Welcome to Keating Hollow, the enchanted village where love, cupcakes, and magic collide. There are only three things that were ever important to Noel Townsend—love, family, and magic. Two out of three aren't bad. She's blessed with a large close-knit family and her magic has never been stronger. But love? That ended three years ago when

her husband walked out on her and her daughter and never looked back. These days Noel only has room in her pieced-together heart for her six-year old daughter. But when Drew Baker shows up on the doorstep of her inn with news of her husband, fate has other plans. And so does Drew. If he can get past her defenses, Drew is going to do everything in his power to heal the heart of a witch. *Fairy Dust and the Quest for the Egg* Quirk Books
Orchard Classics is a collectible hardcover line of Newbery award-

winning titles from the Orchard backlist that have fresh, beautiful new designs and include author prefaces and discussion guides. *A GIRL NAMED DISASTER* is the humorous and heartwrenching story of young girl who discovers her own courage and strength when she makes the dangerous journey from Mozambique to Zimbabwe. Nhamo is a Shona girl living in a traditional village in Mozambique in 1981. When her family tries to force her into a marriage with a cruel man, she flees. What was supposed to have been a short boat trip across the border into Zimbabwe, where she hoped to find her father, turns into an adventure filled with challenges and danger that lasts a year. In this volume of 15 articles, contributors

from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary

according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.

#1 NEW YORK TIMES BESTSELLER • The book that sparked a revolution and inspired the hit Netflix series *Tidying Up with Marie Kondo*: the original guide to decluttering your home once and for all. **ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE**—CNN Despite constant efforts to declutter your home, do papers still accumulate like snowdrifts and clothes pile up like a tangled mess of

noodles? Japanese cleaning consultant Marie Kondo takes tidying to a whole new level, promising that if you properly simplify and organize your home once, you'll never have to do it again. Most methods advocate a room-by-room or little-by-little approach, which doom you to pick away at your piles of stuff forever. The KonMari Method, with its revolutionary category-by-category system, leads to lasting results. In fact, none of Kondo's clients have lapsed (and she still has a three-month waiting list). With detailed guidance for determining which items in your house "spark joy" (and which don't), this international bestseller will help you clear your clutter and enjoy the unique magic of a tidy home—and the calm, motivated mindset it can inspire.

Since Dr. Brizendine wrote *The Female Brain* ten years ago, the response has been overwhelming. This New York Times bestseller has been translated into more than thirty languages, has sold nearly a million copies between editions, and has most recently inspired a romantic comedy starring Whitney Cummings and Sofia Vergara. And its profound scientific understanding of the nature and experience of the female brain continues to guide women as they pass through life stages, to help men better understand the girls and women in their lives, and to illuminate the delicate emotional machinery of a love relationship. Why are women more verbal than men? Why do women remember details of fights that men

can't remember at all? Why do women tend to form deeper bonds with their female friends than men do with their male counterparts? These and other questions have stumped both sexes throughout the ages. Now, pioneering neuropsychiatrist Louann Brizendine, M.D., brings together the latest findings to show how the unique structure of the female brain determines how women think, what they value, how they communicate, and who they love. While doing research as a medical student at Yale and then as a resident and faculty member at Harvard, Louann Brizendine discovered that almost all of the clinical data in existence on neurology, psychology, and neurobiology focused exclusively on males. In response to the overwhelming need for information on

the female mind, Brizendine established the first clinic in the country to study and treat women's brain function. In *The Female Brain*, Dr. Brizendine distills all her findings and the latest information from the scientific community in a highly accessible book that educates women about their unique brain/body/behavior. The result: women will come away from this book knowing that they have a lean, mean, communicating machine. Men will develop a serious case of brain envy.

 Welcome to Nocturne Falls, the town that celebrates Halloween 365 days a year. The tourists think it's all a show: the vampires, the werewolves, the witches, the occasional gargoyle flying through the sky. But the supernaturals populating the town know better. Living in Nocturne Falls means being yourself. Fangs, fur, and all. Willa Iscove, fae jeweler, has her first stalker. Really, he's

just one of her lovesick customers. The ring she crafted to help him find new love has backfired, making Willa the object of his affections. In a bid to rid herself of her amorous client, Willa makes a wish in the Nocturne Falls fountain using the piece of opal in her pocket and in doing so, unknowingly conscripts as her guardian the sexy gargoyle on duty. Former Army Ranger and gargoyle Nick Hardwin has some serious suspicions about the pretty fae who just invoked the ancient pact for protection. Her kind have been at odds with his kind for ages. Now she wants his help? He's determined to figure out what she's up to. Which won't be a hardship considering how much fun she is to be around. And kiss. But then her stalker turns out to be the tip of the iceberg and

things go really wrong, really fast. When they're both kidnapped, Willa is forced to make a hard decision. The life of her family or the freedom of the man she's fallen for?

Far in the distant reaches of the universe is a world called Azmantium. A planet with lilac skies, jade green seas and fiery red suns. A planet where everything, from the tides of the sea to life itself, is rooted in magic. Children are assessed at an early age and trained according to their unique magical talents. Lara, an orphan who has no memory of her true origins, is unaware that she has a vital role to play in the ancient prophecies that are about to begin coming true. Older than most who are just beginning

their magical training, Lara will soon find out that destiny waits for no one, especially when the fate of the world rests on their shoulders. With the help of her new friends, Lara will learn that in order to save the future, she must journey into the past - to a time when Dragons ruled the world! This is the first book in the upcoming Dragon Born series!

The Crimson Fairy Farrar, Straus and Giroux

When my parents were banished from Wolf City before I was born, I thought there was no way I would ever live in a pack again. Cuffed, with my shifter magic bound, I was forced to go to school with witches in order to keep my true nature from coming out. Then I met him. Sawyer Hudson. The Alpha's son

was visiting Delphi Witches' College and spotted me. He took one look at me, and an hour later, I was being pulled out of school, taken into Wolf City and leaving my parents and everything I knew behind. It's the Alpha's son's selection year, the year he must pick a mate, and every female aged 18-22 must be in attendance. I've landed myself in the middle of Werewolf Bachelor, and just when I think I've got a handle on things, Sawyer releases my cuffs, unbinds my magic, and sees what I really am. The problem is, I don't know what this creature is that I transform into. It's not an ordinary werewolf, that's for damn sure.

"The Girl with Ghost Eyes is a fun, fun

read. Martial arts and Asian magic set in Old San Francisco make for a fresh take on urban fantasy, a wonderful story that kept me up late to finish.” —#1 New York Times bestselling author Patricia Briggs It’s the end of the nineteenth century in San Francisco’s Chinatown, and ghost hunters from the Maoshan traditions of Daoism keep malevolent spiritual forces at bay. Li-lin, the daughter of a renowned Daoshi exorcist, is a young widow burdened with yin eyes—the unique ability to see the spirit world. Her spiritual visions and the death of her husband bring shame to Li-lin and her father—and shame is not something this immigrant family can afford. When a sorcerer cripples her father, terrible plans are set in motion, and only Li-lin can stop them. To aid her are her martial

arts and a peachwood sword, her burning paper talismans, and a wisecracking spirit in the form of a human eyeball tucked away in her pocket. Navigating the dangerous alleys and backrooms of a male-dominated Chinatown, Li-lin must confront evil spirits, gangsters, and soulstealers before the sorcerer’s ritual summons an ancient evil that could burn Chinatown to the ground. With a rich and inventive historical setting, nonstop martial arts action, authentic Chinese magic, and bizarre monsters from Asian folklore, *The Girl with Ghost Eyes* is also the poignant story of a young immigrant searching to find her place beside the long shadow of a demanding father and the stigma of widowhood. In a Chinatown caught between tradition and modernity, one

woman may be the key to holding everything together. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Magic. Shadows. Adventure. Romance. Saiya Buchanan is a wraith, able to detach her shadow from her body and send it off to do her bidding. But, unlike most of her kin, Saiya doesn't deal in death. Instead, she trades secrets - and in the goblin besieged city of Stirling in Scotland, they're a highly prized commodity. It might just be, however, that the goblins have been hiding the greatest secret of them all. When Gabriel de Florinville, a Dark Elf, is sent as royal envoy into Stirling and takes her prisoner, Saiya is not only going to uncover the sinister truth. She's also going to realise that sometimes the deepest secrets are the ones locked within your own heart. This is a stand-alone urban fantasy novel.
