, it was common for towns and geographical features to have salacious, bawdy, and even derogatory names. In the age before political correctness, mapmakers readily accepted any local preference for place names, prizing accurate representation over standards of decorum. Thus, summits such as Squaw Tit—which towered above valleys in Arizona, New Mexico, Nevada, and California—found their way into the cartographic annals. Later, when sanctions prohibited local use of racially, ethnically, and scatologically offensive toponyms, town names like Jap Valley, California, were erased from the national and cultural map forever. From Squaw Tit to Whorehouse Meadow probes this little-known chapter in American cartographic history by considering the intersecting efforts to computerize mapmaking, standardize geographic names, and respond to public concern over ethnically offensive appellations. Interweaving cartographic history with tales of politics and power, celebrated geographer Mark Monmonier locates his story within the past and present struggles of mapmakers to create an orderly process for naming that avoids confusion, preserves history, and serves different political aims. Anchored by a diverse selection of naming controversies—in the United States, Canada, Cyprus, Israel, Palestine, and Antarctica; on the ocean floor and the surface of the moon; and in other parts of our solar system—From Squaw Tit to Whorehouse Meadow richly reveals the map's role as a mediated portrait of the cultural landscape. And unlike other books that consider place names, this is the first to reflect on both the real cartographic and political imbroglios they engender. From Squaw Tit to Whorehouse Meadow is Mark Monmonier at his finest: a learned analysis of a timely and controversial subject rendered accessible—and even

entertaining—to the general reader.

Written in the context of China's new intellectual property laws after WTO entry, this unique law-and-commentary guide examines the legal framework for intellectual property protection and its practical implications in the commercial world. Written for multinationals with operations in China, the book addresses the commercial realities of protecting and managing intellectual property and the practical application of Chinese intellectual property laws to business, e.g., assessing risk liabilities for all parties in the supply chain, from manufacturers to retailers, to marketing firms and importers. Among the overarching topics treated are the following: Trademarks Copyright Patents Enforcement of intellectual property rights Trade secrets Internet Technology transfer Unfair competition With key legislation, cases, and judicial interpretations and cases, China Intellectual Property Law Guide has no peers as a working reference for corporate counsel and the busy IP lawyer alike. This title forms part of the Asia Business Law Series. The Asia Business Law Series is published in cooperation with CCH Asia and provides updated and reliable practical guidelines, legislation and case law, in order to help practitioners, policy makers and scholars understand how business is conducted in the rapidly growing Asian market. This book was originally published by CCH Asia as the loose-leaf China IP Law Guide

How Maps Name, Claim, and Inflation LexisNexis

Written by two experts in the field, Business Law provides practical, up-to-date coverage of company, partnership, taxation, and insolvency law, plus all relevant aspects of EU law. The manual provides all of the relevant material students need to understand the latest legal developments affecting business law transactions. Coverage of the Companies Act 2006 is fully integrated and given prominence, mirroring the emphasis that business law courses place on this central piece of legislation. Additional emphasis has been placed on taxation and business accounts. Examples are used throughout the manual enabling students to contextualize their learning effectively. Extensive and updated statutory references allow students both to cross-reference to appropriate primary sources, and to use the guide to interpret such sources. The book's depth of coverage, accessible format and clear structure make it an ideal reference for students on the Legal Practice Course. Online Resource Centre A free Online Resource Centre provides a range of student learning activities which guide students through scenarios based on topics in the book. Three additional online chapters are also available covering: - Competition law in the European Union and the United Kingdom. - The right of establishment, the right to provide services, and the free movement of goods. - Business contracts - agency or distributorship agreements.

China Intellectual Property Law Guide Vikas Publishing House
It gives me immense pleasure to present second edition my book 'Corporate Laws'. The Companies Act 2013 in a comprehensive form has brought with it enormous changes in almost all fields of corporate legislation and the industry is facing severe implementation challenges due to limited guidance towards the implementation aspects of the Act. Therefore, it is imperative to understand the magnitude and implications of these changes for ensuring compliance as per the new requirements. Keeping this context in mind it is my pleasure to present this book with focus in depth on the practical implications of the changes brought about by the Companies Act, 2013 along with the relevant rules,

notifications and circulars. We are in the age of transition in the context of Corporate Law environment, as we are adopting new provisions of the Act of 2013 with the recent two amendments. The book aims to provide undergraduate students in commerce and law with the knowledge of company law in a simple, comprehensive and lucid language. In most part of the book the legal provisions are included in their original form so as to develop legal interpretation skill among the students. This book is also helpful for the students of ICAI, ICSI and ICWAI Students. The strength of book is secretarial aspects of company law as relevant rules and forms have been duly mentioned at the appropriate places.

Company Law Procedures Academic Foundation

Wheat is not usually regarded as a substitute for corn as a feed for livestock, but a small carry-over of old corn and a new crop greatly reduced by drought leaves many farmers short of corn for feed. With the other feed grain supplies only about equal to the amounts normally fed, the main source of making up the shortage of corn is wheat.

 A Corporate Professional is required to equip himself with regard to corporate compliances on day- to-day basis. There are number of compliances which are required to be complied with depending

on the event , whether it is incorporation / conversion / change , etc., not only from Company Law point of view but also from SEBI Regulations point of view (in case of a listed company). To assist the professional in this endeavour, this book is yet another attempt to provide all related procedures at one place along with the resolutions to make it handy and easy to use. The Book has been divided into two parts. Division-I contains Company Law Procedures of more than 115 events. Each procedure has been divided into following heads: - Applicable Section of the Companies Act, 2013 - Applicable Company Rule - Applicable Regulation in case of listed company - SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Synopsis

(giving background of the section of the Companies Act, 2013) - Procedure (step by step, including various Government approvals and filing of Forms, etc.) - Compliance by a listed company in accordance with SEBI (LODR) Regulations, 2015 - Draft Board resolutions - Draft General Meeting resolutions (Special/Ordinary resolution) Division-II contains updated Company Rules as issued by the Ministry of Corporate Affairs from time to time and which are referred under various procedures of the Book.
