 The Don Quixote of 18th century England "Adams dealt him so sound a Compliment over his Face with his Fist, that the Blood immediately gushed out of his Nose in a Stream. The Host being unwilling to be outdone in Courtesy, especially by a Person of Adams's Figure, returned the Favour with so much Gratitude, that the Parson's Nostrils likewise began to look a little redder than usual." - Henry Fielding, Joseph Andrews
 Inspired by the masterpiece Don Quixote de la Mancha, Henry Fielding, in his satirical novel Joseph Andrews, mocks the 18th-century English society and its high-praised heroic writings of the time by creating a dreamer and a naive much like Don Quixote. After being dismissed by the widow of his former master who tried to court him unsuccessfully, Andrews sets up on a journey to find the love of his life, Fanny. In his journey, he meets faithful friends as well as many shams, thieves and vile enemies. This Xist Classics edition has been professionally formatted for e-readers with a linked table of contents.  Ordinarily a moralist writer, in this novel Fielding creates a comedy of romance, by superimposing the positive act of the imagination on the raw material of the real world. It is ultimately both instructive and entertaining. Here Fielding parodies his own previous novels in this story of a young man resisting the many attempts to seduce him.

 'I beg as soon as you get Fielding's Joseph Andrews, I fear in Ridicule of your Pamela and of Virtue in the Notion of Don Quixote's Manner, you would send it to me by the very first Coach.' (George Cheyne in a letter to Samuel Richardson, February 1742) Both Joseph Andrews (1742) and Shamela (1741) were prompted by the success of Richardson's Pamela (1740), of which Shamela is a splendidly bawdy parody. But in Shamela Fielding also demonstrates his concern for the corruption of contemporary society, politics, religion, morality, and taste. Thesame themes - together with a presentation of love as charity,

as friendship, and in its sexual taste - are present in Joseph Andrews, Fielding's first novel. It is a work of considerable literary sophistication and satirical verve, but its appeal lies also in its spirit of comic affirmation, epitomized in the celebrated character of Parson Adams. This revised and expanded edition follows the text of Joseph Andrews established by Martin C. Battestin for the definitive Wesleyan Edition of Fielding's works. The text of Shamela is based on the first edition, and two substantial appendices reprint the preliminary matter from Conyers Middleton's Life of Cicero and the second edition of Richardson's Pamela (both closely parodied in Shamela). A new introduction by Thomas Keymer situates Fielding's works in their critical and historical contexts.

 "Joseph Andrews" was Henry's first novel which brought him into spotlight. The novel includes humorous travel adventures by Joseph Andrews and his friend who is a good-hearted rural clergyman. In their travels they are set upon repeatedly by robbers and continually run out of funds. Interesting!

 Originally published in 1742, Henry Fielding's comic romp Joseph Andrews was one of the first novels written in English. It follows the adventures of a domestic servant, Joseph Andrews, and his friend and advisor, Abraham Adams, as the duo makes a long, ill-fated journey to visit Joseph's beloved, a sweet girl named Fanny.

 Unlike some critics, who have viewed Joseph Andrews as Fielding's declaration of a personal moral ethic, Varey seeks to locate the novel in the context of 18th-century Britain and thereby show how the text operates as a satire on the developing bourgeois mentality. The book analyzes the novel by theme, and showing the link between the work and the society it portrays, argues that the novel is a valuable cultural artefact.

Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, grade: 1,7, University of Hamburg (Institut für Amerikanistik und Anglistik), course: Classics re-written? Pamela and Jane Eyre, 14 entries in the bibliography, language: English, abstract: This paper deals with the analysis of Henry Fielding's 'Joseph Andrews' (published in 1742) in relation to Samuel Richardson's 'Pamela' (published in 1740). It has been claimed that Fielding wrote his novel as a response to 'Pamela', according to several allusions included in his novel 'Joseph Andrews'. To describe the relationship between these two texts, the notion of transtextuality, coined by the French literary scholar Gérard Genette, will be used. Here the focus will lie on the so called hypertextuality, which describes the 'overlapping' of two different texts. The aim of this paper is to analyse 'Joseph Andrews' in terms of parody, which is one of the possible hypertextual operations that occur in literature. In order to do so, the notion of parody will be defined, mostly by opposing and comparing two recent accounts of the term. With the help of the knowledge of hypertextuality and parody, Fielding's novel will be examined in detail. The main purpose is to find out whether Fielding parodied 'Pamela' or not. Therefore structural and functional criteria of 'Joseph Andrews' will be taken into account. The first two chapters will provide the fundamental knowledge that is necessary for the analysis of the novel in the end. The important literary terms and their definitions will be introduced. Afterwards Henry Fielding's 'Joseph Andrews' will be analysed.

'Kissing, Joseph, is but a Prologue to a Play. Can I believe a young Fellow of your Age and Complexion will be content with Kissing?' Joseph Andrews, Henry Fielding's first full-length novel, depicts the many colourful and often hilarious adventures of a comically chaste servant. After being sacked for spurning the lascivious Lady Booby, Joseph takes to the road, accompanied by his beloved Fanny Goodwill, a much-put-upon foundling girl, and Parson Adams, a man often duped and humiliated, but still a model of Christian charity. In the boisterous short tale Shamela, a brilliant parody of Richardson's Pamela, the spirited and sexually honest heroine uses coyness and mock modesty to catch herself a rich husband. Together these works anticipate Fielding's great comic epic Tom Jones, with their amiable good humour and pointed social satire. Judith Hawley's introduction compares the works of Fielding and Richardson, and discusses sex and class relations, and the literary and political world of the time. This volume also includes a chronology and suggestions for further reading. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. What began as a parody of Samuel Richardson's Pamela became one of Henry Fielding's greatest works, and one of the earliest English novels. Joseph, at the age of ten, becomes the apprentice

of a man named Thomas Booby. But as he grows into a handsome young man, he begins to catch the eyes of Lady Booby, Sir Thomas's wife, and her servant, Mrs. Slipslop. Shocked by their advances, chaste and innocent Joseph spurs their every attempt at seduction. Insulted by his continuous rejection, Lady Booby fires Joseph and turns him out into the streets. Freed from his lecherous employer, he sets off on a journey to visit his beloved Fanny Goodwill. On the way, his old tutor, the pious Parson Adams, becomes his travel companion. The road to Fanny is paved with adventure, and poor Joseph can't seem to shake his various suitors. All he wants to do is live a quiet life devoted to his love, but will he be stopped at every turn?

Joseph Andrews, or *The History of the Adventures of Joseph Andrews and of his Friend Mr. Abraham Adams*, was the first published full-length novel of the English author and magistrate Henry Fielding, and indeed among the first novels in the English language. Published in 1742 and defined by Fielding as a "comic epic poem in prose", it is the story of a good-natured footman's adventures on the road home from London with his friend and mentor, the absent-minded parson Abraham Adams. The novel represents the coming together of the two competing aesthetics of eighteenth-century literature: the mock-heroic and neoclassical (and, by extension, aristocratic) approach of Augustans such as Alexander Pope and Jonathan Swift; and the popular, domestic prose fiction of novelists such as Daniel Defoe and Samuel Richardson. The novel draws on a variety of inspirations. Written "in imitation of the manner of Cervantes, the author of Don

Quixote" (see title page on right), the work owes much of its humour to the techniques developed by Cervantes, and its subject-matter to the seemingly loose arrangement of events, digressions and lower-class characters to the genre of writing known as picaresque. In deference to the literary tastes and recurring tropes of the period, it relies on bawdy humour, an impending marriage and a mystery surrounding unknown parentage, but conversely is rich in philosophical digressions, classical erudition and social purpose.
