Are You Getting Enlightened Or Losing Your Mind? timeless books
 An Eternal Love Letter to the Girls of Freakie Fries is a book about a letter that Don Jyovi Saraswati Di Morgese wrote. Don Jyovi Saraswati Di Morgese is a name that I give to that part of me from 1972/73, when I was nineteen, that came back to my forefront mind in 1987/88 and has been with me ever since. Actually, I go by the name of Joseph Morgese and I am, at this writing, a forty-seven year old truck-driver. In this letter, I have something worth sharing with the reader. It is a meditation technique that I received from using a certain gizmo called 'The Magnetic Pendulum', which, I think, has allowed me to communicate with Spirits from whom I received this. Having enjoyed meditation and various other spiritual practices for twenty five years now, I feel qualified to say that the knowledge that I received shows great promise. But, even more than this, this letter is a testimonial to something supernatural that has been going on now since some time. I call it 'God's Algorithm' because, like an algorithm for a computer program, it makes me do things that I wouldn't ordinarily do, and from it so far, I have drawn up a design for 'God's Perpetual Motion See-Saw', and various other tid-bits all of which you may see if you visit my web-site at www.make-luck-business.com and now, this meditation technique. May this meditation technique bring the entire world to supreme enlightenment! Thank You Sincerely and Lovingly Don Jyovi Saraswati Di Morgese

 Hollywood to the Himalayas is the enlightening memoir of a reluctant spiritual seeker who finds much more than she bargained for when she travels to India. As a Stanford grad in the midst of getting her PhD in Psychology, Sadhvi Sarawati was comfortable with her life. Despite years of grappling with an eating disorder and trauma from her early childhood, she felt as if she was successfully navigating her way through early adulthood. When she agreed to travel to India to appease her husband—and because she loved the food—Sadhvi would have never imagined that she would be embarking on a journey of healing and awakening. Hollywood to the Himalayas describes Sadhvi's odyssey towards divine enlightenment and inspiration through her extraordinary connection with her guru and renewed confidence in the pleasure and joy that life can bring. Now one of the preeminent female spiritual teachers in the world, Sadhvi recounts her journey with wit, honesty, and clarity and, along the way, offers teachings to help us all step onto our own path of awakening and discover the truth of who we really are—embodiments of the Divine. "Sadhviji models for us, at the deepest level, that in the true teaching of the spiritual traditions, healing and

grace are always possible." —Prince Ea, in the foreword to Hollywood to the Himalayas "Vivid and poetic...her journey is a river of love, compelling in its authenticity and unflinching honesty. ...a must for anyone who is interested in exploring different paths to fulfilment and to the Creator." —Jane Goodall "Sadhvi Bhagawati Saraswati is a great teacher of spirituality and consciousness. Her inspiring wisdom illuminates the path to healing, happiness, and inner peace." —Deepak Chopra "For so many of us, the road to the Divine sometimes begins with deep trauma. And, then Grace is bestowed upon us and we blossom in the holiness of love. Hollywood to the Himalayas is filled with wisdom and truth about the powerful revelations that unfold on the path to a deeper relationship to the divine. This is a beautiful book." —Rev.  In the beginning there was the word and the word was "God" and the word was "One." These are the famous words of the Bible that describes what a mantra is. In the temptation of Jesus Christ by Satan, when asked to bow to the devil, Christ replied, "Man does not live by bread alone by every WORD that is spoken" Every word that is spoken creates reality. Mantras are words of power that have a specific vibration to help you in different areas of your life from your love life, marriage, pregnancy, success, prosperity, health to anything you need to change to have a better life. This science handed down from the Vedas and the wise men of India has been summarized in this easy to use book written and accompanied with English and Spanish translation by Swami Ram Charran. Change your words, change your life!

 'Spirituality' is a word that is used increasingly these days yet it is often ill-defined. What exactly is spirituality? Is it distinct from religion and can we separate it from beliefs and traditions? Does spirituality mainly focus on spiritual experiences and practices or is it something more? This book suggests that, while there may be common features in the use of the word, 'spirituality' is not a single reality. Different 'spiritualities' reflect particular religious or philosophical viewpoints, as well as the cultural contexts in which they arise and develop. Spirituality: A Guide for the Perplexed provides students and general readers with a reliable and comprehensive guide to 'spirituality' as an area of study, religiously, historically, philosophically and in the social sciences. It explores the tools that are used to study the subject and to interpret spiritual classics (whether these are written texts or other forms such as art) from different times and cultures. Attention is paid to spirituality in a variety of religious and non-religious forms in their own terms and comparatively. However, for the sake of simplicity greatest attention is given to the study of spirituality within a religious perspective with illustrations drawn from texts, personalities and themes associated with five major world religions, Judaism, Christianity, Islam, Hinduism and Buddhism. The book concludes with an exploration of spirituality in contemporary perspective - in particular how spirituality is currently employed in areas such as health-care, education and business among other examples.

You personify your name. Rahul (On # 25) I had goose bumps as I read your email. You must be so proud of your Mama Ji. Shobha (On # 28) You have reduced religion to the dynamics of market forces. What a wonderful idea! Religion is the invention of man and spirituality is a science of connecting with GOD. Shadi Ram (On # 32) This is a good 'reflection.' You have provided a historical dimension as also the need for unification of the divergent Hindu stratifications. Moorty (On # 33) Looks like I am getting regular lessons from my Teacher. Deriving inspiration from Swami Vivekananda's exhortation that the highest philosophy must be put in concrete moral forms so that anyone can grasp, Swami Vimurtananda, under the pseudonym of Bhamathimaindan, had written several stories that were published in Sri Ramakrishna Vijayam, the Tamil monthly published from Sri Ramakrishna Math, Chennai. This book is a collection of English translation of twenty-five such stories. It offers eternal messages packaged in imaginative stories of real-life significance under the title *Speaking Flute* that conjures up visions of Sri Krishna from whose mystic flute divine music issues forth in recurring waves. The slender volume is a good example of impeccable story-telling. It is ideal for non-detailed study by school students.

Camille Gardner is trapped in the middle when a unique Southern town collides with the 'outside world' and big oil. A talented negotiator, Camille Gardner agrees to take on one last field assignment for her uncle before she settles down to pursue her real passion--working at an art gallery. But she'd rather be anywhere than Samford, Louisiana, the small southern town where she once spent the worst weeks of her life. To fulfill the obligation she feels to her uncle, Camille needs to entice a group of rural landowners to sell their mineral rights--and allow use of their precious water for the drilling of natural gas. Instead, she finds herself drawn to the local folk art created by those same

landowners and attracted to Marsh Cameron, the attorney representing the landowners. The charming residents and the traditions of this small community leave Camille conflicted about her family obligations--and her own plans for the future. Perhaps she needs to give Samford a second chance. Christie populates her story with a varied cast of Southern small-town characters. Her tendency for unresolved suspense is occasionally unsettling, but, overall, her stories have enough warmth and humor to keep her readers coming back for more.' --- CBA Retailers + Resources [Born to Win](#) World Wisdom, Inc

Started in 1958, Sanathana Sarathi is a monthly magazine devoted to Sathya (Truth), Dharma (Righteousness), Shanti (Peace) and Prema (Love) - the four cardinal principles of Bhagawan Baba's philosophy. It is published from Prasanthi Nilayam (the Abode of Highest Peace) and acts as a mouthpiece of Baba's Ashram as it speaks of the important events that take place in His sacred Abode, besides carrying Divine Messages conveyed through Divine Discourses of Bhagawan Sri Sathya Sai Baba. The word meaning of Sanathana Sarathi is the 'Eternal Charioteer'. It signifies the presence of the Lord in every being as the atma guiding their lives like a charioteer. It implies that he who places his life, the body being likened to a chariot, in an attitude of surrender in the hands of the Lord, will be taken care of by the Lord even as a charioteer would take the occupant of his chariot safely to its destination. The magazine is an instrument to disseminate spiritual knowledge for the moral, physical and mental uplift of humanity without any discrimination as the subject matter discussed therein is always of common interest and of universal appeal. The fifteen Vahinis - streams of sacredness - known as the Vahini Series comprising annotation and interpretation of the Upanishads and other scriptures, Itihasas like the Ramayana, the Bhagavatha and the Mahabharata, and authentic explanations on Dhyana, Dharma, Prema, etc., have been serially published in this magazine as and when they emanated from the Divine pen of Bhagawan Baba. This magazine is published in almost all Indian languages, English and Telugu from Prasanthi Nilayam and others from respective regions. Every year Sanathana Sarathi comes out with a special issue in November commemorating the Divine Birthday. The English and Telugu magazines are posted on the 10th and 23rd respectively, of every month, from Prasanthi Nilayam. This magazine has wide, ever increasing circulation in India as well as abroad, as the study of it brings the reader closer to the philosophy of the Avatar in simple understandable language THUS SPAKE SAI... Discoursing during the launch of Sanathana Sarathi... From this day, our Sanathana Sarathi will lead to victory the cohorts of truth - the Vedas, the Sastras and similar scriptures of all faiths, against the forces of the ego such as injustice, falsehood, immorality and cruelty. This is the reason why it has emerged. This Sarathi will fight in order to establish world prosperity. It is bound to sound the paean of triumph when universal Ananda is achieved.
