Scared of the Dark? It's Really Scared of
You is a picture book that playfully

unpacks a common childhood fear. You
may be afraid of the dark . . . but did you
know that the dark is actually afraid of
YOU? It's true! The dark spends its days
hiding from the light in your underwear
drawer. The dark thinks you look scary.
And the dark may be difficult to see
when the sun goes down, but it also has
its fair share of redeeming qualities. • A
go-to read for kids who are afraid of
nighttime • Personifies darkness to help
younger readers shift how they see the
night • A humorous and soulful picture
book by Peter Vegas and acclaimed
illustrator Benjamin Chaud Scared of the

Dark? It's Really Scared of You reassures the youngest of readers that the dark is more relatable—and appealing—than ever imagined. Fans of the award-winning illustrator Benjamin Chaud will love adding this one to the collection. • A good pick for parents, grandparents, and caregivers of reluctant readers • Resonates year-round as a go-to gift for birthdays, holidays, and more • Perfect for children ages 3 to 5 years old • Great for teachers and librarians who want to teach there are no monsters, just friends • You'll love this book if you love books like *Orion and the Dark* by Emma Yarlett, *The Dark* by Lemony Snicket, and *The Berenstain Bears* by Stan and Jan Berenstain.

Book of the Dark BBC Audiobooks

Once there was a little white owl who

lived by himself in the snow. He didn't have a mummy. He didn't have a daddy. He didn't even have a name. But he didn't really mind too much. It had always been like that. And his head was full of happy stories... Then one day, the Little White Owl sets off to explore the world, and he gets a very wonderful surprise...

Inside My Heart and in My Head... Little Tiger Press

Little Owl and Little Wolf have so many questions for their parents. “Why can't we move our eyes?” “When will I no longer be a pup?” But owls don't ask “Why?” They ask “Whooo?” And wolves don't ask “When?” They ask “Hooooow?” Mom and Dad say it's silly to even consider asking those sorts of questions. Feeling teased and misunderstood, Little

Owl and Little Wolf decide to run away from home for good. After straying too far from the path, the pair discovers that they're lost in the forest and begin to wonder if they've made the right decision by leaving the pack. Little Owl and Little Wolf realize that the only way to make it back to their families is to not be afraid to ask the right questions, their own way. This heartwarming tale of friendship from author Michelle Garcia Andersen and artist Ayesha Rubio will remind young readers that by staying true to yourself and embracing what makes you unique, good things come to you.

The Frightened Little Owl Star Bright Books

This is a book about a child who is afraid of the dark. The book follows the little

boy as he tells the reader all about the approaching darkness one evening, revealing his fear as he goes to bed, showing shapes in his bedroom that look like monsters (which change into ordinary things when he switches the light on). When the boy goes on a camping trip, he comes to realize that the dark has its place, and perhaps isn't so terrible after all. After all, it's only when it's truly dark, that you can see the stars. With a playful, clever and beautiful use of laser-cut holes, the book shows shadows getting bigger and taking over the boy's world, the dark bedroom shapes looking like monsters, and then transforming, in the turn of a page, to be just ordinary things in the boy's bedroom, and a breath-taking scene of hundreds of stars in the night sky.

Otis the Owl Picture Flats and CD

In this story, a giraffe, a monkey, and a hippopotamus all overcome their fears and face a danger together.

Feelings Random House

Octopus leaves her cave in a lively reef because she is shy and the seahorses there find her fascinating, but when she finds a quieter, more peaceful spot she misses her home and friends.

Wesley the Owl HMH Books For Young Readers

On a winter's night under a full moon, a father and daughter trek into the woods to see the Great Horned Owl.

Bookworm Open Road Media

The baby owls came out of their house, and they sat on the tree and waited. A big branch for Sarah, a small branch for Percy, and an old piece of ivy for Bill.

When three baby owls awake one night to find their mother gone, they can't help but wonder where she is. Stunning illustrations from unique and striking perspectives capture the owls as they worry about their mother: What is she doing? When will she be back? What scary things move all around them? Not surprisingly, a joyous flapping and dancing and bouncing greets her return, lending a celebratory tone to the ending of this comforting tale. Never has the plight of young ones who miss their mother been so simply told or so beautifully rendered.

What was I Scared Of? Chronicle Books
In beautifully detailed photographs, Mary Holland captures the first few months of a baby barred owl's life. The huge eyes and fluffy feathers will steal the hearts of

readers as they learn how barred owl parents ready their young owlets for the big world outside the nest. Follow along as Otis learns to eat, fights with his sister, and prepares for flight. This nonfiction picture book with a cuddle factor includes a 4-page For Creative Minds section in the back of the book and a 30-page cross-curricular Teaching Activity Guide online. Otis the Owl is vetted by experts and designed to encourage parental engagement. Its extensive back matter helps teachers with time-saving lesson ideas, provides extensions for science, math, and social studies units, and uses inquiry-based learning to help build critical thinking skills in young readers. The Spanish translation supports ELL and dual-language programs. The enhanced

ebook reads aloud in both English and Spanish with word highlighting and audio speed control to promote oral language skills, fluency, pronunciation, text engagement, and reading comprehension.

I'm Not Scared Board Book Little Tiger Press

Suggests some of the ways that animals react to fear, but when a small boy wakes from a bad dream he calls for his mommy and daddy.

Owl Babies HarperCollins

Although afraid to fly, Little Owl leaves the safety of her nest and goes to look for her missing mother, who has been watching over her all the time.

The Hen Who Wouldn't Give Up Arbordale Publishing

Baby Owl is out for a moonlight stroll

through the woods but each animal he bumps into tells him not to be scared! Can Baby Owl convince them that this is what owls are meant to do and more importantly, that he is not scared!

A Memoir of Childhood Reading

Walker

A trio of short works by the Nobel laureate and "greatest writer of American prose of the twentieth century" (James Wood, "The New Republic") While Saul Bellow is known best for his longer fiction in award-winning novels such as "The Adventures of Augie March" and "Herzog," "Something to Remember Me By" will draw new readers to Bellow as it showcases his extraordinary gift for creating memorable characters within a smaller canvas. The loss of a ring in "A

Theft" helps an oft-married woman understand her own wisdom and capacity for love. In "The Bellarosa Connection," Harry Fonstein has escaped from Nazi brutality with the help of an underground organization masterminded by the legendary Broadway impresario Billy Rose, and his story continues in America. In the title story, seventeen-year-old Louie--whose mother is dying of cancer--strays far from home and finds not solace but humiliation and, ultimately, the blessing of his father's wrath.

Octopus Alone Page Street Kids

The perfect Christmas gift for the bookworm in your life. 'Beautiful and moving... It will kickstart a cascade of nostalgia for countless people' Marian Keyes When Lucy Mangan was little,

stories were everything. They opened up different worlds and cast new light on this one. She was whisked away to Narnia - and Kirrin Island - and Wonderland. She ventured down rabbit holes and wobble burrows into midnight gardens and chocolate factories. No wonder she only left the house for her weekly trip to the library. In *Bookworm*, Lucy brings the favourite characters of our collective childhoods back to life and disinters a few forgotten treasures poignantly, wittily using them to tell her own story, that of a born, and unrepentant, bookworm. 'Passionate, witty, informed, and gloriously opinionated' Jacqueline Wilson 'A deliciously nostalgic treat' Good Housekeeping 'Lucy Mangan has enough comic energy to power the National Grid'

The Spectator

The Midnight Owl Random House

Lily is frightened when the midnight owl hoots during the night. But Granny Small isn't afraid. She thinks the midnight owl sounds friendly. Will Lily always be afraid of him?

Owls Arbordale Publishing

A baby owl leaves the nest one night, explores the world around him, sees his own reflection, and then returns to the safety of home.
