Cambridge International AS and A Level English Language Coursebook Hachette UK
 Cambridge AS and A Level Mathematics is a revised series to ensure full syllabus coverage. This coursebook has been revised and updated to ensure that it meets the requirements for the Pure Mathematics 1 (P1) unit of Cambridge AS and A Level Mathematics (9709). Additional materials have been added to sections on quadratics, coordinate geometry, vectors and differentiation. All of the review questions have been updated to reflect changes in the style of questions asked in the course.

Collins Cambridge International AS & A Level - Cambridge International AS & A Level Art & Design Student's Book Cambridge University Press

Updated and fully aligned to the new Cambridge International AS & A Level Literature in English 9695 syllabus for first examination 2021. This coursebook helps inspire a love of literature in English and builds greater confidence in analysing and writing about texts. Part 1 introduces students to the basics of poetry, prose and drama through a wide variety of international texts. In Part 2, students

hone their skills by analysing sample student responses to essay questions, passage analysis tasks and unseen texts. The final part encourages independent learning with advice about essay technique and avoiding common errors. This second edition includes more opportunities for self-assessment and reflection. Answers to the coursebook questions are in the teacher's resource.

Cambridge International AS & A Level Global Perspectives & Research Coursebook Hodder Education
This text had been especially written for Cambridge International AS and A Level Accounting (9706). The book covers the entire syllabus but is divided into separate sections for AS and A Level. There is a CD included within the textbook which includes interactive tests, selected answers, additional activities and a glossary.

Cambridge International AS & A Level Biology Student's Book 2nd edition Cambridge University Press

Equip your students for success with complete support for the latest Cambridge AS and A Level English Language syllabus (9093), for examination from 2021. Written by Cambridge examiners, the accessible, exam-focused approach embeds complex language skills and is packed with exam guidance, including support for the new Paper 3. Firmly instilling the analysis and application skills key to exam success, it includes practical guidance on how to develop and progress these capabilities. Plus, prepare students for future study with comprehensive coverage of trickier topics such as interpreting qualitative data and comparative commentary. Support students' learning with guided answers to Student Book activities on the accompanying support site.
