 Daniel Goleman offers a vital new curriculum for life that can change the future for us and for our children
Women Who Love Too Much Penguin
 Major New York Times bestseller Winner of the National Academy of Sciences Best Book Award in 2012 Selected by the New York Times Book Review as one of the ten best books of 2011 A Globe and Mail Best Books of the Year 2011 Title One of The Economist's 2011 Books of the Year One of The Wall Street Journal's Best Nonfiction Books of the Year 2011 2013 Presidential Medal of Freedom Recipient Kahneman's work with Amos Tversky is the subject of Michael Lewis's The Undoing Project: A Friendship That Changed Our Minds In the international bestseller, *Thinking, Fast and Slow*, Daniel Kahneman, the renowned psychologist and winner of the Nobel Prize in Economics, takes us on a groundbreaking tour of the mind and explains the two systems that drive the way we think. System 1 is fast, intuitive, and emotional; System 2 is slower, more

deliberative, and more logical. The impact of overconfidence on corporate strategies, the difficulties of predicting what will make us happy in the future, the profound effect of cognitive biases on everything from playing the stock market to planning our next vacation—each of these can be understood only by knowing how the two systems shape our judgments and decisions. Engaging the reader in a lively conversation about how we think, Kahneman reveals where we can and cannot trust our intuitions and how we can tap into the benefits of slow thinking. He offers practical and enlightening insights into how choices are made in both our business and our personal lives—and how we can use different techniques to guard against the mental glitches that often get us into trouble. Winner of the National Academy of Sciences Best Book Award and the Los Angeles Times Book Prize and selected by The New York Times Book Review as one of the ten best books of 2011, *Thinking, Fast and Slow* is destined to be a classic.

Matilda David Fickling Books

Fed up with waiting for a boy to come her way, India-Jane takes action! India Jane is feeling frustrated. She thought that Joe was her soulmate, but things seem to be going nowhere with him. Perhaps what she feels for him isn't 'love' after all - whatever that

is. Gathering her friends around her, she sets out to find the boy of her dreams by Christmas. Her exploration is pretty disastrous, but just when she is in total despair, two gorgeous boys surface. Looking for love turns out to be a lot more complicated than India Jane thought. And Other Stories from a Child Psychiatrist's Notebook -- What Traumatized Children Can Teach Us About Loss, Love, and Healing HarperCollins

La soledad es esa fina línea entre un vacío que nos reclama y la calidez del amor propio abrazando nuestra alma. El gris es ese color que describimos como tristeza, desamparo, temor, pero que tan solo con un soplo de esperanza llena de colores las vetas de la vida. El dolor es ese viejo amigo con quien te tomas un par de copas y, a la larga o a la corta, termina enseñándote cómo seguir a pesar de los golpes. La incertidumbre es ese corazón con heridas al rojo vivo que nos hace preguntarnos mil veces cómo, cuándo, por qué... El chico de los ojos tristes está lleno de líneas que interpelan, que hacen reflexionar, que piden a gritos ser leídas, así como cada cicatriz que llevamos pide ser sanada. Es un libro que nos habla de vivir, no de sobrevivir, porque cuando sobrevivimos hay una parte de nosotros que -a medias- quiere morir. En sus páginas nos invita a resurgir de esa tierra seca, echar raíces, volver a creer, volver a confiar y, sobre todo, volver a amar. Si alguna vez te hundiste en el mar de la desolación, estas líneas tocarán hasta la fibra más recóndita de tu alma. *I Am Not Your Perfect Mexican Daughter* The Countryman Press Tired of trying to live up to the expectations of her popular boyfriend, Sawyer, Ashton finds herself attracted to Sawyer's cousin, Beau, who, despite not wanting to hurt his cousin, finds Ashton irresistible.

After Simon and Schuster

Marrying a stranger tops the list of things you should never do in Las Vegas, but I did it anyway. The entire night was my idea. I was the one who suggested a wake-up-with-a-tiger kind of night. Instead, I woke up with a ring on my finger and Vince Rossi in my bed. Vince, who was nothing like I thought he was and everything I never knew I needed. Suddenly I was falling head-over-heels in love with my accidental husband and the idea of ending this union was the last thing I wanted. I wanted forever. So what if we barely knew each other? Statistically speaking, our odds were as good as anyone's. Until the annulment papers landed on my doorstep ...

The Boy Who Sneaks in My Bedroom Window Simon and Schuster

Two young boys encounter the best and worst of humanity during the Holocaust in this powerful read that USA Today called "as memorable an introduction to the subject as *The Diary of Anne Frank*." Berlin, 1942: When Bruno returns home from school one day, he discovers that his belongings are being packed in crates. His father has received a promotion and the family must move to a new house far, far away, where there is no one to play with and nothing to do. A tall fence stretches as far as the eye can see and cuts him off from the strange people in the distance. But Bruno longs to be an explorer and decides that there must be more to this desolate new place than meets the eye. While exploring his new environment, he meets another boy whose life and circumstances are very different from his own, and their meeting results in a friendship that has devastating consequences.

A search for the Beast, a Yeti-like creature within the heart of the Amazon, becomes a quest for self-discovery in this young adult coming-of-age story filled with international adventure, rich mythology, and magical realism from globally celebrated novelist Isabel Allende. Fifteen-year-old Alexander Cold has the chance to take the trip of a lifetime. Parting from his family and ill mother, Alexander joins his fearless grandmother, a magazine reporter for

International Geographic, on an expedition to the dangerous, remote world of the Amazon. Their mission, along with the others on their team—including a celebrated anthropologist, a local guide and his young daughter Nadia, and a doctor—is to document the legendary Yeti of the Amazon known as the Beast. Under the dense canopy of the jungle, Alexander is amazed to discover much more than he could have imagined about the hidden worlds of the rain forest. Drawing on the strength of the jaguar, the totemic animal Alexander finds within himself, and the eagle, Nadia's spirit guide, both young people are led by the invisible People of the Mist on a thrilling and unforgettable journey to the ultimate discovery.

An empowering journey through the mechanisms of the mind from one of the world's leading mental health experts. For those in pursuit of a better life, psychiatrist Marian Rojas Estapé

presents the essential guide to neuroscience-driven mindfulness. Understanding your brain, managing your emotions, and being aware of your responses to stressors can give you greater self-control. Rather than a gimmicky guidebook, this is a thorough look at how our brains react to stress, threats, hyperstimulation, and the vices of our digital age. With proven techniques backed by solid, up-to-date psychiatric research, Estapé teaches us how to make the best of our lives. Combining science, psychology, and philosophy, Estapé delivers practical advice about how we can cultivate a happy existence. This includes understanding the parts of the brain, setting healthy goals and objectives, strengthening willpower, cultivating emotional intelligence, developing assertiveness, avoiding excessive self-criticism and self-demand, and mastering the proven art of optimism.
