In the Middle of the Night Macmillan

Once upon a time you were the princess of your own fairy tale; you lived in your own imaginary world. But then, as you grew older, you became more aware of the reality around you-the fact that the world continuously states that there are no such things

as happily ever afters and that no man is a prince. The little princess dies inside of you. Throughout this book you will rediscover that every desire you have as a woman fits into a fairy tale. All you need is a prince to fight for you to awaken your princess heart again-because being a princess is the preparation for becoming a queen, his queen. This book will touch various aspects of your feminine heart, from how to unlock your husband's love to being a lady-in-waiting and rediscovering who God really is in your life. The created will go to the Creator, and only there she will find her true identity.

The Passions and Pain of the Real Vampira, Maila Nurmi Simon and Schuster

On April 10, 2001, Sandra Baker, a recently separated, forty-five-year-old mother of two, went for a facelift—and a new lease on life. But the nurse anesthetist was a woman from her past. And Sandra's future was in jeopardy... Decades before, in a world of high school cliques and competition, Sally Jordan Hill had a crush on a guy whose attentions turned toward Sandra. Little did Sandra know how jealous Sally might have been... Once Nurse Sally had Sandra in her care, she administered a lethal dose of the painkiller Fentanyl. Within hours, Sandra was brain dead—and her death was ruled a medical mistake. But earlier, Sally's coworkers heard her say this: That's the woman who stole my boyfriend in high school. And soon, a determined detective would find new clues to convince a judge that Sandra's death was no accident. ... *Beauty Sleep* is the true story of glamor, jealousy ... and cold-blooded murder.

Eve's Christmas Brown Girls Publishing

On her deathbed Lady Margaret Marsh reveals that there is no family money left to support her daughter, the stunningly beautiful Josina. They were cut off without a penny by their relations long ago when she eloped with Josina's father, the inveterate but often successful gambler, Captain D'Arcy Marsh, who was later killed in a duel by a man he had won from at cards. Her mother believes that there is no alternative but for Josina to throw herself on the mercy of her relative, the dashing and handsome Duke of Nevondale. But arriving at his stately home she finds that he is a rake who is having an affair with the wife of the French Embassy Attaché, a liaison that could bring scandal

and death close to his door. When, on accidentally discovering a fiendish plot, Josina rushes to the Duke's rescue, only to find him in compromising circumstances, she is deeply shocked and horrified. Yet disturbingly she finds herself falling in love. For no other apparent reason than to save hers and incidentally his reputation the Duke decides that he wants to marry Josina. But as much as she yearns for him, how can she possibly marry a man who does not love her after her mother and father had been so sublimely in love with each other that for them the world was lost for love?

The Shocking True Story of a Family Killed in Cold Blood Kathryn Cope

Brings glamour within every woman's reach. Includes reducing, diet, exercises and fashion guidance.

Glamour Book HarperCollins

This book sets out to explore the structure and meanings within the most popular of all literary genres - the adventure story. Deconstructing the Hero offers analytical readings of some of the most widely read adventure stories such as *Treasure Island*, the James Bond stories and *Star Wars*. The book describes how adventure stories are influential in shaping children's perception and establishing values. When many of these stories define non-white, non-European people as inferior, and women as marginal or incapable, we should be worried about what they are teaching our children to think. Margery Hourihan shows how teaching children to read books critically can help to prevent the establishment of negative attitudes, discourage aggression and promote values of emotion and creativity.

A Starving Madness iUniverse

Lifestyle blogger and BetterTV host Jordan Reid offers an irresistibly entertaining and practical read for soon-to-be moms. Part memoir, part how-to, *Carrying On* is filled with candid, intimate, and humorous stories, as well as advice for expectant moms on fashion, beauty, entertaining, relationships, and more. *Carrying On* offers tips on each of these topics, but more than that, the book is a virtual diary of the worries and challenges and joys that come along with expecting a child. It acknowledges how difficult impending parenthood can sometimes feel, and then empowers women to follow their own instincts and take care of themselves as well as baby during this special time whether that means re-covering a pregnancy pillow in leopard fabric, filling a bathroom with the scent of lavender, or whipping up a delicious (and easy) dinner for no other reason than it's Wednesday night. Filled with straightforward, fun, and easy tips woven into an appealingly authentic account of the challenges associated with pregnancy, *Carrying On* offers even the most anxious mothers-to-be heartfelt support, tangible guidance, and, as always, a little bit of glam.

[An Illustrated Journey Through One Mummy's First Year](#) Random House Digital, Inc.

The Fault at the Center is a candid, lyrical coming-of-age novel that tells the story of Sandy Fischer, an American girl growing up in the beautiful yet violence-ridden Guatemala of the 1960s and '70s. Sandy, a resilient and very observant girl, must face the many dilemmas emerging from the disintegration of her Jewish-Catholic home. Suddenly abandoned by their father and left to fend for themselves, the four Fischer girls and their mother no longer have a safe and clear place in their adopted homeland.

While still perceived as expatriates, as gringas, the Fischers must do their best to find their way in local society. Little by little, Sandy finds herself adapting to the prim, Catholic, seemingly safe world of señoritas. But what is the price, particularly for a girl growing into womanhood, of belonging in such a rigid and fearful world--of forcing oneself not to fully register the violence that is steadily intensifying in the country? And given a choice, will Sandy leave her adopted homeland or stay? *The Fault at the Center* is, at the same time, an invention and a memoir, a reflection upon the narrator's own distant/near relationship with her Guatemalan past.

Stories have the power to change lives. These compelling tales of seven women and one man are a revealing look at the complexity of eating disorders, the process of psychotherapy, and the healing power of the relationship between therapist and client. Sufferers, their loved ones, and caregivers will benefit from the insights provided by this beautifully written collection.

A Complete Shape-up Program University of Oklahoma Press
 Ramshackle Glam creator Jordan Reid was a little nervous about becoming a mother. "In my experience," she writes, "you know what happens when you hold babies? They cry. And it immediately becomes clear to all present that you have terrible parental instincts and should never be allowed to come into contact with children—ever." But in October 2011 Reid became a mother herself, and over the first year of her son's life the writer and media personality not only figured out a thing or two about parenting, but also learned how to navigate an entirely new lifestyle while still maintaining a sense of self. Part memoir, part

commiseration, and part how-to guide on fashion, beauty, home décor and entertaining for the new mom, Ramshackle Glam offers something fresh for the “mommy” bookshelf: concrete advice on how to care for yourself in the post-partum days, weeks, and months. A deeply personal exploration of the realities of modern-day parenthood (Reid covers topics ranging from post-partum depression and marital struggles to pets who immediately transform from your beloved best friends into Those Things That Wake Up Your Child), Ramshackle Glam is also filled with straightforward, fun, and easy lifestyle tips, including how to dress for your post-partum shape, tricks for rearranging your home so it works with an infant as well as your tastes, and strategies for getting your makeup done in five minutes flat with one hand while keeping that bouncy chair going with the other. Reid's spot-on advice combined with her trademark intimacy, wit, and (often aching) honesty make Ramshackle Glam a must-read for any woman in search of a candid account of how to handle enormous life changes with humor, grace . . . and a little bit of glam.

An encyclopedia that analyzes the interaction between girls and mainstream culture provides a series of essays examining girl culture and over two hundred and fifty alphabetically arranged

articles examining aspects of that culture.

Girl Culture Penguin

The new novel from the best-selling author of *I Don't Know How She Does It* takes us on an unforgettable journey into first love, and—with the emotional intensity and penetrating wit that have made her beloved among readers all over the world—reminds us of how the ardor of our youth can ignite our adult lives. *Wales*, 1974. Petra and Sharon, two thirteen-year-old girls, are obsessed with David Cassidy. His fan magazine is their Bible, and some days his letters are the only things that keep them going as they struggle through the humiliating daily rituals of adolescence—confronting their bewildering new bodies, fighting with mothers who don't understand them at all. Together they tackle the Ultimate David Cassidy Quiz, a contest whose winners will be flown to America to meet Cassidy in person. London, 1998. Petra is pushing forty, on the brink of divorce, and fighting with her own thirteen-year-old daughter when she discovers a dusty letter in her mother's closet declaring her the winner of the contest she and Sharon had labored over with such hope and determination. More than twenty years later, twenty pounds heavier, bruised by grief and the disappointments of middle age, Petra reunites with Sharon for an all-expenses-paid trip to Las Vegas to meet their teen idol at last, and finds her life utterly transformed. Funny, moving, full of beautiful observations about the awakenings of both youth and middle age, Allison Pearson's long-awaited new novel will speak across generations to mothers and daughters and women of all ages.

Where Have All the Flowers Gone? Macmillan

Rupert Brooke (b. 1887) died on April 23, 1915, two days before

the start of the Battle of Gallipoli, and three weeks after his poem "The Soldier" was read from the pulpit of St Paul's Cathedral on Easter Sunday. Thus began the myth of a man whose poetry crystallizes the sentiments that drove so many to enlist and assured those who remained in England that their beloved sons had been absolved of their sins and made perfect by going to war. In *Fatal Glamour*, Paul Delany details the person behind the myth to show that Brooke was a conflicted, but magnetic figure. Strikingly beautiful and able to fascinate almost everyone who saw him - from Winston Churchill to Henry James - Brooke was sexually ambivalent and emotionally erratic. He had a series of turbulent affairs with women, but also a hidden gay life. He was attracted by the Fabian Society's socialist idealism and Neo-Pagan innocence, but could be by turns nasty, misogynistic, and anti-Semitic. Brooke's emotional troubles were acutely personal and also acutely typical of Edwardian young men formed by the public school system. Delany finds a thread of consistency in the character of someone who was so well able to move others, but so unable to know or to accept himself. A revealing biography of a singular personality, *Fatal Glamour* also uses Brooke's life to shed light on why the First World War began and how it unfolded.

A Glamorous Mother, a Woman from Her Past, and Her Mysterious Death Harlequin

Beauty Sleep *A Glamorous Mother, a Woman from Her Past, and Her Mysterious Death* Macmillan

Linda Darnell and the American Dream Running Press Adult

The internationally bestselling author of *Sparkles* is back with an irresistibly juicy novel about three powerful women - once best friends, now deadly rivals Texan honey Sally Lassiter, English

rose Jane Morgan, and exotic Jordanian beauty Helen Yanna meet at an exclusive girls' school in L.A. and vow that nothing will ever tear them apart. But when catastrophe strikes, two of the young women find themselves grieving and penniless, and the third will be forced into a fate she could never have foreseen. In their struggle to rebuild their lives, Helen, Sally, and Jane come together to create a high-end department store called *Glamour*. But as money and recognition rocket them into the spotlight, they quickly discover what happens to promises when money is no object, lust has no bounds, and glamour is worth everything in this seductive rags-to-riches saga.

Glamour Running Press Adult

Drawn from her blog of the same name, this entertaining guide, which is part memoir, part-commiseration, and part how-to, shows new moms how to care for themselves post-partum to feel a little more like their glam former selves, while still being the best mommy they can be. Original.

In this lyrical collection, May-lee Chai explores the diversity of the Asian-American experience by challenging stereotypes while experimenting with form, language, metaphor, and myth.

Beauty Sleeping McGill-Queen's Press - MQUP

At fifteen, Linda Darnell left her Texas home and normal adolescence to live the Hollywood dream promoted by fan magazine and studio publicity offices. She appeared in dozens of films and won international acclaim for *Blood and Sand* (playing opposite Tyrone Power), *Forever Amber*, *A Letter to Three Wives*, and the original version of *Unfaithfully Yours*. Driven by a stage

mother to become rich and Famous, but unable to cope with the career she had longed for as a child, Darnell soon was caught in a downward spiral of drinking, failed marriages, and exploitive relationships. By her early twenties she was an alcoholic, hardened by a life in which beautiful women were chattel, and by the time of her death at age forty- one, she was struggling for recognition in the industry that once had called her its "glory girl." Hollywood Beauty begins in the Southwest during the Depression, when Pearl Darnell became obsessed by the glitter of the movie world that would dominate her children's lives. We follow Linda's path from her Texas childhood and first public success-during the state centennial, in 1936-through her contract work with Twentieth Century-Fox in the heyday of the big-studio system. Film historian Ronald L. Davis documents Darnell's discovery and marriages, the adoption of her daughter, the marking of many well-known films, and her emotional difficulties, leading up to her tragic death by fire. This is the story of a native teenager from a dysfunctional middle-class family thrust into the golden age of Hollywood. Hollywood Beauty examines America's public worship of movie stars and superficial success-its motives and consequences-and the addiction to escapism that this worship represents.

An Encyclopedia Columbia University Press

From burlesque show to fashion runway, magazine cover to Internet video, fashion icon and "burlesque superheroine" (Vanity Fair) Dita Von Teese has undergone more strokes of red lipstick, bursts of hair spray, boxes of blue-black hair dye and pats of powder in a month than a drag queen could dream of in a lifetime. Whether she's dazzling audiences swirling in a towering

martini glass in Swarovski-covered pasties and stilettos or sparking camera flashes on the red carpet, one reality is constant: for this self-styled star, beauty is an art. Now, for the first time in her Technicolor career, Dita divulges the beauty wisdom that keeps her on international best-dressed lists and high-profile fashion show rosters in this illustration and photography-filled opus. In *Your Beauty Mark: The Ultimate Guide to Eccentric Glamour*, Dita and co-writer Rose Apodaca take you through every step of Dita's glamour arsenal, and includes friends—masters in makeup, hair, medicine, and exercise as well as some of the world's most eccentric beauties—for authoritative advice. This 400-page book is packed with sound nutrition and exercise guidance, skincare and scent insight, as well as accessible techniques for creating bombshell hairstyles and makeup looks. Among the hundreds of lavish color photographs, instructive step-by-step images and original illustrations by Adele Mildred, this inspiring resource shares the skills, history, and lessons you need to enhance your individual gifts and realize your own beauty mark.
