David Boonin has written the most thorough and detailed case for the moral permissibility of abortion yet published. Critically examining a wide range of arguments that attempt to prove that every human fetus has a right to life, he shows that each of these arguments fails on its own terms. He then explains how even if the fetus does have a right to life, abortion can still be shown to be morally permissible on the critic of abortion's own terms.

Discover a treasure trove of herbal witchery including 52 herbs and their magical properties for spell-casting, and learn spells for love, fertility, money, wisdom, and more. This beautiful, insightful compendium from Wiccan High Priestess Silja is the ultimate guide to herbal magic. The first chapters detail herbal mythology, magical theory, and tools, plus different types of magic (black and white, candle magic, using charm bags, and long-term spells), and ways of working, either alone or as part of a coven. Next, discover how to grow and store magical herbs, and the importance of the moon phases when planting and harvesting them. Chapter 4, The 52 Major Magical Herbs, lists these herbs and their uses in spells, rituals, alternative medicine, and kitchen witchery; and includes the element they are associated with, what day or time is best for magic with them, and their associated deities, plus a simple spell for each herb. This is followed by Other Foods and their Magical Uses, focusing on a variety of enchanted ingredients such as lemon, poppy seeds, and flowers. The spells section, Chapter 6, presents more than 50 spells arranged by theme, from love and fertility, to prosperity, moving home, finding a job, friendship, health, wisdom, and more. Chapter 7, Magical Herbs Outside Magic: Kitchen Witchery, suggests how to add a subtle, magical dimension to your cooking. Finally, Silja explains how to go about writing your own herbal spells. You will also discover how to keep track of the spells you have performed and how to know if they have worked. Lavishly illustrated by Michael A. Hill, *The Green Wiccan Herbal* is a wonderful source of natural witchery that you will refer to time and again.

Gilded Reverie Expanded Edition Hay House, Inc

Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future? What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The *Osho Zen Tarot* focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

A practical guide to unlocking the powers of our DNA to manifest health, wealth, and happiness • Shows how our DNA communicates with those around us and attracts resonant energy--whether positive or negative--to us • Reveals groundbreaking scientific research on the influence of DNA on photons as well as the interactions between DNA and emotions • Provides practical exercises to remove negative influences, build positive visualizations of your desires, and accelerate the manifestation of your wishes Taking the law of attraction to an entirely new level, Pierre Franckh reveals how human DNA has a direct effect on the physical world around us--an effect we can consciously focus to manifest our desires. Sharing groundbreaking experiments on the influence of DNA on photons and on the interactions between emotions and DNA, Franckh explains how our thoughts, emotions, and beliefs, whether positive or negative, build a field of resonance around us. Through this quantum field our DNA is continuously communicating our unique vibration to those around us and receiving their unique oscillations in return. By focusing our intentions and

removing negativity from our beliefs about ourselves, our past, and our future, we can use our DNA to communicate our thoughts and desires to the universe. Through focused thoughts and intentions we draw the same resonant energy to us, thus bringing our intentions and desires into manifestation. The author shares success stories from the thousands who have taken his seminars and were then able to attract a soul mate, heal themselves or loved ones, or build wealth, sometimes remarkably quickly. He also describes how he discovered the law of resonance through his own self-healing from a degenerative spinal condition. Franckh provides practical exercises to remove inner and outer negative influences that could be blocking your desires, build a positive visualization of your goals, and increase the power of your field of resonance for quicker manifestation. In this inspiring guide to the law of resonance, the author shows how the power to manifest health, wealth, and happiness is within each of us, waiting to be unlocked within our DNA.

"Anger," Seneca notes, "is an acid that can do more harm to the vessel in which it is stored than to anything on which it is poured." In "On Anger," Seneca delves into this powerful emotion, taking the reader on a journey that is both thoughtful and instructive. Rather than dismissing anger as an unchangeable part of the human condition, Seneca dissects it, laying bare its roots and exposing its many faces. From understanding its cause to learning how to master it, the reader is guided through a series of reflections that are as relevant today as they were in ancient Rome. With wisdom and eloquence, "On Anger" provides a practical guide to this complex emotion.
