Books  
Cephas  
Catchpole is a  
young orphan  
in 19th  
century  
England,  
apprenticed  
as a chimney  
sweep to a

cruel master.  
When he is  
mistaken for  
dead after an  
accidental fall  
and buried  
alive, he is  
rescued from  
his fate by two  
unwitting  
body  
snatchers.  
Against his  
will, Cephas  
finds himself  
drawn into the

criminals'  
shady  
underworld  
and begins to  
uncover a  
murderous  
conspiracy  
involving  
medical  
malpractice,  
his mysterious  
parentage and  
the dreaded  
speckled  
monster itself  
- smallpox.

This is a gripping and atmospheric Dickensian tale in two volumes for young readers, filled with suspense, humour and more twists than a hangman's noose.

Rocket Ride Books  
Frank Thompson, a recent widower and aging Vietnam veteran is down from Maine visiting his nephew,

Bill, and his family in New Jersey. While at a trap range, he and his nephew have a chance encounter with a strange man who claims to remember Frank from the war. That night, the windows in Bill's home are shattered along with the quiet peaceful lives the two men had been living. Three veterans from a special combat unit directed by the CIA during the Vietnam War have gathered to discuss what

they are going to do about a man they claim killed one of their own over forty years ago. Jasper, Birdie and Pogo were part of a team that called themselves the National League All Stars. They were a squad of psychopathic killers trained by Special Forces to cause death and mayhem during the war. Now, they have banded together to hunt down and kill the professional soldier who

led them all those years ago. Drawing on his military training and a resurgent bloodlust from his tortured past, Frank prepares for a final, violent reckoning that will bring him full circle with the war that never left him. Praise for THE DEAD DON'T SLEEP: "The Dead Don't Sleep is a skillfully plotted, fast-moving thriller brimming with a believable cast of characters, especially the indelible Frank Thompson, an old-school

hero who I hope to see more of." —David Swinson, author of Trigger and The Second Girl "Russo's The Dead Don't Sleep is a pulse racing, chest thumper of a novel." —Reed Farrel Coleman, New York Times bestselling author of What You Break "Imagine if Rambo had lived a quiet, undisturbed life in Maine until, many decades later, the ghosts of the Vietnam War came after him.

That's roughly the premise of The Dead Don't Sleep, a gripping, highly readable contemporary thriller with a strong emotional undercurrent. Steven Max Russo has done a magnificent job rendering the unique hold Vietnam continues to claim on thousands of its veterans." —Brad Parks, international bestselling author "The Dead Don't Sleep is a well-crafted, tense, suspenseful

thriller in which hatred that's lasted a lifetime explodes into violence with uncontrollable consequences ." —Thomas Perry, Edgar Award-winning author of *The Butcher's Boy* "A dark tale of vengeance and redemption, complete with mystery, secrets, and a longing for new adventure. A delectable and poignant read." —Steve Berry, New York Times bestselling author of *The Malta Exchange*

"The Dead Don't Sleep is white-knuckle, nonstop action, a story of hard men at their limits and grudges that never die." —Joseph Finder, New York Times bestselling author of *House on Fire*  
**Poetically Correct**  
 Penguin  
 In a gripping feat of storytelling, Anne Rice continues the extraordinary *Vampire Chronicles* that began with the now-classic *Interview with the Vampire*. For centuries,

Lestat—vampire-hero, enchanter, seducer of mortals—has been a courted prince in the dark and flourishing universe of the living dead. Now he is alone. And in his overwhelming need to destroy his doubts and his loneliness, Lestat embarks on the most dangerous enterprise he has undertaken in all the years of his haunted existence. Look for a special

preview of Anne Rice's Prince Lestat in the back of the book. The Vampire Chronicles continue in Prince Lestat and the Realms of Atlantis, available for pre-order now. Praise for The Tale of the Body Thief "Tinged with mystery, full of drama . . . The story is involving, the twists surprising."—People "Rice is our modern messenger of the occult, whose nicely updated dark-side passion plays twist

and turn in true Gothic form."—San Francisco Chronicle "Fast-paced . . . mesmerizing . . . silkenly sensuous . . . No one writing today matches her deftness with the erotic."—The Atlanta Journal-Constitution "Hypnotic . . . masterful."—Cosmopolitan **When the "Dead" Rose in Britain** Universitätsverlag Göttingen "First printed in the pages of Astounding, in the August 1938 issue

under the byline of 'Don A. Stuart'"--P. [9]. The Dead Don't Sleep Simon and Schuster Simon Morley is selected by a secret government agency to test Einstein's theory of the past co-existing with the present and is transported back to 1880s New York *The Tale of the Body Thief* Lexington Books The #1 Bestseller! Michael Arroyo has a pitching arm that throws

serious heat along with aspirations of leading his team all the way to the Little League World Series. But his firepower is nothing compared to the heat Michael faces in his day-to-day life. Newly orphaned after his father led the family's escape from Cuba, Michael's only family is his seventeen-yearold brother Carlos. If Social Services hears of their situation, they

will be separated in the foster-care system—or worse, sent back to Cuba. Together, the boys carry on alone, dodging bills and anyone who asks too many questions. But then someone wonders how a twelve-year-old boy could possibly throw with as much power as Michael Arroyo throws. With no way to prove his age, no birth certificate, and no parent to fight for his cause, Michael's secret world is

blown wide open, and he discovers that family can come from the most unexpected sources. Perfect for any Little Leaguer with dreams of making it big--as well as for fans of Mike Lupica's other New York Times bestsellers Travel Team, The Big Field, The Underdogs, Million-Dollar Throw, and The Game Changers series, this cheer-worthy baseball story shows that when the game knocks

you down,  
champions  
stand tall.  
*The Body-  
snatcher*  
Orchard Books  
Where better  
to dispose of a  
body than in a  
grave-yard?  
The problem  
was planning  
a murder  
whole thing  
and getting  
away without  
suspicion. A  
murder is  
planned, all  
the pieces  
planned  
ahead and all  
undertaken  
whilst the  
husband is  
3,000 miles  
away in  
America.  
Fifteen years  
later, a  
skeleton is  
found and

identified and  
now the police  
need to find a  
murder. They  
look, first  
thing, at the  
e-husband,  
but his alibi  
seems  
unshakeable  
even through  
a murder trial.

murderers William Burke and William Hare. The characters Fettes and Macfarlane serve as a prototype for both Jekyll and Hyde, in Stevenson's novel published two years later in 1886. Body Snatchers, Stiffs and Other Ghoulish Delights Pan Macmillan IT WAS A CONSPIRACY TO HIDE A SECRET EXPERIMENT "RAAF captures flying saucer on ranch in

Roswell region." Ever since this provocative headline appeared on July 8, 1947, conspiracy theorists have sincerely believed that the U.S. government has maintained an extensive operation of cover-up-and-denial regarding its knowledge of alien life. But there was, in fact, no UFO crash with dead alien bodies. What really happened on that fateful day is much more sinister.

The persistent rumors surrounding the UFO crash in Roswell, New Mexico, are part of a bigger conspiracy -- one orchestrated and fostered by the government itself as a smokescreen to bury a truth that is much darker, and disturbingly, far more believable. Now, through never-before-revealed testimony from military whistleblowers, eyewitness intelligence reports, and an astonishing

body of corroborative evidence, Nick Redfern lays out a shockingly plausible new theory on the Roswell incident: that the crash-site discovery of prototype military aircraft would expose a damning secret -- a highly confidential, U.S. government-sanctioned program to conduct medical experiments on deformed, handicapped, and diseased Japanese

POWs, exploited as "expendable" victims by their captors. An important account that forces us to take a closer look at both the Roswell story and post-war American history, **BODY SNATCHERS IN THE DESERT** casts a startling, new light on a shocking conspiracy more than half a century in the making. [Torka the Sky Snatcher](#) Crown What has the zombie metaphor meant in the

past? Why does it continue to be, so prevalent in our culture? This collection seeks to provide an archaeology of the zombietracing its lineage from Haiti, mapping its various cultural transformation s, and suggesting the post-humanist direction in which the zombie is ultimately heading. The Twist Of The Hangman Simon and Schuster In the

provincial Argentine town of Santa Maria, Larsen, a pimp, tries to create the perfect brothel, while Julita, a widow unable to accept the death of her husband, takes his younger brother as her lover *Bunco Artists in Richmond, 1870-1920* AuthorHouse Every year almost a quarter of a million confused and frightened American men are tossed into a prostate cancer cauldron

stirred by salespeople representing a multibillion-dollar industry. In this flourishing business, the radical prostatectomy is still the most widely recommended treatment option. Yet a recent and definitive study in the *New England Journal of Medicine* concluded that out of the fifty thousand prostate operations performed annually, more than forty thousand are unjustified.

But this is no surprise given that 99 percent of all doctors treating this disease are surgeons or radiation therapists. The appalling fact is that men are still being rushed into a major operation that rarely prolongs life and more than half the time leaves them impotent. Invasion of the Prostate Snatchers is a report on the latest thinking in prostate cancer therapy: close monitoring-active

surveillance rather than surgery or radiation-should be the initial treatment approach for many men. There are three stages of prostate cancer and this book will provide accurate information about how to distinguish between them: Low-Risk, which requires no immediate treatment; Intermediate-Risk, which will benefit from surgery, radiation, and/or hormonal

therapy; and High-Risk, a type that does require immediate treatment with a combination of therapies. In a unique collaboration, doctor and patient provide a wholly new perspective on managing this disease. Ralph Blum's account of his personal struggle, together with Dr. Mark Scholz's presentation of new scientific advances, provides convincing evidence that

this noninvasive approach can be crucial in preventing tens of thousands of men from being overtreated every year. Invasion of the Prostate Snatchers serves as an indispensable map through the medical minefield of prostate cancer. Cinefantastique e Ballantine Books The contributors to this volume explore the themes of fear, cultural anxiety, and transformation

as expressed in remade horror, science fiction, and fantasy films. While opening on a note that emphasizes the compulsion of filmmakers to revisit issues concerning fear and anxiety, this collection ends with a suggestion that repeated confrontation with these issues allows the opportunity for creative and positive transformation . Invasion of the Body Snatchers

Simon and Schuster Richmond in the late 19th and early 20th centuries was home to a lively underworld of tricksters, swindlers, confidence men and thieves. The former Confederate capital's under-staffed police force and dense population—large numbers of immigrants and the very poor—accommodated the enterprising criminal. Newspaper reports of the day offer a glimpse of a

wide variety of crimes and misdemeanors, often with a bit of humor or pathos. Based on reports from the proceedings of the Police Court, this book provides a portrait of Richmond—then the most congested city in the U.S.—during the “Golden Age of the Con,” when gamblers, hustlers and frauds plied their trades across the country. *Invasion of the Prostate Snatchers* Simon and

Schuster Unearths facts about grave robbers and body snatching throughout history **Fahrenheit 451** Invasion of the Bodysnatchers The Body-snatcher The story concerns two medical students in Edinburgh who manage dissection for their teacher, a thinly disguised anatomist Dr. Robert Knox, who purchased cadavers from the infamous murderers William Burke and William

Hare. The characters Fettes and Macfarlane serve as a prototype for both Jekyll and Hyde, in Stevenson's novel published two years later in 1886. *Invasion of the Prostate Snatchers* A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit. [Interviews with B Science Fiction and Horror Movie Makers](#) McFarland For fans of SF

and horror films, will there ever be a decade to compare with the 1950s? Actors, directors, producers, and crews prevailed over microbudgets and four-day shooting schedules to create enduring films. This book turns a long-overdue spotlight on many who made memorable contributions to that crowded, exhilarating filmmaking scene. John Agar, Beverly Garland,

Samuel Z. Arkoff, Gene Corman, and two dozen more reminisce about the most popular genre titles of the era. Lengthy, in-depth interviews feature canny questions, pointed observations, rare photos, and good fun. Anatomy: A Love Story Doubleday Books Her work began at the age of fourteen and has been chronologically documented by date keeping up

with current events both personally and globally. This autobiographical collection was compiled into a self-published book covering the years of 1977-2003 entitled: A Part of Me For that Part of You. Now comes the following eight years during which swift changes have occurred for Ms. Louise personally and politically. This new title, Poetically Correct: Banned by The Free Press, was assumed, due

to an  
 encounter  
 with a  
 newspaper,  
 after many  
 years of  
 publishing her  
 work with  
 them, in which  
 they claimed  
 that 'freedom  
 of the press'

had only to do  
 with... the  
 freedom of  
 publishers to  
 pick and  
 choose what  
 they would  
 and wouldn't  
 print. This  
 author felt  
 perplexed  
 because her

words are not  
 of slander or  
 threat. Her  
 poem,  
 "Sunday  
 Hypocrite"  
 was the first  
 to be rejected  
 as not fit for  
 the public in  
 "their"  
 opinion.
